HANSOM.—Mr. N. Germain, of the Fire Relief Committee, acknowledges the receipt of $50 from St. Joseph's University of Ottawa.

UNITED PROTESTANT BENEVOLENT SOCIETY.—The next monthly meeting of this Society, will be held in Gowan's Hall, on Monday next.

THE MARKET—Tuesday.—There was a fair market this morning, and some changes in prices. Potatoes sold for 50c and 55c per bushel; butter for 25c and 30c per pound, and 24c and 26c in tub. Hay sold for $17 to 20 per ton.

OTTAWA.—The late rain has almost completely extinguished the fires. It is everywhere extinguished in the fields, and it needs but another good shower to put the destructive element out of the woods.

A RIDE STEAM UP.—A careless carter in driving his carriage along Sparks street, opposite Bates' grocery store neglecting to look, where the City Passenger cars connect, locked between the rails, which caused in his wheel being smashed to pieces.

THE 93RD RIFLES.—A few members of this Company left by train yesterday; they are principally invalids. The remainder leave this morning, and will be joined to the Station by the band of the G. G. B. A.

A BEAR.—About the biggest bear we have ever seen was brought to the market yesterday by a farmer from Gloucester. He was trapped and shot in that township about 8 miles from the city at 11 o'clock last night. He was very fat.

HER MAJESTY'S THEATRE.—The performance at the Theatre was equally successful with that of the preceding night. The house was crowded in the gallery and parquette, and the applause given and interest evinced is proof of the success of the performance.

ARRIVALS AT RUSSELL HOUSE.—Tuesday—George Robertson, Kingston; J. Rooney, Toronto; R. W. Barker, Kinston; R. B. Hibb, Quebec; J. Bunt, Toronto; A. Jenkins, Brockville; R. Irrus, Port Hope; J. Bowen and Miss Brown, Lindsay; Miss Clark, Bloomfield; J. Dore, Quebec; L. A. Sencal, Pimville; W. H. Paton, Peterboro; Mrs. Jay and children, Potsdam, New York; J. Goodnow, Hartford, Conn.

MATRIMONIAL.—Yesterday morning Mr. Joseph Tassé, one of the editors of the L'Etoile Minerve, was married to Victoria Alexandra Georgina, second daughter of Dr. J. P. M. Lecourt. The ceremony was performed at an early hour by the Rev. Father Daudurand, Vicar-General, in the French Cathedral, and the happy couple left by the 7 o'clock train on their bridal tour.

NARROW ESCAPE.—A boy driving a buggy yesterday on Wellington street, came in contact with a waterman's cart. The buggy was upset and the boys leg being under the wheel he could not manage to free himself. Fortunately, however, the horse stopped and a man lifted the buggy from off the boy's leg. He was more frightened than hurt.

VACCINE.—Cows are now more than even abundance in the city. They are turned out of their owners yards, and allowed to wander for food, and all vegetation being more so parched or rather destroyed. They very often break into gardens in their hungry fits. We know one case in which a cow broke into the same garden four successive nights. Trouble will arise out of this, if people do not take care of their cows.

DARKNESS AND LARCENY.—We are positively informed by parties in a position, to know that there are still some persons coming in from the country, and obtaining aid from the Relief Committee, who have unencumbered farms, filled barns left unscorched by the fire, and having large sums of money out on interest. This is not only meanness of the most contemptible kind, but virtually punishable theft. If the knowledge of such a case come to our ears again we shall positively hold the culprit up to public contempt.

DANGEROUS.—At the Western corner of the market there is a very dangerous trap in the sidewalk. Several persons have already been injured through means of it, and but a few days ago a woman was seriously hurt in the same place. It is certainly bad enough to have defective sidewalks on Rideau and other principal streets, but to have a sidewalk about a place so much frequented by the public as the market in a dilapidated state shows great neglect on the part of those whose business it is to see to the interest of the public.

PREPARATIONS FOR ESCAPE.—A couple of prisoners named Watt and Mattie, who were sentenced to six months imprisonment at hard labor last Saturday, for larceny, were detected on Monday in making preparations to escape. They were overheard by Mr. Pinard, the new turnkey, giving expression to their prospects of escaping, and search being made in their departments the wire of a pail handle was found concealed. After this their persons were searched and on one of them six gold rings were found. The credit of this important detection is solely due to the new turnkey above mentioned.

TRUSTWORTHY AND EXEMPLARY.—The action taken by the ladies of Osgoode in the matter of extending relief to the sufferers by the late fearful calamity, is one which reflects great credit upon them in particular, and upon the Township in general. We refer to the handsome donation which they presented to the General Fire Relief Committee yesterday afternoon through the Warden of the County of Carleton. The donation consisted of 38 pair of blankets, 45 quilts, 55 pair socks and stockings, and a quantity of clothing in the same handsome proportions. Their being able to make such a donation already show that a Committee must have been early formed, and the charitable work commenced without delay. In fact when ladies' hearts are enlisted in a benevolent cause they are sure to achieve some good. We have no doubt that if the ladies of the other townships of Carleton are not already at work, they will take example by and emulate their sisters of Osgoode.

ROUGH FIGHT. A row took place on Duke street at the Flats, yesterday afternoon, in which a man named John Kenna received some serious wounds, and from what we have heard of his conduct he certainly deserved some summary correction of the kind. It appears he is a man much addicted to drink, and when under the influence of liquor is very quarrelsome and insulting. Yesterday, after indulging in drink, he went to Mr. W. Frarer's hardware store, on Duke street, and having repeatedly insulted that gentleman and his customers he attacked him with a hoe, Mr. Frarer had in self defence to make use of some weapon, and seizing a pitchfork he struck Kenna with the handle on the head, inflicting a serious wound. Kenna made several subsequent attempts to strike Mr. Frarer, from whom he received a couple more blows and was finally taken away. Late in the evening he attempted to return with an axe to kill, as he said, Mr. Frarer. He will probably appear at the Police Court.

Police Court

TUESDAY, Aug. 31.

There were but two cases of drunkenness this morning.

John Conway, drunk and creating a disturbance in the streets, at six o'clock last evening. Fined $2 and costs.

Catharine Todd, drunk on Sparks street about eleven o'clock last night, she being a quiet woman, not accustomed to the influence of whiskey, and Sergt. McVitty having spoken in favor of her general character, his Worship bade her "go home and drink no more." She left, praying for blessings on his head.

The adjourned case of Mrs. Tuffill, as reported in yesterday's paper, was this morning resumed. There were a couple of witnesses examined, but the facts of the case being evidently against her, his Worship imposed a fine of $2 and costs. She left the court, having promised to pay the amount in two hours, but returned shortly afterwards, enquired the amount of imprisonment should the fine not be forthcoming, and then "guessed" the constables might go to her house and carry her back.

Ladies Benevolent Sewing Association for the Relief of the Sufferers by the Late Fire.

At a meeting of the Society, held today, it was resolved that on the advice of the Mayor of the city—who was kind enough to wait on the Committee and afford them his counsel—that any person requiring assistance from the ladies must bring a recommendation, signed by James Dyke, Esq., Secretary to the General Relief Committee. This will relieve the ladies from the responsibility of ascertaining the truth of the wants of the applicant, and also enable them to assist especial cases recommended.

All applications will be attended to daily, between the hours of two and six, at the rooms, in the Parliament Buildings, Senate Department, No. 7.

The Committee beg to return their thanks for many valuable parcels of clothing and materials already sent, and to solicit yet further assistance in the work they have undertaken.

Secretary.
