LOCAL NEWS.

FLOUR.—Flour fell 2cts on the barrel yesterday.

A splendid stock of Brussells and Woo Carpets, just received.
ALLAN, M'KINNONS & M'MORAN,
20 Sparks street.

The Village of Elgin is to be incorporated with Smith's Falls, thus adding to the population and source of revenue of the latter.

SNOW SHOEING.—The Perth Snow Shoe Club was out for a tramp recently. They made a mile spurt in less than 10 minutes. What has become of our Ottawa Club?

Daily Varden Prints and Ties, just received.
ALLAN, M'KINNONS & M'MORAN,
20 Sparks street.

WATER WORKS COMMISSIONER.—It is rumored that Mr. P. O'Meara intends offering himself as candidate in By Ward for election as Water Works Commissioner.

It is rumoured that a certain very important establishment in this city is to be sold, and that a company is forming to purchase it.

CIVIL SERVICE BUILDING SOCIETY.—An important advertisement is contained in to-day's paper. It speaks for itself, except in this that its business is not confined to members of the Civil Service, but is open to the whole public of Ottawa. Any one, who wants to build a house and has reasonable security to offer, can build it with the money of this Society on the most advantageous terms. See Mr. Sinclair.

THE Irish Catholic Temperance Society will hold their regular semi-monthly meeting to-morrow (Sunday) evening, in the St. Patrick's Hall, Sussex street, when it is requested that all teetotallers in connection with the above society will be present, as matters of interest will be brought under the notice of the meeting, such as the due celebration of the coming anniversary of St. Patrick's day.

TEMPERLEY'S LINE OF OCEAN STEAMERS.—By reference to an advertisement elsewhere, it will be seen that Mr. C. R. Cunningham has been appointed agent in Ottawa for Temperley's Line of Iron Ocean Steamships, plying between London, Quebec, and Montreal. This line is so favorably known to the public that it requires no commendation at our hands, and certainly a more obliging and intelligent gentleman than Mr. Cunningham, one of our worthy Aldermen, could not be selected to act as agent. Business men intending to cross the Atlantic will find it to their advantage to secure their passage at his office, Rideau street.

CANON READINGS.—The readings at Gowan's Hall last night were very largely attended. The chair was taken by the Hon. Mr. Tilley. The Chevalier Gustave Smith presided at the piano with his accustomed ability. Miss Poetter, Mrs. McGarity, Mr. Gordeau and Mr. Clayton sang with good effect. Mr. Dore read one of Thackeray's ballads, and sang a comic song which was loudly encored. Mr. Small read an appropriate poem called "England to America." Mr. Urquhart read The Trial Scene from Pickwick, and Mr. French one of the O'Doherty papers. The whole entertainment was a complete success.

DOMINION DAY CELEBRATION.

The Ottawa Fire Brigade evidently intend to take time by the forelock in the matter of preparing a programme for Dominion Day celebration. This early action on their part will greatly tend to secure success for their efforts; it will afford persons or companies desirous of competing for the honors and prizes of the day, timely notice to train and prepare for the occasion, and will secure the great object of the Brigade, viz: A large number of competitors.

At a meeting held in the City Police Court last night, at which were present the Chief and Deputy Chief of the Brigade and the captains and lieutenants of the of the different companies, the Chief in the chair, Capt. L. A. Grison acting as secretary, it was—

Resolved,—That the Fire Brigade get up a grand tournament on Dominion Day, in the City of Ottawa.

Moved by Capt. Living, seconded by Capt. McCaffrey,—That a committee of six members from each company shall be appointed to form a general managing committee to carry out the programme on Dominion Day. Carried.

Moved by Capt. L. A. Grison, seconded by Capt. Albert,—That the General Committee meet on Friday evening, 8th March, in the Police Court. Carried.

The meeting then adjourned.

We sincerely hope the Brigade will receive liberal encouragement and assistance from the public.

COUNTY COUNCIL.

The Council met at ten o'clock yesterday morning.

Present—Ira Morgan, Esq.; Messrs. Cummings, Robillard, Blackburn, Keil, McCaffrey, Hopper, Armstrong, Caldwell, Mills, Richardson, Lyon [Richmond,] Lyon [Goulbourn], McEwen, Smith, Dawson, Mohr, and Wallace.

The previous day's minutes were read and adopted.

The following petitions were submitted and read, viz:—

Of J. M. Currier and others, asking for a grant of $150 as an equivalent to the amount granted by the city council to be applied in the construction of the new Edinburgh bridge to a width of twenty-five feet.

Of the Grey Nuns, praying to aid to the St. Joseph's Orphan Asylum.

Of the Grey Sisters, praying for the annual grant to the General Catholic Hospital.

The following communications were submitted and read:

C. R. Cunningham in reference to insurance on the New Court House.

Falkner & Kingston, respecting oakum material.

T. M. Clark, respecting insurance.

The Warden of the Provincial Penitentiary, respecting prices of Prison uniform.

C. Clarke Lanark, enclosing extract of report of the Committee on Roads and Bridges in reference to granting $100 to assist in making a certain portion of the town line between the County of Lanark and Carleton, available for public traffic.

G. W. Monk, Esq., M.P.P., enclosing copy of Minister of Public Works of Ontario to County Council, petition for a grant to assist in building bridge over River Rideau at Wellington village, also copy of proposed amendment to present mode of levying certain rates under the act respecting the municipal institutions of Upper Canada.

J. W. Lungmen, P. S. relating to admittance of pupils to Deaf and Dumb Institute Belleville.

A circular from the Warden of the Counties of Lennox and Addington was read.

Moved by Mr. Wallace, seconded by Mr. Mills, that Messrs. W. A. Butler and J. V. Lyon, be appointed Trustees of the High School Union Board, for Richmond, in room of Rev. Mr. Mullin.—Carried.

The report of the Special Committee appointed to confer with the County Solicitor as to the conditions of taking the Court House building of the contractor's hands was submitted by Mr. Cummings.

Moved by Mr. Blackburn, seconded by Mr. Smith, that the petition of J. M. Currier, Esq., M. P., and others be received and the sum of $125 granted as prayed for.

Moved by Mr. Dawson, in amendment, seconded by Mr. Hopper, that the petition of J. M. Currier, Esq., M. P., and others, respecting New Edinburgh bridge be placed on file.—Carried.

Moved by Mr. Neil, seconded by Mr. Cummings, that the report of the Special Committee who was instructed to consult the Solicitor as to the terms and conditions that this Council should receive the Court House building from the contractor be received and adopted.—Carried.

AFTERNOON SESSION.

Mr. Webster, the Court House contractor, signed the agreement and handed the keys of the same over to the Warden.

Moved by Mr. Blackburn, seconded by Mr. Robillard that the Warden do insure the building for $50,000 in a first class Insurance Office at rates specified by the Royal Insurance Company's agent. Carried.

Mr. Lyon (Goulbourn) gave notice that he will at the next June session of the council move for a reconsideration of motion 40 of the January session adopting the report of the Committee of the Whole.

Moved by Mr. Dawson, seconded by Mr. Richardson, that leave be granted to introduce a by law for the issue of debentures to the amounts of $20,000 to aid the erection of the Court House and Registry Office, and that the said by-law be now read a first time to be adopted at special meeting of the council to be held in June next. Carried.

Moved by Mr. Blackburn seconded by Mr. Robillard that inasmuch as some doubts have arisen in so far as regards the legality of this council in conveying real estate to an individual for a nominal sum, it is resolved that motion No. 38 and By-law 167 passed at last session be submitted to the solicitor of this corporation for his opinion thereon, and that the Warden is hereby authorised to withhold his signature from any deed submitted to him until said opinion is laid before the council.

The motion was lost on a division of eight to nine.

Several members of the Council strongly insisted on the Warden's voting on the above resolution. He was a member of the Council and subject to its rules accordingly, and they considered it his duty to vote as well as any member of the Board.

The Warden said he had the option of voting in all cases, but that only in case of tie was he obliged to vote. He was not a member of the Board, but was called to preside over it. He could use his own discretion in such matters.

The Board unanimously called upon the Warden to vote.

Mr. Cummings thought the Warden should go on his conduct in the chair by the expressed will of the Board. If he would not do so, it was time they began to devise means for placing a more obedient person in the chair.

The Warden reiterated his determination not to vote before consulting the solicitor. If obliged by law to vote on motions when the division did not result in a tie, he would cheerfully do so, but he would not suffer himself to be dictated to by any member of the Council.

After a short consultation among the members of the Board,

Mr. Mohr moved, seconded by Mr. Neil, that the Council adjourn until nine this morning.

ANY ONE WHO SUFFERS from Dyspepsia, and goes slow starvation, for it matters not how much food is taken, nor how good it may be, if it is not completely digested and assimilated, depraved nutrition and impoverished blood, with degeneration of the tissues, will result. It is this condition of insufficient nourishment that excites hereditary influences and develops in the system that class of Chronic Wasting, Diseases of the Consumptive and Scrofulous type. Tubercle of the Lungs, Enlargement of the Glands of the Neck, Eruptions of the Skin, Spinal Disease, Torpid Liver, Irritation of the Kidneys and Bladder and Constipation, with headache and nervous irritability, all have their origin in the one common cause—Indigestion. Any remedy that radically cures these diseases must reach their primary source—the Stomach. DR. WHEELER'S COMPOUND ELIXIR of PHOSPHATES and CALISAYA was especially devised to cure Dyspepsia, Improve Nutrition and promote the formation of healthy blood. No remedy in existence acts so promptly and so permanently in invigorating all the organs of the body.

OTTAWA,
Wholesale and Retail Grocers, Wine and spirit Merchants.
We are now prepared to offer to the Farming Community and to the trade inducements that has not been given heretofore by any one in our line of business—being now importing the chief part of our Stock, such as TEAS, WINES and BRANDIES, enables us to reduce prices further. We claim already to have brought the enormous profits heretofore existing to a moderate rate, and trust in future to continue so.
We will guarantee that no one can sell the same articles cheaper, such as TEAS, SUGARS, TOBACCOS and GENERAL GROCERIES, also WINES and all imported Liquors. Canadian Spirits, of the best description, always on hand at prices as low as small lots can be laid down. We care not for competition, all we require is a trial given to our goods. The economist will profit by calling to us. Our motto is light profits.
Give our Teas and Liquors a Trial.

CAUTION! CAUTION!!
TO THE PUBLIC OF THE BRITISH PROVINCES OF NORTH AMERICA.
I beg most respectfully to acquaint the public of the British North American Provinces that in May last I caused the business at 80 Maiden Lane New York, for the sale of Holloway's Pills and Ointment, which were up to that time prepared by William Brown, now deceased, to be closed. These Medicines were, I regret to say, from what has lately come to my knowledge, made up of such very ordinary ingredients as to render them almost worthless, and therefore calculated to damage my good name.
Those who do not wish to be deceived by buying spurious medicines, which are now likely to emanate from the States or elsewhere, but to possess themselves of the genuine Holloway's Pills and Ointment will do well to see that each pot and box bears the British Government stamp on which is engraved the words "Holloway's Pills and Ointment, and that the address on the label is 533, Oxford street, London, where only they are manufactured, and in no other part of the world. The retail prices are on the labels in British currency, and not in dollars and cents.
No representative of mine will ever travel through any part of the British Provinces, or the United States, either to sell or to take orders for my Pills and Ointment, and I have reason to believe that attempts will very probably be made to deceive the public in this way by persons calling upon medicine vendors, falsely representing that they are acting for me, and with my knowledge and consent, I deem it advisable to put the public on their guard against any such deceptions.
I most earnestly entreat all those who may read this advertisement that they be pleased, in the public interest, to communicate the purport of the same to their friends that they may not be defrauded of their money by purchasing worthless imitations of the genuine Holloway's Pills and Ointment.
I would ask, as a great favour, that should it come to the knowledge of any person that spurious medicines are being made or sold in my name, he be pleased to send me all the particulars he can collect respecting the same, that is to say, the name and address of the vendor who is selling the spurious medicines, and likewise the name and address of the House in the United States, or elsewhere, which may have supplied them, so as to enable me, for the protection of the public, to institute proceedings against such evil-doers, and I engage to remunerate very handsomely any person who may give me such information, the informant's name never being divulged.
Should any person have reason to believe that he has been deceived by buying spurious imitations of these Medicines, he will do well to send me, in a letter, to the address at foot (which he can do at a cost of six cents in postage), one of the books of instructions which are affixed to the same. I promise to examine it, and send a reply, stating whether the Medicine is genuine or not, so that if spurious he may apply to the person from whom he purchased them to have his money returned.
Chemists and others who desire to obtain the Medicines can be supplied at the lowest wholesale price, viz., not less than £20 worth at a time (which must be sent in advance)—viz., 8s. 6d., 22s., and 34s. per dozen boxes of Pills or pots of Ointment, nett, without discount.
I have the honor to be,
With great respect,
THOMAS HOLLOWAY
