BISHOP'S CHAPEL.—The Lord Bishop of Ontario preached in the Bishop's Chapel yesterday.

DESTROYED BY FIRE.—The barns, stables and sheds of John McCalister, of Hull were destroyed by fire on Friday night last. Total loss about $1,500. Insured for $500.

TEMPERATURE.—The heat of Saturday was about as oppressive as any that had been experienced during the dog days. The thermometer registered 85 in the shade at 1 o'clock p.m.

ATTEMPT AT ESCAPE.—On Saturday morning as the prisoner Slade was being conducted from the police station to the gaol he made a determined effort to escape but was secured by policeman Banning ere he ran far.

A MIDNIGHT RAID.—On Friday night last a descent was made by some members of the police force upon a den of infamy recently established in pretentious premises on the Montreal Road. They succeeded after searching room and closet, cellar and garret in securing three women and two men whom they brought to the lock-up for safe keeping

THE MARKET.—The season for large markets and abundant supplies of country produce is at hand and housekeepers almost instinctively wend their way to the By Ward Market every morning. A more abundant harvest than that of this year has seldom if ever been seen in Canada. Grain, hay and root crops of all kinds have been excellent. Hence, during the Fall markets of a kind to gladden the hearts of Ottawaites may be expected. The market of Saturday was encouragingly good, considering the day. Prices had not changed, except in a few cases. A full and correct price list can be always seen on our first page.

POLICE COURT.—SATURDAY.—James Kennedy charged with having been drunk on the public streets, was fined $2 and costs.

Joseph Duoe, charged with a similar offence, was fined $3 and costs.

John Henry Slade, a supposed deserter, was remanded.

A young woman was arrested on Saturday on suspicion of larceny.

JUVENILE BASE BALL.—A game at Base Ball was played on Saturday afternoon on Parliament Square between the "Silver Star Club," of Sandy Hill and the "Clipper Club," of Lower Town, resulting in a victory for the former of 13 runs, the total score being: "Silver Star Club," 30 runs, "Clipper Club," 17 runs. The prize for the winners was a superior bat and ball. The skill displayed by these young clubs was of a very creditable nature. Base Ball seems to be gaining popular favor in Ottawa; certainly the game is a manly one, and affords useful and healthful recreation.

PREVENTION OF CRUELTY TO ANIMALS.

The Society for the prevention of cruelty to animals, established some time ago in this city, has accomplished very little towards the object which called it into existence. That it has so far failed in its object is to be sincerely regretted, for in our opinion no society is more required in a city, and none more deserving of the public support, than one which has for its object the protection of the poor dumb brute against the savage abuse (which too frequently they have to suffer) of the cruel and unfeeling man. The cause of the inefficiency of our Ottawa Society we do not positively know, though we are inclined to believe it is in great part owing to the apathy of the public and perhaps the leniency of the law. If we remember right a couple cases of "cruelty to animals" were brought before the Police Magistrate during the winter, both terminating very unsatisfactorily and discouragingly to the society. Since then it seems to us that very little has been done towards carrying out the object of the society, which we have reason to believe is not in a financial position to enable it to prosecute, even did it exercise the required vigilance. Cases of flagrant cruelty to horses come under the notice of members of the Police Force daily, and yet it is rarely they trouble themselves to protect the poor animal. We think every policeman should be a member of the Society, and, while on his beat, perform the additional duty, with authority to arrest if necessary. We hope yet to see the Society revived and supported as it should be.

BASE BALL

On Saturday afternoon, at 4 p.m., a challenge game was played on Parliament Square, between nine stone-cutters employed on the Montreal Bank building, now in course of erection on Wellington street, and nine employed on the Parliamentary Library. The "Librarians" went first to the bat, and succumbed in about twenty minutes with a score to their credit of 4 runs. The "Bankers" immediately "went in" with P. Canty at the bat, who made a home run in capital style, but all hands went "to grass" with only 7 runs on their string. The remaining innings were played with varying success until the last, when the "Bankers" with only one bat ran up a score of 11 runs before being put out, when the final score stood "Librarians" 35 runs, "Bankers" 31, thus making the "Librarians" victors by 4 runs. It may be remarked, however, that the winner had considerable practice previous to the match. The batting on both sides displayed muscle, if not science—while Gifurly, as "first base," on the one side, and C. Dewan on the other, displayed aptitude for the position which would reflect credit on older players. A return match will be played shortly. It certainly affords an amount of satisfaction to see the workmen of Ottawa spend their leisure in healthy and innocent amusement of this kind, instead of, as is too generally the case, squandering their time and money in grog shops or gambling saloons, inhaling vitiated atmosphere and imbibing the alcoholic poison. To the stone cutters of Ottawa the public think is due for having led the way and we hope to see their fellow workmen without distinction follow in their footsteps.

Mr. Lang acted as umpire, and Mr. Armstrong (both gentlemen of the Ottawa club) acted as scorer.

A NEW INTERNATIONAL ALLIANCE.—The *Exchange Gazette* of St. Petersburgh publishes the startling intelligence that an alliance has been concluded against Russia and the Slavs by Germany, Austria, Italy, Turkey, and—England. The *Gazette* admits that such an alliance is, on the face of it, highly improbable, if not impossible; yet it devotes several columns to an elaborate article based on the supposition that the news is true.

THE PUBLIC LIBRARY OF KENTUCKY.

Second Grand Gift Concert.

DAY OF THE DRAWING FIXED.

No Postponement from September 28.

TO THE PUBLIC:

The Trustees of the Public Library of Kentucky being satisfied from the large sale of tickets already made, and the daily increasing demand for them, that there will be no occasion for postponing the second drawing in the Gift Concert in aid of the Public Library of Kentucky, have instructed me, as their agent and manager of the Gift Concert, to say to the public and ticket holders that the drawing will positively take place on September 28th prox., and will not be postponed. An active demand for tickets comes from every State and Territory of the United States, and from the Canadas giving assurance to the Trustees that no circumstances can prevent a drawing at the appointed time.

A sufficient clerical force is engaged to keep up with the orders for tickets, and in order that this office may be relieved of the immense pressure incident to the business for the week or two immediately preceding the drawing, agents especially, and those desirous of procuring tickets, are requested to send in their orders immediately, as sales will have to be closed in time to make the necessary preparations for the drawing. It is the wish of the management to fill every order for a ticket, as well as to sell all the tickets, but those who apply first must be first supplied; and, if those who put off buying until sales are closed, have their money returned, instead of the tickets ordered, as in the first Gift Concert in December last when thousands of dollars that came too late were sent back they will have none to blame but themselves.
