RED CROSS NOTES

Wanted Urgently, One Hundred Thousand Blood Test Donors

This is the call that the Canadian Red Cross has sent out to the men of Canada for the voluntary help of men in good health who are over twenty-one and under fifty. Everyone knows the value of blood transfusion both in war and peace. Thousands of lives have been saved by their miraculous aid. Research workers have discovered how to dry the blood serum to a powder so that it can be stored away until whatever time and wherever it is needed. This is a great thing for military medical practice, because the injections can be given anywhere—on the battlefield—at dressing stations—in the midst of air raid wreckage. It is urged that community groups be formed, in order that transportation problems be reduced to a minimum, and men from every walk in life are responding to the call, factory workers, professional men, truck drivers, laborers and men of the armed forces. Donors would not be called on oftener than once every nine weeks, and notification is given three days in advance for each appointment and after three donations a special lapel buttons is given. The operation is entirely painless, takes little time, and serves an important national purpose. Consult the local branch of the Red Cross for information regarding transportation and other necessary arrangements, and enroll for service. We feel sure that all employers will co-operate with us in this plan.

CHRISTMAS RAFFLE—Watch for the delicious Christmas Cake to be drawn for at the Red Cross Tea on Dec. 13th. Tickets 3 for 25c.

He will show a goodly number of slides of Russia and the activities of the Russian missionary work, both in Canada and Russia. It will be of great interest to you to hear this message. As this man is a Russian, he knows the condition of Russia to-day. We know that Germany and Russia are at war, why not plan to come and hear an up-to-date message. He will also sing and play on the saw. Come friend and be enlightened on world affairs.

JACK MOUNTAIN.

THE CANADIAN CLUB

Prof. Watson Kirkconnell, of McMaster University, Hamilton, will be guest speaker at the Canadian Club tomorrow (Friday) night. He will speak on "The European Canadian."

An unusually fine speaker, with an experience of Canadian affairs, which at the present time must be of vital importance to all Canadians and we are particularly fortunate in securing his services for this meeting.

A bushel of apple has been donated to the club by Mr. McMillan, one of our members, and will be raffled at this meeting. The proceeds of this raffle will help to swell our fund for smokes for our soldier friends overseas.

Knox Church Missionary Supper

In Knox Church S.S. room, Monday, Nov. 17th, a supper meeting was held which was as Mrs. Marsh, Secretary of Young People's Organizations, explained, "A dream come true," as it was an attempt to establish closer relationships between all the missionary auxiliaries of the church. Among the sixty guests who sat down to the long tables prettily decorated with flowers, were members of the W.M.S., and their Home Helpers of the Y.W.M.S. and of Mrs. Robertson's Senior Girl's Auxiliary. The meeting was honored by the presence of Mrs. Hall, President of the Toronto Presbyterial and three of her co-workers, who brought greetings. Miss Moffat presided at the programme which followed the supper. Two lovely vocal numbers were rendered by a quartette, consisting of Babara Nixon, Willa Anderson, Mildred Evans and Flora Higgins. The guest speaker was Mrs. Rumbull, who until a few months ago worked among the Koreans living in Japan, of whom there are 600,000, and who is now doing deaconess work in Toronto. Mrs. Rumbull told of her personal relationship with three teen-age Korean girls whom she felt would, as Christians, have telling influence upon their fellow Koreans. The general feeling at the close of the meeting was that it had been well worthwhile and that another get-together will be held at a future date.

St. Paul's Church W.M.S.

The W. M. S. of St. Paul's United Church held their Nov. meeting at the home of Mrs. G. A. King, Mill St., on November 12th. Mrs. R.B. Galbraith, president, conducted the meeting. A good number were present and in answer to the roll call, responded with a scriptural verse containing the word "Peace." Reports were received from the departments and secretaries, and a short time was devoted to business matters, as our guest speaker, Mrs. Fish, was to address us on her twenty years of missionary work in West China, and we wished to give her all the time available. As China is our topic for our year's work, every onewas deeply interested in her address. It was very informative and encouraging, notwithstanding the many difficulties the missionaris in that land have been obliged to face.

The Christians of China, and all others interested in Christian work, were deeply thankful for their Christian leaders, General and Madam Chiang Kai Shek. All present were intersely interested and very grateful to Mrs. Hutchinson, in charge of the program committee, for giving us an opportunity to learn more of the missionary work in that wonderful land, and greatly encouraged to hear of the progress of the work which our society, and all other missionary societies, are praying and working for.

A hearty vote of thanks was tendered to Mrs Fish. The meeting closed by singing the National Anthem.
