day's Despatches.

The Elections To-day

The elections to take place to-day have been the subject of much conversation and speculation for some time past. The contest, which promised to be unusually keen, is now limited to the confines of St. George's and Wellington Wards, but in these Wards the fight will be carried on with energy enough to make amends for the lack of excitement in the other Wards. In By-Ward the ratepayers have had the felicity, if it may be so called, of having returned Messrs. Heney, Laperre, and Macdougal by acclamation.

OTTAWA WARD.—The candidates nominated in this Ward were Messrs. Martineau, Kehoe, Taillon, Guertin and Guerard. Messrs. Guertin and Guerard having retired, the form of opening the poll and polling a few votes will be gone through merely to fulfil the requirements of the law, resulting of course in the return of the three gentlemen first named.

VICTORIA WARD.—The retirement of Mr. Pratt in Victoria Ward leaves the same form to be observed to secure the legal elections of Messrs. O'Connor, Baldwin and Rochester.

ST. GEORGE'S WARD.—This is one of the Wards in which the battle, it is anticipated will be fierce. The candidates are Messrs. Featherston, Robinson, Cunningham and Mosgrove. The polling place for this Ward is the Engine House, St. Paul street.

WELLINGTON WARD.—In this Ward the contest will also be lively between Messrs. May, Bangs, Woodburn and Rowe, the rival candidates. The polling place is at the City Hall.

Full particulars will appear on printed programmes, which will be distributed among the audience.

TO THE ELECTORS OF VICTORIA WARD.

GENTLEMEN,—I have been asked by a large number of the influential Electors of Victoria Ward to allow myself "to be put in nomination as one of the School Trustees for said Ward, during the ensuing term."

To refuse to comply with their request in the absence of any reasonable plea for such refusal, or to neglect to do my duty to the best of my ability, if elected to a position on the Board by the unsought votes of my friends, would be to show myself altogether unworthy of their confidence.

I therefore accede to their wishes, and if elected as one of your representatives, my best efforts, in the interests of the Public Schools of the city, shall be at your disposal.

I have the honor to be,
Gentlemen,
Your obedient servant,
ERSKINE H. BRONSON.

Chaudiere, 25th Dec., 1870. 1459tf.

To the Returning Officer and Electors of Ottawa Ward, in the City of Ottawa.

GENTLEMEN,—I beg to thank all my friends and supporters for the kind appreciation of the services I have endeavoured to render them for the last six years, during which I represented Ottawa Ward in the Municipal Council of Ottawa, by their so strongly aiding my nomination as a Candidate, but owing to urgent private occupations, I find that I shall not be able to devote my attention to the interest of Ottawa Ward in particular, and the City in general, as I have done heretofore, and therefore find it impossible to accept their unqualified support so heartily tendered. I beg therefore to tender my resignation as a Candidate in the present municipal election, and hereby beg to declare that I am no longer a Candidate in the election of Alderman for Ottawa Ward for 1871.

(Signed) JOHN B. GUERARD.

Ottawa, Dec. 28, 1870. 1551tf.

To the Returning Officer and Electors of Ottawa Ward, in the City of Ottawa:

GENTLEMEN,—

Owing to some doubts having been raised as to my qualifications for election as Alderman for Ottawa Ward, for the year 1871, and having ascertained that the fact of my being a licensed Inn keeper under the Corporation, substantiates such doubts. I hereby beg to tender my resignation as a Candidate in the Election of Alderman for the said Ward, and hereby renounce all intentions of being so elected, and declare that I am no longer a Candidate as above mentioned.

(Signed) F. X. GUERTIN.

BIVALVULAR!

It was a maxim of Euripides either to keep silence or to speak something better than silence. Whether this maxim is worthy of imitation or not must be decided by a

DISCRIMINATING PUBLIC.

There is, however, one important truth which demands a word, and that is, *there is no one article of food more universally palatable than the*

OYSTER,

And yet, even in the present day, very few really know what a good OYSTER is, or where the best can be obtained. The best JUDGES affirm that in no other place in the City can as good an article be found, as at the
