Try Fraser's Magnetic Fluid for Rheumatism.

Fraser's Magnetic Fluid cures toothache.

THE MARKET, TUESDAY.—Owing to the bad state of the roads, the market was poor.

MAGEE & RUSSELL's show room opening and general display of novelties for the season takes place on Thursday, the 31st inst.

First of this season's Lettuce, Radishes, Rhubarb, &c., &c., at J. B. Buss & Co's, 21 Rideau street.

Worth seeing, the grand display of Millinery and Mantles, and the crowds of people admiring the Spring Fashions at Garland, Mutchmor & Co.

Over 150 Packages new Goods on view at Garland, Mutchmor & Co. Full lines in every Department.

Carpets and House Furnishings made a speciality. The largest stock of New Goods, and lowest prices in the city at Garland, Mutchmor & Co.

SEPARATE SCHOOL TRUSTEES.—A meeting of this body took place in the City Hall last evening. Business of importance was transacted.

KILLED.—A man named McNab was lately killed near lake Dole, in the county of Renfrew, by the falling in of a shanty-stable roof, while attending to his horses.

KICKING OVER THE TRACES.—A carter started his team yesterday with a crack of his whip. One of the animals got furious, and began a series of kicking till he got almost out of his harness.

CORRECTION.—In "Fags," communication yesterday the word "monastic" was printed in lieu of "nomadic." As the writer has no quarrel with the monastic orders he has desired us to make the correction.

THE RINK MUSIC HALL.—The performance of the Delave Combination, last night was as perfect as that of the previous evening. Owing to the disagreeable weather, the attendance was not so large, as it would otherwise have been.

A private letter received from His Lordship the Right Rev. Dr. Horan, Bishop of Kingston, describes the winter at Rome as being most disagreeable. His Lordship is in the enjoyment of good health, but has suffered somewhat from rheumatism.

NO TOWN HALL.—At a meeting of the Templeton Council on Monday, the Town-hall was voted down. The indignation meeting had its effect. One of the councillors, a shoemaker, exercised such pertinacious eloquence, that he has been honoured with the sobriquet of Cartier.

FAREWELL.—The "lightening" man standing on a waggon with four horses splendidly caparisoned, took an affectionate farewell of his public on the market square yesterday. He claims to have sold 25,900 bottles of the oil. He thinks it his duty to do the "Samaritan" elsewhere. As a matter of course he beverages the entire crowd; but not with his oil.

POPULAR READINGS.—Don't forget that this is the last night of the Readings for the season, at St. Patrick's Hall. We expect to see, as usually do, the hall crowded. The following select programme speaks for itself. Readers—Messrs. Tubman, Seymour, McCarthy, and Hon. M. Cameron. Songs will be given by Mrs Miles, Mrs. Quinn, Mrs. Dr. Robbion, and Mr. Walsh.

CAUSE CLEAR THROUGH.—Yesterday afternoon a tolerably well dressed man, whose coat was, however, somewhat covered with street mud, not the most agreeable this season of the year, came down Sparks street, and endeavoured to steer up Elgin. It was hard work, and it took the poor fellow several minutes to get round Hope's corner much to the amusement of the ladies and gentlemen who were passing.

POLICE COURT, TUESDAY.—The station was crowded last night; about a dozen unfortunates found disagreeable lodgings in the city receptacle.

Alexander Faucher, drunk and disorderly; fined $3 and costs.

Xavier Aubichon, drunk and disorderly; fined costs.

Patrick Roach, drunk on the public streets; fined $3 and costs.

Pierre Thibault, drunk on the public streets; fined $2 and costs.

Joseph Guertin, drunk and disorderly; discharged.

John Powers, drunk and disorderly; remanded.

Henry McInlay, drunk and disorderly; fined $3 and costs; committed.

Goulet, furious driving, &c.; fined $2 and costs.

Toussaint Datraigue, assault; fined $1 and costs, or one week. He paid the money.

St. Patrick's Literary Association.

At a meeting of the above Association, held in St Patrick's Hall last evening, Wm. Kehoe Esq., 1st vice president occupied the chair in the absence of Thomas Guerin, Esq., who is at present in Montreal. The following officers were elected for the current year, viz:

President—Thomas Guerin.
1st Vice President—Wm. Kehoe,
2nd Vice President—P. Baskerville.
Treasurer—P. A. Egleson.
Corresponding Secretary—John Kelly.
Recording Secretary—W. D. O'Brien.
Assistant—John Casey.
Librarian—John McStravick.
Grand Marshal—Michael Starrs.
Curators—Messrs. W. Kehoe, P. E. Ryan, Egleson, P. Quinn, W. Slattery, J. Casey, McStravick, M. Starrs, F. Ryan, J. Kelly, and M. Finan.

EXTRAVAGANCE OF THE AGE.—Forty thousand dollars worth of French mirror plates have been ordered by the Leland Brothers, for the new Union Hotel at Saratoga. The appointments of the new hotel are said to be on a similar scale of magnificence.—*New York Tribune, Jan. 12th.* 1260

THUMB ECLIPSED.—We read there has been a race between the New York showmen to get possession of one George Washington Nutt, who is said to be several inches shorter than Tom Thumb, and that P. T. Barnum has succeeded in getting him, for three years for $30,000 and expenses. Is it not a great thing for a small man! and is it not equally as great to find a medicine that can be depended upon for colds, rheumatism, burns, bruises, summer complaints, cholic, &c.; if so get at once a supply of "Canadian Pain Destroyer," at the nearest dealer's for 25 cents.

FACTS.—Fellows' Compound Syrup of Hypophosphites ranks foremost amongst the remedies for incipient Phthisis, Chronic Bronchitis, and other affections of the Chest, and I have no hesitation in stating it.

S. Z. EARLE, M D.
St. John, N.B.

I strongly recommend the use of Fellows' Compound Syrup of Hypophosphites to all who suffer from disease or weakness of the Lungs, Bronchial Tubes, or general debility.

J. H. W. SCOTT, M.D.,
Gagetown, N.B

Fraser's Magnetic Fluid relieves headache immediately.

SIR JOHN A. MACDONALD still continues to display his usual tact and energy in the exalted position to which his talents have raised him. We once heard it remarked that his popularity would one day decline, but we know that when a man's advancement is the result of his own intrinsic worth his reputation is fixed and effulgent, like that of the Great Shoshonees Remedy for rheumatism, diseases of the throat, lungs, &c. For sale by all druggists.

ELECTRIC SEWING MACHINES.—The latest phase of Yankee ingenuity is that of making shirts by lightning. A small electric battery has been applied to ordinary sewing machines, and has been found to operate them very successfully. Two small battery cups furnish sufficient power for all ordinary machine work, while three drives the needle with astonishing rapidity through any thickness of material. The expense of operating by this means is said to be about five cents a day, which is certainly a very cheap substitute on the tax on the lower limbs required by the present method. A little further combination of the mechanical powers, and we shall have shirts turned out from an electric battery as rapidly as newspapers from a Hoe's steam press.

IS HEALTH WORTH HAVING?—If it is protect it—it is a jewel as easily lost as virtue, and in many cases as difficult to recover. In this climate, and more particularly at this season of the year, people are very apt to take cold and suffer from sore throat, coughs, spitting of blood and pulmonary complaints generally which if not checked immediately lead to serious consequences. The question arises which is the quickest and most effectual remedy? Bryan's Pulmonic Wafers have been before the public for twenty years, and have always given perfect satisfaction, and invariably effect permanent cures when taken in season. Sold by all medicine dealers and country stores generally throughout the Province, at 25 cents per box.

BREAKFAST.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—The very agreeable character of this preparation has rendered it a general favourite. The CIVIL SERVICE GAZETTE remarks:—"The singular success which Mr. Epps attained by his homœopathic preparation of cocoa has never been surpassed by any experimentalist. By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills." Made simply with boiling water or milk. Sold by the trade only in ½lb 1lb and 1lb tin-lined packets, labelled—JAMES EPPS & Co., Homœopathic Chemist London, England. 11385W6m

Use Fraser's Magnetic Fluid for Neuralgia.

ANNUAL CIRCULAR.

Office and Salesroom, Rideau Street, No. 1, East End, Sappers' Bridge.

OTTAWA, MARCH 1st, 1870.

The subscriber in issuing his eighth ANNUAL CIRCULAR, would remind his friends, to whom he returns thanks for past favours, that he continues to give his personal attendance to the sale of every description of goods and property confided to his management.

His lengthened experience in the management and proper system of selling Household furniture at private residences, together with all the details of arrangement, expeditious delivery &c., would lead him again to solicit further sales in this line from those contemplating the disposal of furniture, by auction, he would be glad to have an early intimation in order that satisfactory arrangements may be completed for the approaching Spring sale, it is desirable to select an early day.

Account sales have been promptly rendered and statements made out in a concise business-like manner, always accompanied with the proceeds in cash.

To Executors and Administrators of Estates, Official and other Assignees, and public corporations, this mode of selling property forms a speedy, legitimate and efficient way of closing Estates Legacies, &c., and removes a vast amount of responsibility.

Sales of groceries, hardware, crockery and general merchandise confided to his management will receive every attention. He need not remind his friends of his capability of conducting such sales satisfactorily.

The proper advertising and necessary precautions adopted by him in conducting underwriters' sales of damaged goods and produce sold for account of whom it may concern, or for "breach of contract" should be borne in mind by merchants, shippers and consigners, more especially as certain legal forms are necessary in such cases.

Appraisals and valuations made.

Again soliciting your business favors, the undersigned ventures to hope that an active experience of years is some guarantee that he may be reasonably expected to carry out what he promises.

The following remarks on testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY.

They are stern undeniable facts, sufficient to convince the most sceptical that the great medicinal compound, yearned after for ages, is now accessible in the great

Where was there ever such a cure as that of Wilson Storms, of Brighton, Ont, of Consumption, or that of Peter C V Miller, of Ernstown, Ont, of Consumption, or that of Ambrose Wood, of Cosecon, Ont, of Dyspepsia and Liver Complaint, or that of John Hosey, of Napanee, of Rheumatism, who had actually been on crutches for years, but has now recovered the use of his limbs.
