The Morning's Despatches

FLORENCE, Sept. 22.—Throughout the
ngth and breadth of Italy there are enthu-
stic demonstrations proposed in appro-
of the occupation of Rome by the
lian troops.

General Cordena was present to-day at
ence receiving arms from the Papal troops.
Terms of surrender were arranged with
e commander, Kauzlar.

All native Italians on duty at garrisons
e retained in the depots without arms.

All foreigners are being sent to their
respective countries.

The surrender of the Papal troops is
contrasted strongly with the French sur-
render at Sedan, inasmuch as that which
has just taken place in the Holy City, has
ore the appearance of a carnival or fes-
val than the discomfiture of a vanquished
my. Cheers for the King are mingled with
ers for Rome.

A plebiscite is to be taken initially to
cide whether Rome will be the capital
the kingdom.

MANNHEIM, Sept. 22nd.—Rumors of the
ture of Strasbourg are afloat, but lack
ficial confirmation. The French account
es that an assault made on the
ches by the besiegers on the 18th, but
ulsed with great loss. There was fight-
on the 17th and 18th, but it is be-
ved to be in consequence of sorties made
the garrison, and not an assault.

LONDON, Sept. 22.—The *German Official*
Gazette, a new journal published at Hage-
nau, in the Rhin, Alsace, refers in its first
ue to the proposed incorporation of
Alsace and Lorraine with Germany. It
says three provinces are already Tueutonic
in language, manners, and ideas, and they
will be only two happy to separate from
sinful France.

It is generally believed here that the
Prussians are negotiating with France sole-
ly for the sake of delay, so as to secure the
possession of Paris.

During the investment of the city the
following important engagements occurred
Saturday, 13th: A Prussian brigade routed
several battalions of French north of
Commoes forest. On the next day a
sharp skirmish occurred near Vitry. On
Monday the French were driven from en-
trenchments at Rentsay, losing 9 guns.
Near Versailles a body of 2,000 Mobiles
captured a number of Prussians, whose
rescue had been solicited by the in-
habitants.

It is announced on dubois authority that
the French Emperor intends to issue a
manifesto to the French Senate to meet at
Hastings.

The greatest activity prevails in Paris for
the national defence. The Consul-General
of Calvados voted 3,000,000 francs, Lyons
10,000,000 and 2,000,000 men, Lille a large
sum of money and a great number of men.
Reinforcements of volunteers arrive daily.
500 soldiers who escaped from Sedan have
entered Tours.

General Burnside left for Paris this
morning. He carries with him letters
from Count Bernstaff to Bismarck, and
also the Prussian and French commanders.
He expects to get through the lines, but is
doubtful if he will succeed.

In Tours the belief is that no negotia-
tions of peace are likely to succeed till the
military events before Paris have assumed
a decided turn.

The report from Tours that Thiers ob-
tained from England the recognition of
the Provisional Government, is not be-
lieved here.

Trochu is working indefatigably. Yes-
terday he was confined from indisposition.

YESTERDAY'S DESPATCHES

LONDON, Sept. 22.—King William reports
to Queen Augusta that the investment of
Paris is now complete. The French ad-
vance on the north side of Paris had been
repulsed with the loss of seven guns, and
2,500 prisoners.

The Prussian defeats are obscurely re-
ported as having occurred at Athes and
Mons.

The private secretary of Etienne Arago,
Mayor of Paris, has been arrested as a
Prussian spy.

The *Standard* of this morning says that
the negotiations at Meux are proceeding
hopefully.

The general principles have already been
arranged by Bismarck and Favre, and the
details are now under discussion.

Another journal reports that thus far
the only question which has been dis-
cussed, is, who can ratify it on the French
side. The bank statement to be made to-
day, is expected to show an increase of
specie for the past six days, which will ex-
ceed that of any corresponding period for
two years. Money is easy.

The line of communication between
London and Paris has been re-opened.

Despatches from Berlin report the news
that a constitution is preparing for the se-
curity of German unity. Herr Delbrick is
arranging formalities for proclaiming Fre-
derick Emperor of Germany.

NEW YORK, 22nd.—A special to the *Tele-
gram*, from London, says: Our correspon-
dent in Berlin writes that the Republicans
of Germany continue their agitation
against the annexation of Alsace and Lor-
raine, with an increasing determination,
in all their journals and at all their public
gatherings.

The intoxication of the military circles,
of Germany caused by the success of the
Prussian arms, has led them to demand,
without any reflection of consequences,
that Alsace, Lorraine, Metz, Toules, and
Verdun shall be given up by the French
and annexed to Germany; they also urge,
with an equal disregard to diplomatic
consequences, the Prussian occupation of
Luxembourg, the giving of French Flan-
ders to Belgium, and of Savoy to Switzer-
land, and of Nice and Corsica to Italy.
They will not submit in any way to the in-
terference of neutrals.

Another party oppose this wholesale
dismemberment of France, but ask that
sufficient guarantee shall be given against
future aggressions of France.

BRUSSELS, Sept. 22.—British deploma-
tist arrived here yesterday, *en route* for
the headquarters of the King of Prussia,
on an important mission connected with
peace negotiations.

NEW YORK, September 22.—The Ameri-
can branch of the International Association
for the Relief of the Sufferers by the Euro-
pean War, of which Dr. Bellows is Presi-
dent, met last night, and resolved to issue
an address to the American people asking
contributions.

CINCINNATI, Sept. 22.—Several branches
of the Fenians and Irish National Brother-
hood consolidated this morning into a club
of United Irishmen.

NEW YORK, September 22.—The remains
of the late L. M. Gothschalk, who died in
South America, arrived in this city yester-
day. It is the intention of his friends
and the musical artists of the city to have
a grand *requiem* mass performed over the
body, at St. Stephen's church, next week.

WASHINGTON, September 22.—A letter
from Judge Ortli says there is no truth in
the report that he has been tendered an
English mission.

TORONTO.

TORONTO, Sept. 23.

At the rifle tournament yesterday the
affiliated associations match was won by
the St. Catherine's Association.

The prize of a rifle and $100 for the
highest individual score was won by Private
Adams, of the Victoria Rifle Associa-
tion.

The company match, 1st prize Brassy
and $50, was won by No. 5 Company of
the 37th Battalion.

Winship and Taylor, of the Tyne crew,
returned last night to Montreal.

A single scull race is projected to come
off on the bay, and if a purse of $200 can
be raised it is probable they will compete.

GANANOQUE.

GANANOQUE, Sept. 22.

The propeller *Dominion* soon after ar-
riving here this morning sprung a leak
and sunk at Taylor's Wharf despite the
efforts of the crew at her pumps. The
cause of the leak is unknown. She had a
cargo of sugar and salt.

QUEBEC.

QUEBEC, September 22.

Mr. G. H. Simard, M. P., is dangerously
ill.

A workman fell from a building in Paul
street this morning, and was seriously in-
jured.

A by-law to tax churches, is in course of
preparation.

A fire occurred this morning in St. Louis
suburbs. Little damage was done.

Four yachts started in the regatta to-day.

The Officer's Quarters in St. Louis street
are fitted up for the control department.

The Royal College of Surgeons, England

fessional education for the fellowship and

CAUTION.

CORNWALL BLANKETS.

THE CORNWALLL MANUFACTURING COMPANY beg to caution the public against a spurious shoddy imitation of their celebrated Blankets, now being imported into this country from England, and got up so as to cheat the public into the belief that they are of Canadian manufacture. The style and general appearance of the Cornwall Blankets have been closely copied, and so have the shape and printing of the tickets, except that the words "Cornwall Manufacturing Company" are omitted, and the words "Canadian Manufacture" substituted. Persons desiring a really good and genuine article will have to see that the words "Cornwall Manufacturing Company" are on the ticker of each pair of Blankets.
