New Study Book On Home Missions

Mrs. J. E. Whitelock opened her home on Thursday afternoon, September 8 for the first meeting of the fall season of the Afternoon Auxiliary W.M.S. of St. Paul's church.

Mrs. J. E. Taylor, first vice-president, presided. Reports were received and plans considered for work to be undertaken by the Auxiliary. The scriptural and devotional exercises were based on the theme, The Call to Discipleship. Leadership in this was given by Mrs. F. Hadley.

The new study book on Home Missions of the church was introduced by Miss Hume. It is a two fold study, the two main regions where the church has both a special interest and a large responsibility being, Canada's latest and earliest people—immigrants and Indians.

No Vanishing Race deals with that pioneer Canadian, the Indian, of which there are six main divisions in a total population of over 136,000. The United church of Canada ministers to 20,000 of these in Christian missions. There is, over and above the special ministration on the Reserve, a challenge to Christians, when and as, the increasing number of Indians leave the Reserves and exercise the franchise in felow-citizenship, to see that this New Canadian is assimilated and helped to acquire a place at the local community level. For the out-of-the-reserve world is a new experience for many of these people. The whole study promises to be most interesting and most challenging.

$1,000,000 In Livestock In Parade

More than $1,000,000 worth of livestock paraded for spectators at the Canadian National Exhibition at the end of judging in the agricultural section of the big show.

The parade included heavy horses, beef and dairy cattle and the top sheep of the Exhibition show.

S. G. Bennett of Georgetown captured the premier exhibitor and breeder banners for Shorthorns and his Scotdale, Butterfly Juliette, took the female grand championship. Reserve was won by Glenburn Graceful Lass 16th, owned by K. E. Deacon of Unionville. Shorthorn bull winner was Laslynnturn Showman, owned by George L. Lasby of Guelph, and reserve winner was Philworth Ben More (Imp.), owned by Leonard Dermott of Goodwood.

In Red Polls the bull winner was Minnesota Edgar 2nd owned by George C. and Leonard W. Coulson of Milton and the reserve Bri-Ron Bud, shown by A. Roy Coulter of Campbellville. Champion female was Rose Ruth Blossom 4th, owned by Leonard W. Coulson and the reserve was Reedlyne Snowflake, shown by George E. Readhead of Milton.

Tablet Honors Ontario Artist

A tablet honoring the memory of Homer Watson, the great Ontario landscape painter, was unveiled at the former Watson home at Doon, seven miles south-east of Kitchener on Saturday, September 10. This tablet was erected by the Historic Sites Division of the Department of Northern Affairs and National Resources on the recommendation of the Historic Sites and Monuments Boards.

Mr. Watson, who spent most of his life at Doon until his death in 1936, gained international recognition for his paintings of Ontario rural and pioneer life. He was the Canadian Art Club's first president and was a fellow and for four years the president of the Royal Canadian Academy of Art. His home is now the Doon School of Fine Arts.

The unveiling of the tablet coincided with the opening of an exhibition of paintings by students from the Doon School of Fine Arts. R. M. Myers, M.P. for Waterloo South, unveiled the tablet, and Clare Bice, curator of the London, Ontario Art Gallery, spoke. Chairman of the program was F. Page, president of the Waterloo County Historical Society and a close friend of the late Mr. Watson.

MILTON HIGH SCHOOL NEWS

By Art Coulbeck

Here I am again, pounding out this triviality on my faithful Underwood and it really is a pleasure to be back, enlightening you on what goes on in our Institution of Learning.

I can look back on last year: the dances, the football games we never won, Field Day at Acton, where we came fourth, the wiener roasts, examination times and the nineties and twenties which resulted from them, and. believe it or not, the mystery of Mr. Walker's missing rubbers has never been solved (there's one for you, Sherlock).

And I can look on to this year which has just begun. Who can tell about the rugby or the inter-school field meet? Who knows (although I can take a good guess) who the president of the Student Council will be? Who even knows if this column will continue? It will unless we are struck by Bubonic Plague or Hurricane Zelda or a Deluge or some such thing. I promise that.

I can tell you, though, that there are some 90 new students in Grade 9 and they are true "little grade niners" because they are really getting smaller every year. There are three new teachers, too, and I would like to express a welcome to all of them.

In the future: wiener roasts, dances, athletic events, Christmas exams, holidays and (I blush to mention the word) homework. You can be sure of that almost every night. That should serve to give Grade Niners a very pessimistic outlook on life.

Another thing coming up which should be a joy to Grade Niners is your official welcoming: the Initiation. This is something which is followed to the letter or great is the penalty. I wish Gerry Homewood, the only boy in grade 13, good luck in conducting his half of the event and he'll need it.

To sum this epic up, I would like to quote from the words written by Miss Donna Clements concerning last year's 9A but I would like to consider it as referring to the whole school:

"Every day at 8.45 a.m. when the buses come in, if you ventured in you would find a mixture of genii, morons, jerks and quiet kids."

That is what makes a school, any school. It takes all kinds to make the world, from the genii to the morons, from the jerks to the quiet kids, with a plentiful dash of those who are in-between. That's Milton High and I love it.

Defending Champions Take Match From Durham 9 To 3 On Saturday

Durham were the opposition for Campbellville in the second round of the O.B.A. Intermediate C playdowns and the first game of the series went to the defending champions as they came out on the long end of a 9-3 score in Campbellville on Saturday, September 10.

Durham's ace right-hander, Erv Garvie, did the hurling for the visitors and gave up eight hits, walked three and struck out nine. Jack Roberts was on the mound for Campbellville and allowed seven hits, two walks and struck out three.

Durham scored first in the first inning. Grant opened the game with a single, was sacrificed to second, went to third when Moore threw badly to first on Weis' grounder and was squeezed in by Jackson. Campbellville came right back to tie it up in the bottom of the first. With two out Henderson walked and scored all the way from first when Early smashed a long double into left centre.

Durham took a 3-1 lead in the top of the fourth when Faulkner singled and Garvie blasted a home run over the left field fence.

Again Campbellville came right back to score three runs in the bottom of the fourth to make the score 4-3. Wingrove was safe on an error by the second baseman and stole second. Earl Cairns walked and they then pulled a double steal to put men on second and third. Jack Roberts then clouted a tremendous home run deep over the fence in left centre to drive in and score what turned out to be the winning run.

In the fifth Henderson got to second when the third baseman threw his grounder over first base. He went to second on a wild pitch and scored on Early's sacrifice fly to right. With two out in the sixth, singles by Roberts and Moore put men on first and second. Roberts stole third and romped in as the catcher threw into left field.

The left fielder, trying to get Moore going into third, threw over the third baseman's head into the crowd, letting Moore in and making the score 7-3. With two out in the bottom of the seventh a single by Elliott, a double by Bill Cairns and a single by Wingrove produced two more runs and completed the scoring.

Grant and Faulkner each hit two singles for Durham. Garvie had a home run and Lake and W. Nixon singled. Jack Roberts with a home run and a single led the Campbellville attack. Ken Moore hit two singles, Lloyd Early and Bill Cairns each doubled and Bill Elliott and Allan Wingrove hit singles.

The second game of this series will be played in Durham at 5 p.m. on Friday, September 16. The third game if necessary will be in Durham on Saturday, September 17 at 3 p.m.

Indian Religions Is The Topic for W.M.S.

The president of Knox Church Afternoon W.M.S. Auxiliary, Mrs. T. Bradley, presided at the September meeting, Tuesday afternoon, opening with a missionary doxology and the Lord's Prayer. Scripture from the 10th chapter of St. John's Gospel was read by Mrs. J. Mitchell.

Topic for the Worship Service was That They Might Have Life, led by Mrs. Bradley assisted with readings by Mrs. W. P. Cooke, Miss J. Gillespie, Mrs. S. Agnew and Mrs. E. Orsborn.

The Mission Study on India under the caption To Whom Shall We Go? was introduced by Mrs. C. Webster with a discussion on Religion in India, and an interview with a Hindu gentleman, Mr. Vishnu Nilkan, (Mrs. R. Anderson) who gave several highlights of one branch of present day Hinduism, free-thinking and unorthodox.

Information regarding other cults in India, Animism and Communism, was discussed by Mrs. M. E. Gowland and Mrs. W. I. Dick respectively. Following a statement that in India fear is the key-note to living, Mrs. Yates read a story on A Fear of Life, and Mrs. MacDowell another on Facing Death, as comparisons with the Christian way of meeting similar problems.

Mrs. I. Stark read the Good Thought.

THE GOOD THOUGHT

Thus speaketh Christ, our Lord:
Ye call Me Master, and obey Me not,
Ye call Me Light, and see Me not,
Ye call Me Life, and desire Me not,
Ye call Me Wise, and follow Me not,
Ye call Me Rich, and ask Me not,
Ye call Me Fair, and love Me not,
Ye call Me Eternal, and seek Me not,
Ye call Me Gracious, and trust Me not,
Ye call Me Mighty, and honor Me not,
Ye call Me Just, and fear Me not,
If I condemn you—blame Me not.
