ROYAL Insurance Company.
LIFE DEPARTMENT.
CAPITAL . . £2,000,000 Stg.
SECURITY SHOULD BE THE PRIMARY CONSIDERATION.
This old and favorite Company offers this in its large Capital, and the unlimited liability of its shareholders.
Special attention is drawn to a new feature in Life business, just introduced by this Company—that of insuring on the half-credit system. By this method, persons who wish to insure for their families an insurance for a large amount, but whose present income, though improving, will not admit of it, or persons in business who wish to utilize their funds to the fullest extent, and cannot therefore spare the necessary funds at the time for a large life policy, can insure $5,000 for the same amount of premiums as is required for $2,500, the remainder half-premium standing as a debt, interest, as a debt on the policy until paid off.
BONUS.
Persons insuring now, or within the next few weeks, will obtain the benefit of one year's bonus.
Tables and all information will be given at the office of the Company, corner Sparks and Elgin streets.

ASTHMA AND BRONCHITIS effectually relieved by the use of Datura Tatula, for "in a most faithful attack of Asthma, Lord Dunsany had scarcely finished the Datura Tatula for more than a minute or so, when the symptoms abated, and in 10 minutes more he was relieved wonderfully.
