WEDDINGS

WHITE—WILSON

A very pretty June wedding took place last Wednesday afternoon, June 10th, at the home of the bride's parents, Mr. and Mrs T. H. Wilson, base line, Trafalgar, near Streetsville, when their only daughter, Mary Evelyn, was married to Mr. Frederick Harold White, son of Mrs. and the late Mr. T. White, of Whitevale. Rev. J. Y. Fraser officiated, using the ring ceremony which was very impressive, because of being held under an arch, beautifully and artistically decorated with evergreen and locust blossoms and capped with a large wedding bell. The lawn was very prettily decorated for the occasion. Promptly to the time and while Miss Gertrude Poynter played the wedding march the bride, leaning on her father's arm, was led to the arch, attended by her bridesmaid, Miss Audrey Bentley and little Kenneth Wilson, nephew of the bride, dressed in a little white suit, trimmed with blue, made a cute little ring bearer, carrying a tiny pink and white basket, followed the bridesmaid and took his place beside the groomsman, Mr. Clarence Annis very ably supported the bridegroom. During the signing of the register, Mrs. L. Annis, sister of the groom, sang "Because" in a very acceptable manner. The bride looked beautiful in a gown of white satin designed on princess lines and trimmed with pearls and long train. Her veil of white tulle was in cap style and caught with orange blossoms. She carried a large bouquet of Rosedale roses. The bridesmaid was very becomingly attired in a blue satin dress made in similar style with accessories to match and carried pink roses. After the ceremony an auspicious reception was held on the beautiful lawn, where the bride's mother received, wearing a gown of figured georgette and a corsage bouquet of American Beauty roses. The groom's mother also received, wearing a gown of black chiffon velvet and lace and a corsage bouquet of white roses. The reception was followed by a sumptuous wedding dinner at which about sixty guests partook, several more having been invited but were unable to be present. Later the bride and groom left on a motor trip to Northern points of Ontario and on their return will reside at Whitevale, Ontario. For a travelling ensemblage the bride wore a sand swagger suit, brown hat and brown and yellow accessories Guests who were present from a distance were Mr. and Mrs George W. Wilson and little son Kenneth, of Montreal, Mrs. M. Sproat and Miss A. McCracken, of Minto, Man., Mr. and Mrs. Jas. MacLennan and Mr. Wilfrid Ingham, Mr. and Mrs. White, of Toronto, and Mr. Thos. Buyers, of Lockport, N.Y.; also Jas. Beamish, Islington.

To the Ratepayers Of the Town of Milton:

As Chairman of the Printing and Contingencies Committee of the Council, I have endeavored, with the aid of the other members of the Council, to work out a plan whereby we might have a weekly garbage collection for the whole town throughout the entire year, for waste food, and also for tin cans and that class of rubbish, the two kinds to be picked up at the same time. All the garbage will be picked up on one certain day each week, at the street line.

By this information I hope I have given you some idea along what lines we are working. Will you, kind reader, talk this matter over with your friends and let us have your opinion on the matter along with the answers to the following questions. We ask this of you because we feel if the idea is not satisfactory to the people it would be better if nothing were done about it. Please do not lay it aside until you have answered this letter.

1. Would a weekly collection be enough to take care of your requirements?

2. If once a week is not frequent enough, how often would you like it gathered?

3. Under our present plan we believe it would be best if the expense of this collection would be take care of by an additional rate on our taxes, which would amount to between ½ and 1 mill on the dollar.

4. If the garbage collection is to be a private affair, would you householders mind paying 75c. a month, payable in advance? The above-mentioned sum is the maximum amount necessary, and of course the more people taking advantage of the plan the cheaper it would be. I believe it could be done for 50c. a month, that is provided there are at least 200 houses in the scheme.

Each and everyone kindly answer these questions and let us know at once, giving your name and address, in order that we may come to a suitable decision. Thanking you in advance for your replies in this connection.

Yours truly,
G. C. GOWLAND.

P.S.—Kindly answer this letter and send replies to Box 145, Milton.

Irwin officiated, while Mrs. Walter Hayward presided at the piano. The bride, who was given in marriage by her father, was gowned in Marina blue suede lace. She wore a halo of orange blossoms and carried a shower bouquet of Sweetheart roses. Miss Florence Sutherland, of Toronto, was bridesmaid. The groomsman was Mr. Stanley Chambers. TEACHERS STILL PLENTIFUL!—No less than 425 applications have been received by A. E. Shaw, chairman of Fergus school management committee, for the two vacant positions on the public school teaching staff.

Two boys were fined in Alliston recently for carrying a passenger on their bicycles. The Highway Traffic Act does not permit more than one person on a bicycle at one time and local cyclists should bear this in mind.

Wessenger, who broke out of Guelph city jail several times, will spend the next ten years in Kingston penitentiary.

This is not a good year for hatters. A very large proportion of the young men and women go bareheaded even at the risk of being sun struck. Nor are times profitable for the manufactures of hosiery. Young ladies in a desire for comfort as well as economy are contenting themselves with "sockees." If this reduction in wearing apparel proceeds much further the day of the nudist may not be so far away.
