AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the specific cure of the following complaints: **Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.**

OTTAWA, Ind., 6th June, 1859.

J. C. AYER & Co.—Sores I feel it my duty to acknowledge what your sarsaparilla has done for me, having inherited a scrofulous complaint. I have suffered from it in various ways for years. Sometimes it would break out in ulcers on my hands and arms; sometimes it turned inward and distressed me at my stomach. Two years ago it broke out on my head and covered my scalp and neck with one sore which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was advised to try your Sarsaparilla. I did so, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I hold you to be one of the spotless children of age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert W. Fowler writes from Salem, N. Y., 12th Feb., 1863, that he has cured an inveterate case of dropsy, which had baffled his friends for years, by prescribing your Sarsaparilla, and also a dropsy [illegible] in his own family.

[illegible] Sarsaparilla.

Ulcers on the Throat and Breast, Tumors, Ulcerous Leg, Female Diseases.

Dr. J. B. S. Chisolm, of New York, writes: "I most cheerfully comply with the request of your agent in saying that I have found your Sarsaparilla a most excellent alterative for the purpose you recommend it for, which is to purify rich a remedy, but especially in female diseases of the scrofulous diathesis. I have cured many inveterate cases of leucorrhœa by it, and some where the complaint was caused by abuse of the uterus. The uterus itself was soon cured. Nothing within my knowledge equals it for these female complaints."

Edward S. Murray, Spencer, Va., writes: "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has been completely cured by your Extract of Sarsaparilla. Our physicians think it the best alterative they could afford relief, but he advised the trial of your sarsaparilla as the last resort before cutting, and it has effected a complete cure. It has now every night weeks symptom of the disease beneath."

Syphilis and Mercurial Disease.

Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and present to you some of the effects I have received with your Sarsaparilla.

I have cured with it, in my practice, most of the cases for which it is recommended, and have found it to truly wonderful in the cure of Secondary Syphilis and Mercurial Disease. One, I may mention, had syphilitic ulcers in his throat, which were discharging his palate and the roof of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the alveolus had also away a considerable part of it, so that I believe the bones would soon come out. I prescribed your Sarsaparilla, and it effected in my administration of your Sarsaparilla the cure desired, and he is well again. He of course with out medication to hasten it. A woman who had been poisoned for some disorder by mercury was suffering in this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered severe pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I write the formula, which your agent gave me, that a Preparation from it may be easily made by any druggist; consequently, these truly remarkable results will be more universally seen.

Faithfully yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INGERSOLL, Canada West, Feb. 7th, 1863.

Dr. J. C. Ayer & Co.: Sirs, I have suffered severely from Rheumatism for a long time, which baffled the skill of physicians and seemed to be in spite of all the remedies exhibited. Indeed, your Sarsaparilla was the only medicine that I can find benefit from. I have continued using it, and now feel as free from Rheumatism as any man. I also had a very bad liver complaint, which your Sarsaparilla has cured. I have also given your Sarsaparilla to my children for Scrofula, with the best results. I have no hesitation in recommending it to the public as the best blood purifier we know of. Yours, J. HIRAM.

Tumors, Cancer, Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where use of this preparation has resulted in a cure. Some of these cases have been published in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affects we have been able to effect by the use of this medicine. It strengthens the vital forces of the system, and thus overcomes diseases which would be conquered by no other means. Such a remedy has long been required by the medical profession, and we are confident that they will find in this all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints that it is useless here to publish the evidence of its virtues. Its astonishing performances in curing the most alarming and fatal cases of pulmonary disease, have made it known throughout the civilized nations of the earth. For sale by druggists everywhere, and everywhere it has the confidence of the people, because it has proved its value to them. Its unrivalled excellence is now fully established by long continued trial and severe exposure, and it is still maintaining its unbounded sway over the diseases of the chest, which it cures, even when they have fastened on the vital organs and have baffled the skill of the physician. Its power over these fatal diseases is not to be found in any other medicine, and it is the only one which can be relied on with confidence for the cure of pulmonary complaints.

GRAPES & STRAWBERRIES,

Fruit and Ornamental Trees.

GREAT inducements offered to those that are willing to work and take orders. Every order of $5, I will add 25 plants of the Golden Queen. For an order of $10, one Grape Vine and 25 plants, and so on in proportion to the amount over $10.

J. B. CLINE offers to the public a remarkable strawberry, THE GOLDEN QUEEN. It is of a beautiful bright scarlet color; of high flavor, and enormously productive—many berries measuring six inches in circumference. It ripens fifteen days after the Wilson, and is thus most valuable as a late berry for family use or marketing. I placed also berries of the Golden Queen as late as the 17th of June.

Every person should set out largely of the Green Prolific. The berry is nearly as large as the Golden Queen, very early, remarkably sweet. It is recommended very highly in the eastern part of the state where it is better known. In fact, the Golden Queen and Green Prolific are the two best berries in cultivation. The Golden Queen sells in our market for four shillings per quart where the Wilson, of the same stand, only brings twenty-five cents—we have sold the Golden Queen and Green Prolific for less than twenty-five cents, when the Wilson brought only twelve cents. Many persons in Rochester are setting a bed of the Golden Queen on purpose to mix the berries with the Wilson—they get from five to seven cents more per quart for the Wilson by doing so.

Copied from the Southern Rural, printed at Amity City, La.

THE GOLDEN QUEEN STRAWBERRY.—Those who desire to raise a fruit of Tomato size and Strawberry flavor, will find just what they are looking for in the Golden Queen. Dr. Ogden, of the American Agriculturist, printed in New York, says: "It is a veritable strawberry, and one of the best varieties yet raised, either for home use or for the market," and until secular demonstration proves to the contrary, we are bound to believe it.

	per doz	per 100	per 1000
Golden Queen	$1 00	$5 00	$30
Green Prolific	1 00	5 00	30
Great Agriculturist	1 00	3 00	25

Strawberry Plants can be set until late in the Fall if covered well with leaves or straw.

Peach and Apple Trees, 50 cents each; Pears, Cherries and Plums $1 to $2 each; Orange Quince, 25 cents each. Evergreens, Roses and Shrubs of all descriptions. General assortment of House Plants.

I will guarantee all orders to be delivered in good order. I can send by mail from a hundred to a hundred and fifty of the Strawberry Plants, in one package, and from six to twelve Grape Vines, postage paid.

Cash orders filled in rotation. Orders marked C. O. D. the buyer must pay the express charges, and I will pay the collection.

At a Council held in the City of Montreal on Saturday, the 8th Day of December, 1866.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS IT HAS BEEN REPRESENTED to the Governor General in Council that much inconvenience has been, and is experienced by certain of the inhabitants of this Province residing in the vicinity of the Canadian Frontier line, by reason of their being deprived of the privilege heretofore enjoyed by them of having their grain produce ground at Mills situate on the American side of the Frontier, and re-importing the same into Canada free of Customs duty, in cases where the closer proximity of such Mills to the residences of such inhabitants, or their greater capacity made it expedient to resort to them:—

Whereupon, and on the recommendation of the Honorable the Acting Minister of Finance and under the provisions of the seventeenth chapter of the Consolidated Statutes of Canada, His Excellency in Council has been pleased to order, and it is hereby ordered that any flour or meal, or other produce of any wheat originally grown in and taken out of this Province into the United States to be ground, and brought back into this Province within one week after such wheat or grain has been so taken out to be ground, shall be, and the same is hereby exempted from the payment of Customs duties; provided always that such grain be first duly reported outwards at the nearest Custom House before exportation for the special purpose herein referred to, and that the identity of the flour or meal, the produce thereof, be sworn to on its importation into this Province.
