MONTREAL.

Arrival of His Excellency the Governor-General.

ENTHUSIASTIC RECEPTION.

The Whelan Appeal Case cannot be taken before the English Privy Council.

All the Troops to be Withdrawn from Canada Except the 60th Rifles and 69th Regiment.

Special to THE TIMES.

MONTREAL, February 1.

This afternoon crowds of people flocked to the railway station, Bonaventure-st., long before the hour of the expected arrival of His Excellency. A little before five o'clock a Guard of Honour of the Victoria Rifles, under command of Capt. Crawford, marched in and took up a position on the east side of the station. At the same time the Royal Guides formed in front of the entrance of the station. The troop was commanded by Capt. Davidson. Punctually at five o'clock the special train entered the station. When the cars stopped the Mayor entered the State carriage and received His Excellency, who was accompanied by his Aide-de-Camp and Private Secretary. His Excellency and suite on alighting on the platform were received with a general salute from the Guard of Honour. The aldermen, councillors, and city officers, were present, as were also General Bissett; Lieutenant-Colonel Sir Henry Havelock; Lieutenant-Colonel Dyde, Commandant; Lieutenant-Colonels Bacon, Smith, A. A. G., MacPherson, D. A. G., and David, A. A. G. His Excellency passed through the station, and entered the Mayor's carriage, followed by his Aide-de-Camp. The carriage was drawn by four bays, and the Royal Guides having mounted, formed an escort, and the whole drove off along Bonaventure-st., followed by a long train of carriages, on to McGill-st., the head of the cortege then turning into Notre Dame-st., thence through St. Francois Xavier-st., and on to the St. Lawrence Hall, where a large crowd, who cheered heartily, was assembled; also a Guard of Honour from the 69th Regiment, who saluted His Excellency as he passed into the Hall, the band at the same time playing the national anthem. The Mayor, members of the Corporation, and other gentlemen also entered the hall, and in a few minutes the crowd began to move away.

To-morrow morning, about half-past ten o'clock, the Governor will be sworn in at the Court House, after which addresses will be presented. A levee will be held about noon.

The ball to Lady Young has been postponed till after Lent. Her Ladyship was too ill to accompany Sir John.

Lieut.-Governor Howland and lady arrived to-night. Lieut.-Governor Belleau is not coming.

Everybody is looking for Howe's speech to-morrow night.

The Hon. J. H. Cameron left on Saturday night for Ottawa. Previous to his departure he sent for Mrs. Whelan, for the purpose, as we are informed, of communicating to her the purport of a message just received from England, stating that the Whelan appeal case could not be taken before the Judicial Committee of the Privy Council.

News has been received from England to withdraw all troops from Canada except the 60th Rifles and 69th Regiment.

TORONTO.

Definite Information Regarding the Removal of the Regular Troops--The New Wesleyan Church--Address to Sheriff Jarvis--Arrest of Marks and Green for Perjury--A Further Investment by the Ontario Goverment in Canadian Securities.

Special to THE TIMES.

TORONTO, February 1.

Definite information has been received that the regular troops will be withdrawn on the 30th of May. Their destination is unknown at present. A company of the Royal Cavalry has come here to protect the barracks. Orders have been issued to notify the owners of premises rented for the use of the troops of the approaching vacation. London will be abandoned as a military post.

Designs for the new Wesleyan Church in McGill Square are in the hands of the committee. The decision and advertisement for contracts will be made as soon as a couple of absent members return. The edifice is expected to cost $40,000.

At the close of the assize court the petit jurors presented an address to Sheriff Jarvis, tendering their thanks for the courteous, kind, and friendly manner in which they had been treated.

Marks and Green, plaintiffs in the late suit for false imprisonment, were arrested to-day on a charge of perjury. They will appear for trial at the Police Court to-morrow.

Cols. Jenyns and Anderson returned to the city yesterday from an inspection tour, which occupied them the last two weeks.

The *Globe* is down on Howe's assenting to office. The terms of the bargain forbid all congratulation. Nova Scotia is to be bribed to remain in the Union. The *Leader* is jubilant.

A Halifax despatch says H. M. Smith, M.P.P., has written a letter in which he says he has never approached the subject of the Union of the Colonies in a factious spirit; nor does he now desire to do so. He declares he is entrusted with a duty of the most delicate character to perform for his constituents, which he will endeavour to discharge in accordance with their wishes; but when told that it is time to yield on repeal, or when he is led to believe that the time has come for doing so, there will be but one plain path of duty lying before him, as a public man, and he will not shrink from following it.

The Ontario Government has made a further investment of £150,000 sterling in Canadian securities, bought in London.

A deputation, composed of citizens in favour of a republic, and of freedom of religious worship, waited upon the ministers yesterday, and requested them to issue a decree declaring absolute separation of church and state. An immense crowd gathered in the street in front of the ministerial palace, and clamored for religious liberty. The ministers replied that they would refer the whole subject to the Cortes. The Government has prohibited large popular demonstrations, and the utterances of political cries in the streets, as they are liable to lead to the disturbance of the public peace and order.

—Croakers predict a sickly summer this year. A mild January, they say, is a bad sign.

—A marine curiosity just presented to the Connecticut Historical Society is the work of a shell fish from the Phillippine Islands. SAVE YOUR DOCTOR'S BILLS.—When Dr. Wistar's Balsam of Wild Cherry will CURE coughs, colds, bleeding at the lungs, and arrest the fell destroyer, consumption, it does more than most physicians can do. The use of a single bottle, costing one dollar, will satisfy the incredulous that they need look no further for the required aid.

INTERESTING TO VOLUNTEERS.—An important article in the outfit of a soldier is a good medicine in a convenient form, and the Canadian Pain Destroyer is just the article; it cures wounds, bruises, and frost-bites, and is the best Medicine that can be used for diarrhœa, and summer complaints generally, and is a sure cure for rheumatism, and that class of complaints brought on by exposure or fatigue. Price 25 cts. per bottle, to be had of all medicine dealers.

—Twenty years experience in using Bryan's Pulmonic Wafers have proved them to be the most effectual remedy for coughs, and irritation of the throat, caused by cold, or unusual exertion of the vocal organs: public speakers and singers will find them most beneficial. The entire freedom from all deleterious ingredients renders Bryan's Pulmonic Wafers, or Cough and Voice Lozenges, a safe remedy for the most delicate person, and has caused them to be held in high esteem by all who have used them. Sold by all medicine dealers at 25 cts. per box.

EVERYBODY SAYS SO.—That is all who have either used the article themselves or witnessed its effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Heave Remedy" is superior to anything of the kind heretofore or at present in use for coughs, colds, thick wind, and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and which they should have constantly on hand. Remember the name, and see that the signature of Hurd and Co. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada.
