A DANGEROUS POSITION.—At one of our hotels a doctor and undertaker, well known to the city, came in to *diagnose* the man upstairs. Fair chance for the man.

STARRING.—Constable Pinard, and Sergeant Brown last night arrested a man named McDonald, who had stabbed a man named McDougall. The case comes on to-day.

ST. PATRICK'S HALL POPULAR READINGS.—The readings at the above hall this evening are going to be very good, as several of our best readers and singers have kindly consented to assist, and like all their former readings, we predict a crowded house.

THERE IS NOTHING LIKE GRAMMAR.—For some time back doctors have been playing "shop," and "shop-keepers" having played doctor, an outsider *subjects* the matter to an *effective* disposal—Drug—Drugger—Druggist. We are afraid the positive will suffer.

ARRIVALS AT THE RUSSELL HOUSE.—John Macdonald, John Evans, James Cantlie, D. McGill, F. B. McNamee and son, W. F. Cunningham, Montreal; Col. McPherson, Kingston; McPherson Lemoyne, Buckingham; Mr. Wood, Cornwall; A. Polly, Nottingham, England.

KNOX'S CHURCH, DALY STREET.—This evening, at 7:30, the Rev. James T. Byrne will preach in Knox's Presbyterian Church, Daly street, and in the course of the evening give a brief statement with regard to the schools at Pointe-aux-Trembles, near Montreal.

AUCTION SALE OF SEEDS, &C.—The attention of the reader is especially requested to the sale by Mr. Bermingham, at one this afternoon, on the vacant lot, opposite the "Occidental dry goods establishment," of cutter, sleighs, robes, and horses.

FOR CHRISTMAS.—J. Durie & Son have anticipated the general run of our book traders in their season of Christmas in the book line. The collection is really charming—a variety, addressing itself from severe age to responsible youth—and which is the object of general attraction.

GOWAN'S CHRISTMAS SHOP.—Gowan is certainly a nuisance. He has "Yankee notions" enough to cause all the children to kick, tumble, scratch and cry. Ornaments sufficient to force any sober husband to scratch his head, and remember his old bachelor days. Gowan's a nuisance.

AFFIRM THE FIRE.—The Union House has been a favourite place of resort for our lumber merchants. On Monday evening a number of that jovial section of our business men met at this time-honoured place and indulged in a few hours good nature, coupled with the "sparkling" wine of France, and the wit of the Hibernian.

FITZROY MUNICIPAL ELECTIONS.—A sharp contest is expected at the municipal election Township of Fitzroy. The nominations were:—For Reeve, Allan Fraser; for Deputy Reeve, Charles Mohr, William Dean. For Councillors, John Baird, Jr., David MacLaren, John Elliott, James Fetherston, Robert Story, Samuel Cown, James Richey.

THAT RED RIVER MAP.—In our yesterday's issue appeared a notice to the effect that Dawson's Map, with the position of certain places at Red River coloured upon it, was to be seen at Drummond's Exchange Office. Lest it might be otherwise inferred, we are requested to state that Mr. Dawson had nothing to do with the exhibition of the map in question, or the colouring thereon.

A LETTER.—We saw a letter, perhaps found by ourselves, the contents of which were, in address, and signature, as follows:—

"MY DEAR, DEAR JOHN,—
. . . . . .
Yours for ever,
ALICE.

The "Dear, Dear John," can have the letter, or be properly directed from, or by the local of this office.

ARRIVALS AT THE UNION HOUSE.—Jno. C. Cameron, Vankleek Hill; Andrew Rodger Ouslow; S. J. Burton, Cumberland; Capt. A. Bajotte, Miss Murphy, Aylmer: A. N. Maston, Concord, N. H.; Andrew Forbes, C. Mohr, Capt. A. Fraser, Fitzroy; Ben. M. Connell, Jno. Dunlop, Pembroke; George Aylwin, Ouslow; R. Grant, Havelock; D. McNamme, Arnprior; Geo. Estrout, Portage du Fort; Mr. and Mrs. Redmond, Matilda; S. Pearson, Merrickville; Jno. P. Millar, Pembroke.

A LITTLE WOMAN, BUT OH.—The kind attention of Detective O'Neill and Sergeant Davis was called to the fact of a row which occurred between two women, near the gas house. Unlike the general run of men, they did not let the women have it out themselves. On this occasion, a well proportioned female had inflicted several blows on a diminutive sister, who, woman-like, awaited her opportunity. After the provocation sufficient to inspire her sex, the smaller one set upon the former bully, and belayed her to a fearful extent. The matter will probably come up this morning.

COUNTY COUNCIL.—This body met yesterday, having adjourned on the day previous for want of a quorum. There was a full assemblage of the members on last afternoon Mr. William Cowan was duly installed as Clerk of the Council, and was confirmed by a by-law, which was read, and passed for the occasion. Several petitions, of no general public importance, were read over, and passed to their respective committees. Tenders were received for a supply of cordwood—these were six—that accepted was from Thomas Harris. An enquiry was made as to the supply of water for the gaol and employment of prisoners. "Echo answers where?"

POLICE COURT.—The only case yesterday morning was that of a young French Canadian named William Francois Xavier Mahilleux, who had been brought up for stealing a coat. Being in a state of destitution, he applied to a farmer at Long Island for work and was fed, and partially clothed by the latter. He acknowledged to have stolen the coat referred to in yesterday's issue, and pleaded poverty, in extenuation. He had elected to be tried summarily, and received two months at hard labor. Among the witnesses, was a by no means uninteresting woman, who had purchased the coat from the young fellow for eight shillings and nine pence. The culprit appeared to cry in the most pitiable manner. When his Worship left the Bench, however, he ceased, and when all hopes of mitigation were gone, he called our civic judicial dignitary a son, &c.

A SLIGHT MISTAKE, BUT NO HARM DONE.—In noticing, the other day, an accident which, for the moment, endangered the life of Major Douglass, we referred to "Waterloo and the Scots Greys." The gallant Major corrects us. His regiment was the 14th Light Dragoons—the regiment which, if we make not another mistake, provoked Charles Lever to the perpetration of Charles O'Malley. Major Douglass is, perhaps, the last of those here, who served through the Peninsula, and Waterloo. His record is no light one:

GENERAL ACTIONS:

Badajos, Nive, Orthes, Vittoria, Nivelles Pampluna, Toulouse.

MINOR ACTIONS:

Llerena, San Christoval, Rueda, Castrillos, Foncastin, Matilla, Burgos, Huarte, Saurauren, Val de Bastan, Pass of Maya, Lines oe Atabo, Cambo, Hasparen, Helite, Garris, Sauveterre, San Gladie, Beulla, Garlin, San Roman, Pau.

ALBERT STREET SCHOOL EXAMINATION.

The semi-annual examination of this school took place yesterday morning and afternoon. Among those present we noticed his Worship the Mayor and Mrs. Rochester, Geo. May, Esq., School Trustee, Mr. Mitchell and a large number of the parents of the pupils. After the examination Mr. Geo. May was called to the chair when his Worship, together with Mr. Mitchell, and J. C. Stewart, teacher, expressed their entire approval of what they had witnessed. Three of the pupils—young boys—then read an address to Miss Carson, assistant, at the same time presenting her with a handsome workbox and a handsomely bound copy of Wesley's hymns. Mr. Parlow received from the girls of his department a beautiful writing desk. After singing "shall we gather at the river" and "God save the Queen" the school was closed for the Christmas holidays.

The Orangemen propose having a monster meeting this month in Belfast. So, poor unhappy Ireland is more divided than she has been for half a century. The magistracy and landed proprietors have no confidence in the Gladstone Government, but are obliged to remain in the country where they have their properties. The loyal inhabitants of the middle classes are contemplating an exodus to Australia, Canada, or some other country.

The Poor Man's Friends.—Doctor's bills are too long for a poor man's pocket, but many of them may be avoided by keeping GRAGE'S SALVE in the cupboard. It is the "precious pot of ointment," curing burns, cuts, scalds, sprains, wounds, chilblains, chapped hands, &c. Prudent housewives will save their husbands' hard-earned money by purchasing a box of this salve.

GUYOT'S TAR,
CONCENTRATED PROOF LIQUEUR.
M Guyot has succeeded in depriving tar of its insupportable sourness and bitterness, and in rendering it very soluble. Profiting by this happy discovery, he prepares a concentrated liquor of tar, which in a small volume contains a large proportion of active principles.
Guyot's tar possesses all the advantages of ordinary tar water without any of its drawbacks. A glass of excellent tar water without any disagreeable taste may be instantaneously obtained by pouring a teaspoonful into a glass of water. Any one can thus prepare his glass of tar water at the moment he requires it, thus economizing time, facilitating carriage, and obviating the disagreeable necessity of handling tar.
Guyot's tar replaces advantageously several more or less inactive ptisans in the treatment of colds, bronchitis, coughs and catarrhs.
Guyot's tar is employed with the greatest success in the following diseases:
As A DRAUGHT—A teaspoonful in a glass of water, or two table-spoonfuls in a bottle:
BRONCHITIS
CATARRH OF THE BLADDER
COLDS
OBSTINATE COUGHS
IRRITATION OF THE CHEST
HOOPING COUGH
DISEASES OF THE THROAT
PULMONARY CONSUMPTION
As A LOTION—Pure or diluted with a little water:
AFFECTIONS OF THE SKIN
ITCHINGS
DISEASES OF THE SCALP.
Guyot's tar has been tried with the greatest success in the principal hospitals of France, Belgium and Spain. Experience has proved it to be the most hygienic drink in hot weather and in time of epidemics. Detailed instructions accompany each bottle.
