LEGION NEWS

The Annual 'Santa Claus Fund' Street Fair was a great success from the standpoint of attendance and monies realized and both the Milton Fire Brigade and Legion Branch 136 were well pleased. Branch 136 wishes to thank all those Milton and district people who support our efforts on behalf of service work among the children and others.

Summer time is here, with some record hot weather. This will no doubt ease activity around Branch 136 and fewer events are planned for the next two months. However, we wish to announce another big event, the annual members' family picnic to be held next Sunday afternoon on the banks of the Sixteen Mile creek at the junction of Bronte St. North and the Base Line. This will be a real family picnic and the cihldren will be provided with ice cream, hot dogs, etc., free of charge. All you Legion members, come and bring the family for a pleasant outing.

As attendance at the Saturday night dances has been heavy and the Legion Hall has a limited capacity, we must announce that henceforth COUPLES ONLY will be admitted to the hall on Saturday nights. We trust that this will meet with the approval of all.

LETTER TO EDITOR

Many Appalled By Liquor Menace

To the Editor of the Champion.

Sir: Many of us are appalled and saddened to read in the press that in a recent survey, a majority of grocers and merchants registered their vote in favor of selling beer with groceries and provisions. One man is reported to have said that "he would sell anything if there was money in it." Thus we see that "money" or "profit" has become our god. Human society is manufacturing criminals wholesale and then punishing them for being criminals. It is about time, Mr. Editor, that we awakened to the fact that the manufacturers' and salesmen of these soul-damning beverages (including governments) are the real criminals and are answerable to God and the people for their conduct. How much longer are we going to tolerate this social octupus, whose tentacles are around our homes and churches and every institution of culture and refinement and will inevitably drag them down to degradation and doom? If we claim to be Christians and patriots let us assume a bold and united stand again these high-handed, self-seeking enemies of the people, and may the people themselves cease to support that social habit which is enslaving them.

Mrs. Dave Wilson,
Mary St.

Hope For Further Revenue Increase

At the request of many interested persons, the Parks Board is publishing the Auditors' Report of the Halton Community Centre for the year ending December 31, 1954.

Revenue	
Picnic fees, ball club dues	$240.50
Water Rental	1.00
Booth Committee	200.00
	441.50
Surplus from previous year	201.47
	$642.97
Expenditure	
Light and Power:	
Booth	56.06
Ball Field	105.60
	161.66
Repairs and Maintenance	58.05
Office Supplies	6.70
Bank Charges	.70
Capital outlays on addition to booth	146.23
	373.34
Revenue Fund Surplus	269.63
	$642.97

In addition to the amount taken in by the booth committee as shown above was the amount of $200 as received by the Limestone Farm Forum who operated the booth on a 50 per cent. basis. Part of that amount will be earmarked for park improvements as a special project of the farm forum. Picnic fees and ball club dues showed an increase of $131.00 during 1954 over the previous year.

It is hoped that a further increase will be noted during the current year so that many more improvements will be possible.

The financial report was prepared by Ralph E. Young and Co., Chartered Accountants, Toronto, Ont. after a complete examination of the records and accounts of the Halton Community Centre. A. Roy Coulter is the secretary-treasurer of the centre.

People buy the Champion to read and read the Champion to buy.

LETTER TO THE EDITOR

Firemen Commend Phone Operators

Dear Editor:

The members of the Milton Fire Department wish to take this opportunity of expressing their sincere thanks and appreciation to the operators of the Milton Bell Telephone staff for their help and co-operation through the past years with fire emergency calls.

Very few citizens of the municipalities realize the important roll that the telephone operator has taken when a fire call has come in. On many occasions the fire call has been reported to only the telephone operator and they have put it through to the Fire Department with speed and accuracy providing all the information necessary for the brigade to respond to the call in the quickest time possible.

Now the dial phones are installed and it will be different for the citizens to report a fire with the help of the local operator no longer available. It is important that the citizens make a note of the fire department number that is printed in the Champion and remember the Bell operator will not be on the line to help you contact the fire department.

We feel the citizens of the rural areas will be affected the most in not having the operator to assist in getting their fire calls through. Although the fire department has asked township councils to help in installing a more up-to-date fire alarm system, as yet they have not. May we remind you this is important for your fire protection and will most surely cause delay in alerting the firemen to your needs for help. We also would like the rural citizens to know the Milton Fire Department will not be responsible for any delays due to the lack of a fire alarm system.

In the town of Miton, the large siren is used to alert the firemen for a fire, but for rural fires the men are alerted by telephone only. This of course could cause a delay by not having the help of an operator, who has been so helpful in staying on the line and ringing the firemen very quickly.

So in a very short three days from the time of the issue of this Champion, we will be on dial phones and once again may we, the members of the Milton fire brigade, say thank you girls for a job well done.

Yours sincerely,
Milton Fire Brigade.

To Lay Main In Trafalgar

Decision on the laying of a trunk main was made by Trafalgar township council at their meeting on July 6. The following lengthy resolution was passed:

"That a scheme of joint utilities was presented to Oakville on March 1 and a decision from them was awaited until April 13 when it appeared Oakville did not desire to enter into such an agreement. A joint scheme for sewage only was therefore presented to Oakville on May 9th. Oakville's decision has been awaited before plans for a sewer man could be finalized, but to this time Oakville has refused to make a final decision.

"However, Trafalgar feels that sewage is an area problem and in view of the Dept. of Health's refusal to permit Oakville to enlarge their plant, that for the future benefit of Oakville the mains west of the town should be laid at such a depth and size to ensure the future accommodation of Oakville's sewage and avoid duplication of costs although this entails additional costs to the township at the present until Oakville commences to use the main and plant. The engineers have therefore been instructed to bring in a report which they have done and where sufficient allowances have been made by the engineers for the rock to be encountered on Rebecca St. at the depth required to service Oakville by gravity sewers on the Rebecca St. route immediately service lands which require treatment.

"All other alternative routes require in addition the immediate laying of mains on Rebecca St. and pass along lands which do not now require nor is it anticipated will require sewage treatment for many years. These alternative routes also require purchase of land or easements and result in heavy damage to privately owned land, the cost of such damages to the taxpayers cannot be accurately estimated and in some cases expropriation proceedings would be required which is undesirable.

"It is therefore resolved that the trunk main west of Oakville be laid along the centre of Rebecca St. from Maurice to the high school property and thence by existing roads through the Linton subdivision to No. 2 highway and thence to the sewage plant."

Margaret Gillies was employed to assist in the office at a salary of $2080.

In 1954 there were 3,641,065 motor vehicles licensed in Canada, and incease of 210,000 from the previous year.

BORN

SAUNDERS—Glenn and Irene are pleased to announce the arrival of their daughter, Judith Irene, at Milton Private hospital on Tuesday, July 12, 1955. A sister for Johnny.

STREETER — Mr. and Mrs. Alvah Streeter are pleased to announce the arrival of their daughter, Gail, at Milton Private hospital on Sunday, July 10, 1955. A sister for Jamie.

ANDERSON—Mr. and Mrs. Ralph Anderson are happy to announce the arrival of their son at Milton Private hospital on Monday, July 11, 1955. Brother for Mary, Norman and Elizabeth.

DIED

BURDEN — In Centennial Manor, Milton, Ontario, on Monday, July 11, 1955, Mrs. Emily Burden, Palermo, wife of the late Robert Burden and dear mother of Robert of Palermo and Mrs. G. W. Bishop of Aberfoyle.

Funeral service was held on Wednesday afternoon at 2 o'clock in Palermo United church cemetery.

IN MEMORIAM

HAMILTON—In loving memory of a dear father and grandfather, George Hamilton, who passed away July 18, 1952.
Till memory fades and life departs,
You live forever in our hearts.
Lovingly remembered by Laura, Art, Ron and Jim.

HAMILTON—In loving memory of my dear husband, George Hamilton, who passed away July 18, 1952.
We who loved you sadly miss you,
As it dawns another year,
In my lonely hours of thinking,
Thoughts of you are always near.
Always remembered by his Wife.

BAVERSTOCK—In loving memory of our daughter, June, passed away July 15, 1952.
We think of her in silence,
Her name we oft recall,
There is nothing left to answer,
But her picture on the wall.
Lovingly remembered by Mother, Dad, brothers and sisters.

STOVER—In loving memory of a dear father, John Stover, who passed away July 18, 1943.
His heart was good, his friendship sound,
Loved and respected by all around.
To a beautiful life a sudden end,
He died as he lived, everyone's friend.
Sadly missed by Family.

ARMSTRONG—In loving memory of a dear wife and mother, Jessie Armstrong, who passed away July 14, 1953.
The world may change from year to year,
And friends from day to day,
But never will the one we loved
From memory pass away.
Sadly missed by husband Jack and family.

BROWNRIDGE—In loving memory of a dear wife and mother, Elizabeth Ann Brownridge, who passed away July 13, 1951.
Four years have passed since that sad day,
When one we loved was called away,
God took her home, it was His will,
Within our hearts she liveth still.
Lovingly remembered by Husband, Sons and Daughters.

The slick surface of wet asphalt roadways has sent many a motorist limping to the garage with flattened fenders and shattered headlamps. But now research engineers have come up with something that sharply reduces this accident hazard. When their special aluminum oxide abrasive is applied to the road surface, it cuts down by more than 30% the stopping distance of your car when you apply the brakes at 30 m.p.h.

...So in addition to saving weight and work in a thousand everyday and special applications, aluminum may prove a major factor in saving lives, too.
