MILTON 3—ELMIRA 2.

At the Milton Arena last Saturday afternoon the Milton Juvenile Legionaires gained the advantage over the Elmira Bear Cats in the first game of O.H.A. championship play-offs, when they defeated their opponents 3-2. The two teams play home and home games, goals to count on the round.

From information received this is Elmira's third round in the playdowns. They defeated the winners of Waterloo group in the first round. In the second they eliminated Siskin-Arras. Milton's victory is their first defeat in their last eight starts.

Though soft ice made combination play impossible, the game was replete with spirited action and the hard and close checking raised the enthusiasm of the fans.

The Legionaires, even without the services of Sproat and Kennedy, two mighty handy youngsters to have around, came from behind twice in regular time and had what it takes to rally in the overtime to pull a hard-fought encounter out of the fire after it had apparently been lost.

In defeat the Bear-Cats were very impressive and only the brilliant display of McDuffee in the local nets kept the Legionaires in the running. The Homesters had their unlucky moments. They carried many plays right in past the Elmira blue line, but were unable to click on their opportunities. Amlinger blocked many shots and twice the puck hit the goal posts.

In the first five minutes in the initial period Elmira kept up a constant offensive they had the locals bewildered, but sensational netminding by McDuffee kept them off the score sheet. After sixteen minutes of play Nelson picking up a loose puck fired home the opening goal Their lead was short-lived however, for Robertson evened the score on a pass from H. Evans. The first period ended with the score 1-1.

In the middle session Elmira again took the lead, Nelson again gathering up a loose puck. The Legionaires improved as the game went along. H. Evans tied up the score at the nine minute mark with a real picture goal. Getting the puck at his own defence he stick-handled his way in front of the Bear-Cats net, drew the goalie out of the net and calmly netted the puck.

Feeling ran high in the third period although the anticipated flare-up did not come, much to the disappointment of some of the fans. At that there were a couple of clashes that relieved the tension and it was lucky the referee had the game well in hand. The period went scoreless.

In the overtime Charlton repeated Evan's performance, breaking away from his own defence and with a pack of Bear-Cats chasing him, he gave the goalie no chance with his shot to tally the winning counter.

The defence boys, Charlton and Gowland, played all through the battle without relief and though in the early stages they had trouble clearing the puck out of the danger zone they gave their goalie brilliant support. Every Legionaire is worthy of mention with McDuffee being the hero of the contest. He gave one of the greatest exhibitions of net-minding seen here in a long time.

Hardworking Nelson was the cream of the Elmira crop; he scored two goals and travelled at top speed both ways. Amlinger the goalie turned in a great effort.

Milton—Goal, McDuffee; defence, Charlton and Gowland: centre, H. Evans; wings, Robertson and Scott; subs., Lowe, Pollock, Morley, L. Evans and Randall.

Elmira—Goal, Amlinger; defence, Arnold and Steffer; centre, Seiling; wings, M. Brown and Hillis; subs., Nelson, T. Brown, Miller, Brox, Another.

MILTON 5—ORANGEVILLE 4

Coming from behind in the wide-open and speedy battle that had everything, Milton smashed into the picture with a scoring jamboree in the last period at Galt last Friday night, to nose out Orangeville Greenshirts in the fifth game of group 6 playdowns by the score of 5 to 4. The victory brought Milton even with last year's champions, with two wins each and a draw.

It was a rousing display of fighting spirit that the winners displayed as they came from back of nowhere to wipe out a two-goal lead and then sweep to the front for a convincing victory.

Greenshirts took the big end of the penalties and, of course their supporters wanted the referee boiled in oil or something, and he got the usual verbal thrashing, but from all accounts Kuntz handled a hard game in a very capable manner. Lang, a Kitchener import, took three penalties. In previous games this boy got away with everything except throwing the goal-posts around.

Milton were unable to match the play of Orangeville at the start of the game, the artificial ice appeared to bother them. The Greenshirts kept the play deep in Milton territory and with a series of burning shots taxed the abilities of McDuffee to the utmost. At the two minute mark Gillespie put one behind the Milton goalie on a pass from Hopkins. Near the end of this session Milton came close to tieing the score, Slaski, Rinsell and Mike Coxe all were very near as Milton brought the crowd to its feet with a powerful offeusive.

Score Orangeville 1, Milton 0.

The Greenshirts again took the offensive in the second period and after six minutes Paget got a loose puck and drilled it home to put Orangeville two up. Milton finally hit their stride and time and time again both teams were robbed by Magill and McDuffee, who were at top form in the nets. Halfway through the period Milton got their first goal, Slaski from Cox. The counter put new life in Milton and they started to pepper Magill from all angles. On a breakaway Orangeville scored again, Hopkins being the marksman. Two minutes later Slaski scored for Milton.

Score, Orangeville 3, Milton 2

After three minutes of the third period Orangeville regained their two goal lead, Hopkins tallying. Milton was pressing at the time and had only one man back. At the five minute mark Milton again got in the running. Slaski, who was hotter than the proverbial firecracker, getting his third counter, with B. Cox getting the assist. Milton continued to press and Slaski handed Mike Coxe a pass to score the equalizer. Three minutes later Bowring gave Timbers a pass in the clear and Milton took the lead for the first time. Magill in the Greenshirt's net has not in a long time seen so many pucks as the Milton youngsters shot at him for ten minutes in that final period. Milton hung on tenaciously to that one goal lead for the balance of the game and even took time out to make several raids on Magill in the hope of getting another goal.

Final score, Milton 5, Orangeville 4.

CONCERT—DANCE. — On Friday evening, March 10th, Mountain Union Women's Institute are holding a concert in Milton high school auditorium, followed by a dance with Bennett's Orchestra in attendance. Refreshments. Admission 25c each. All welcome. 4t

MILTON CAPTURES DISTRICT CHAMPIONSHIP

Orangeville Put Up Great Fight, But Are Beaten 5--4

Before an enthusiastic crowd of 1500 fans, over 500 being supporters of the Milton team, going by special train, Orangeville Greenshirts, last year's Junior "C" champs, were eliminated in the sixth game of Group 6 play-offs when Milton defeated them in Galt Arena last night by 5 to 4. It was 60 minutes of sustained action and speed, with the unselfish team-play and back-checking of the Milton sextette accounting for the co-victory.

Father McSabe's Orangeville lads never gave up trying, but it was only in the last three minutes of the game that they could beat Arn. McDuffee in the Milton nets. Then they staged one of the greatest finishes ever seen on Galt ice, scoring four goals in 2 minutes and 16 seconds, to come just within a goal of tying the count and only a second to go.

McDuffee was the standout of the game, but every player on the two teams starred. The game set another record for the Galt Arena, since it was the first game without a penalty.

Milton — Goal, McDuffee; defence, Learmont, Bensell; centre, Robertson; wings, Timbers, Bowring; subs., Solski, Sproat, M. Coxe and P. Coxe.
