OTTAWA MARKETS.

[Compiled expressly for the OTTAWA TIMES.]

Times Office, Ottawa, Feb. 24, 1869.

A few sleigh loads of provisions were brought to market yesterday, amongst which we noticed one or two loads of oats which sold for 65 cents to 67 cents. There were also some small lots of pork, some of it being very light, brought $8.50, and for some that was heavier $10 was demanded, and the heaviest was held at $11.50. Mutton sold for 6 cents to 7 cents. Of beef there was a very small supply at last quotations. Hay was, unexpectedly, in good supply, varying very little from our quotations.

Testimonials to the Montreal Tea Company.

FELCOME.—Montreal Tea Company: Gentlemen, the Oolong tea which you sent me gives me great satisfaction. I forwarded part of the chest to a friend in Toronto who informs me he considers it as good as he has been paying one dollar per lb. for. Please send me a chest of Young Hyson at same price, viz: at 75c. per lb. Address as before. Your obedient servant. JNO. T. DAY.

The Montreal Tea Company: It is pretty clear that when an individual or a firm makes a speciality of a particular trade—in other words—turns all resources and energies in one direction, then we find profits reduced and excellence secured. This has been the case in respect to the operations of the Company named. The qualities of Tea supplied are the best in the country, and by reference to the advertisement, it will be seen that, in price also, an inducement to patronage is offered the public.—*Woodstock Times.*

WINFIELD.—Gentlemen, I received the Tea according to contract. I am very well satisfied with it, and can thoroughly recommend it. Yours truly, JOHN HERITAGE.

To the Montreal Tea Company, Montreal.

—We have pleasure in directing attention to the advertisement of the Montreal Tea Company. We can assure our tea-drinking readers that an incredible saving can be effected and a much better article procured by adopting the suggestions thrown out by this company. From personal knowledge we can say that the Montreal Tea Company is a most satisfactory institution to deal with. Merchants and others by making purchases from this Company will save a very large per centage.—*Cornwell Freeholder.* [Most of our readers are acquainted with the editor of the *Freeholder*, and know that what he states from personal knowledge can be entirely relied on. [Ed. Beacon.] Stratford *Beacon.*

Montreal.—To the Montreal Tea Company, 6 Hospital-st., Montreal: We notice with pleasure the large amount of tea that we have forwarded for you to different parts of the Dominion, and we are glad to find your business so rapidly increasing. We presume your teas are giving general satisfaction, as out of the large amount forwarded, we have only had occasion to return one box, which, we understand, was sent out through a mistake G. CHENEY,

Manager, Canadian Express Company.

MONTREAL TEA COMPANY,

GENTLEMEN,—The tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your tea I have been quite free from heartburn, which would always pain me after breakfast. I attribute this to the purity of your tea, and shall continue a customer. Yours respectfully, FRANCIS T. GREENE, 54 St. John Street, Montreal.

PETERBOROUGH.—I have tried some of the tea supplied by the Montreal Tea Company, Montreal, and have found it to be of excellent quality, as well as much more economical than any procurable at the same price elsewhere. J. H. REID.

THE MONTREAL TEA COMPANY.—We beg to draw special notice to the advertisement of the above Company, in another column, and to the highly commendatory letters which accompany it, as to the great gain that is made by purchasing Teas from their establishment. With such evidences, it cannot be doubted but what these Teas will come into general use, not only on account of their cheapness, but also for their superior quality. —Brantford *Courier.*

Our own experience of the use of their teas is, that they are of excellent flavour, and when bought by the chest or package, at a figure extremely low, leaving a large margin of profit for consumers, or for retailing by dealers. Any ordinary sized family would find it greatly to their advantage to order a chest of tea from the Montreal Tea Company.—*Owen Sound Comet.*

THE MONTREAL

TEA COMPANY.

The whole Dominion should buy their teas of the Importers,

THE MONTREAL TEA COMPANY.

6 *Hospital-st., Montreal.*

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure, and free from any artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20, or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on receipt of the order by mail containing money, or the money can be collected on delivery by express man, where there are express offices. In sending orders below the amount of $10, to save expense it will be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expense.

DARLEY'S ARABIAN HEAVE REMEDY and CONDITION MEDICINE is positively superior to any, or all other preparations for the cure of Heaves, Coughs, Thick and Broken Wind, and all diseases which affect the wind of horses; also, as a Condition Medicine, surpassing everything of the kind, is easy to give, sure to cure and safe in all cases and at all times, and does not prevent the horse from being worked while using it.

It cleanses the breathing apparatus, by removing from the air-cells the coagulable lymph, or that secretion which in heaves clogs them, causing a difficulty in breathing, and by its action on the diseased part, causing the mucous membrane to resume its natural dimensions, thus equalizing the circulation of the blood, and restoring the distended vessels to their natural size; by its use the horse's appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance.
