LATEST AMERICAN DESPATCHES.

(*Per Montreal Line.*)

The Franco-Mexican Question.

WASHINGTON, Nov. 29.—Last Thursday, Secretary Seward communicated to the special Cabinet meeting, the draft of his dispatch to Minister Bigelow, commenting on Napoleon's breach of agreement to withdraw the French troops from Mexico, during the month. After it was read the Cabinet unanimously voted that its tone be made stronger, in insisting that the French troops be withdrawn according to the programme agreed on in June last. The Cable news to-day show that this despatch had its effect.

The French Minister received a dispatch to-day by the Cable, from Monstier, the French Minister of State, announcing that fourteen vessels would sail immediately from Brest, for Vera Cruz, where the French troops in Mexico were required to rendezvous for their embarkation to France. Ten additional vessels will leave by the middle of December, and by the 15th of January, all the French troops will probably be out of Mexico. This solves authoritatively the Franco-Mexican muddle.

Maximilian Preparing to Embark.

NEW ORLEANS, Nov. 29.—The steamer *Alliance* arrived from Vera Cruz, this morning. Maximilian's baggage had arrived at Vera Cruz, but he himself was still at Orizaba, where he had been residing for the last three weeks, as a private gentleman, not exercising any function.

The Crossing of American Troops into Mexico.

WASHINGTON, Nov. 29.—The following despatch has been received by Gen. Grant:

"GALVESTON, TEXAS, Nov. 27, 1866.

"I fear Gen. Sedgwick has crossed from Brownsville and occupied Matamoras, under the pretext of protecting American commerce there. Should it prove true, I will order his immediate removal, with your approbation and disclaim any endorsement of the movement.

(Signed,) "P. H. SHERIDAN.
Maj.-Gen. Commanding.

A response was immediately telegraphed to Gen. Sheridan instructing him to depose Sedgwick with the first verification of the latter reported movement, and to disavow any encouragements of the United States Government.

Yes it is!

NEW YORK, Nov. 30.—A Washington telegram says the manuscript of the President's message will not be put in type till Sunday. No copy will be furnished for the press.

No it Isn't!

Another despatch says it is already in type and will be forwarded to the principal cities in time for publication simultaneously with its delivery to Congress.

The Presidency of the U. S. Senate.

The *Tribune's* Washington telegram says indications are that the contest for the Presidency of the U. S. Senate will be between Senators Wade of Ohio, and Anthony, of Rhode Island, and Pomeroy, of Kansas. Senator Sherman is also named by the more Conservative class.

Napoleon's Reasons.

NEW YORK, Nov. 30.—The *World's* Washington telegram has the following, on the authority of one who received the despatch from the French Minister of State, to Count Montholon, "I learn that the principal reason given by Napoleon for the delay in withdrawing the French troops, is that the latter had been so severely pressed by the Mexican forces, that it was dangerous to attempt an evacuation, until the military situation becomes easier.

New York Stock Market.

NEW YORK, Nov. 30.—The *Post's* money article says the Stock market opened firm but dull.

Those Indemnity Claims.

WASHINGTON, Nov. 30.—The French government has gracefully yielded to the President's demand in relation to Mexican affairs. England may prove more obstinate in the case of our demand for indemnity, for losses from English built blockade runners.

SPECIAL NOTICES.

A CARD TO INVALIDS.

A clergyman, while residing in South America as a missionary, discovered a safe and simple remedy for the cure of nervous weakness, early decay, diseases of the urinary and seminal organs, and the whole train of disorders brought on by baneful and evil habits. Great numbers have been cured by this noble remedy. Prompted by a desire to benefit the afflicted and unfortunate, I will send the recipe for preparing and using this medicine, in a sealed envelope, to any one who needs it, *free of charge*.

Please enclose an envelope, addressed to yourself.

Who is Mrs. Winslow?—As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a female physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; especially is this the case in this city. Vast quantities of the Soothing Syrup are DAILY sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little ones, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup. Try it, mothers—try it now.—*Ladies' Visitor*, New York City.

Sold by all druggists. 25 cents a bottle. 291-d

Tropical Skin Diseases.—In hot climates the skin is stimulated to excessive action, and an almost infinite variety of cutaneous and dermal distempers are the results. *Prurigo*, or constant external itching, without much apparent inflammation, spotted acne, caused by sluggishness of the skin, scaly eruptions, pustulous pimples, pemphigas, or water pimples, *Roseola* or false measles, crusted tetter, and papulæ of almost every shade, from light pink to the deepest crimson, may be mentioned among the number. These, with all other external eruptions caused by heat, are safely and speedily removed by **Bristol's Sarsaparilla**, the most wholesome of all vegetable detergents. In all skin diseases, the bowels should be kept laxative by using Bristol's Vegetable Pills at the same time as the Sarsaparilla. 291-a

LIFE, GROWTH AND BEAUTY

Mrs. S. A. Allen's World's Hair Restorer and Dressing invigorate, strengthen and lengthen the hair. They act directly upon the roots of the hair, supplying required nourishment, and natural color and beauty returns. Grey hair disappears, bald spots are covered, hair stops falling, and luxuriant growth is the result. Ladies and Children will appreciate the delightful fragrance and rich, glossy appearance imparted to the hair, and no fear of soiling the skin, scalp, or most elegant head-dress.
