I have redieved the address of my faithful Commons, praying that I would be graciously pleased to instruct my principal Secretary to enter into communication with foreign powers with a view to the establishment and improvement of a permanent system of International arbitration. I am sensible of the force of the philanthropic motives dictating that address. I have at all times desired to extend the practice of closing International controversies by the submission to impartial friends and to encourage the establishment of rules intended for equal benefit. I shall continue to pursue similar course, with due regard to the time and opportunity, whenever it is likely to be attended with advantage.

TO BE SOLD BY AUCTION.

Lease of the Queen's Hall,

WELLINGTON STREET.

A Fine Chance for Making Money.

The subscriber is instructed by P. Le Sueur, Esq., to sell by public auction, on

WEDNESDAY, THE 2d Inst.,

At NOON, on the premises, the lease for one year, from 1st of AUGUST next, of his MAGNIFICENT NEW HALL, just completed. There is nothing in Ottawa, nor perhaps in Ontario, approaching this Hall in the recognized essentials of a public assembly room, having two retiring rooms and a ticket office attached. It is lofty and spacious, no expense being spared to make it a successful Music Hall and Assembly Room. It is now open, and is well worthy a visit. It only requires to be seen to ensure preference.

Besides above Hall, another spacious apartment 35x30 with an ante-room, will be offered as a second lot. Any of the city societies requiring a good Hall, nothing can better meet their expectations.

SHOPS

Immediately after the sale of above the leases of two stores will be put up. One is of extra dimensions, 22x60 feet, and is handsomely finished, the second is of a medium size.

Terms and other particulars on application to the undersigned, and at the time of sale.
