BERKELEY, Sept. 1869.—Gentlemen, I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking "Norton's Chamomile Pills." I applied to your agent, Mr. Bell, Berkeley, for the above Pills, for wind in the stomach, from which I suffered excruciating pain for a length of time, having tried all the every remedy prescribed, but without avail. After taking two bottles of your valuable pills I was quite restored to my usual state of health. Please give this publicity for the benefit of those who may thus be afflicted.—I am, Sir, yours truly, HENRY ALL. To Mr. Fr. the Proprietors of NORTON'S CAMOMILE PILLS. 3806

First—By settling upon the lands suitable for grants from Great Britain or other countries, to whom free grants of alternate lots for moderate sized farms will be given by the Company along with advances for passage money, implements, seed, &c., and,

Second—To hold for increased value the alternate reserved farms, and sites suitable for towns, or lying in the line of projected railway routes to the west or of mineral value. CELEBRATED
WORCESTERSHIRE SAUCE.
DECLARED BY CONNOISSEURS TO BE

and to see that their names are upon the *wrapper, labels, stopper, and bottle.*
Some of the foreign markets having been supplied with a spurious Worcestershire Sauce, upon the wrapper and labels of which the names of Lea and Perrins have been forged, L. and P. give notice that they have for nished their correspondents with power of attorney to take instant proceedings against *Manufacturers and Vendors* of such, or any other imitations by which their right may be infringed.
Ask for LEA & PERRINS' Sauce, and see Name on Wrapper, Label, Bottle, and Stopper.

Miscellaneous.

The *Mail* correspondent charges Mr. Dymond with being guilty of "impropriety" in giving Mr. Fraser, Reynolds, & Co. Committee's report to the press. This is shabby, for it was the *Mail* reporter that asked Mr. Dymond for the report, and from the fact that Mr. Domville quoted when he charge of breach of privilege against the erring member. There is honour among thieves, and even amongst thieves. Why not the journalists?

If we are not misinformed, the Railway Committee will have under consideration to-day, a bill which, unless reasons be given of which we are unaware, should not become law. The bill in question is entitled, "An Act respecting the International Bridge Company." It is intended by this bill to amend the Act of incorporation of the Bridge Company in a most important respect. This Company are the proprietors of the International Bridge, which connects at Buffalo the Canadian and American railway systems. They are bound by their charter to provide, in connection with the railway bridge, a carriage and foot way. This provision they have evaded; and now they come to Parliament asking to be relieved of the requirements of their charter in this respect. It will be readily understood that the carriage and footways form a very important part of the compact between the Company and the public. The importance to the people directly interested in having the Company kept to their bond cannot be over-estimated. We do not say that the Company have no case, since we have not heard their representations. But the matter is one which the Railway Committee will find it necessary to scan very critically. Nothing short of the most substantial cause can justify what will amount to a serious breach of faith with the public, so far as it is concerned in having the requirements of the charter fully carried out.

MID-NIGHT DESPATCHES.

FRANCE.

A Conservative Ministry.

PARIS, March 24.—Minister Buffett today, in an address to the staff officials of the Department of the Interior, dwelt with emphasis on the fact that the present Ministry is essentially Conservative.

SPAIN.

Military Levy for the Carlist Army.

BAYONNE, March 24.—Don Carlos has issued a decree calling into military service all males in the Navarrese Provinces over 18 years of age.

CHINA.

Diplomatic Correspondence.

HONG KONG, Feb. 17.—The United States diplomatic correspondence with China is received with great interest, and universal acquiescence is expressed in the condemnation of General Seward for the arbitrary arrest of General Legendie in September last.

Outrage by Chinese.

An American named C. E. Hall was attacked and severely injured by Chinese, at Shanghai. The affair will be investigated by the Consul General.

Tribute from Burmah.

The Pekin *Gazette* states that the King of Burmah offers to send tribute in acknowledgement of Chinese supremacy. This ceremony was discontinued two centuries ago.

The Hong Kong and Shanghai Bank is reported to have lost upwards of $1,000,000 during 1874.

The Chinese are becoming very active off the coast near Shanghai.

Insurrection in the Provinces.

An insurrection broke out in Toon Tan near Ring Po, in Ohich, where farmers were engaged. The outbreak was in consequence of the increased tax on rice. A body of 5,000 troops failed to subdue the rebellion, and the increased tax was removed.

On January 22nd a mob attacked the labourers on the telegraph line from Foo Choo to Amoy at the town of Kwang Tas, and destroyed the poles, interrupting the work.

JAPAN.

The Formosan Dimculty.

YOKOHAMA, Feb. 26.—The portion of the United States diplomatic correspondence relating to Japan has been transmitted and published in the Yeddo native newspapers, which criticise the fact now made public that Mr. Bingham acted in the Formosa affair upon an irresponsible rumour in a Yokohama journal, notwithstanding the prompt denial of the truth of the rumour by the Japanese Foreign Secretary and every American officer connected with the expedition. The result proved that the rumour in question, which declared the premeditation of Japan to make war upon China, was entirely without foundation. The purpose of the Japanese Government to restore the coast fortifications, communicated through the Associated Press in a despatch in November last, has just been officially announced. As usual, remonstrances have been made by the foreigners, but without effect. At the important points hereafter to be made ready for defense, houses were destroyed and the foreign settlement was endangered, but escaped serious injury.

Fires in Yeddo.

Destructive fires in Yeddo are almost of nightly occurrence.

Murder of an American Slave-Trader

An American named Pease has been murdered by his companions in Bonin Island, south-east of Yeddo Bay. Pease was reported to little better than a pirate, and was known to have carried on the slave trade on a small scale among the Eastern Islands. The case is undergoing investigation by the United States Consul General.

UNITED STATES.

ALBANY, March 24.—In the Tweed case to-day, District-Attorney Phelps and Wheeler H. Peckham closed for the People, and Judge Geo. F. Comstock commenced a strong argument for his relative, Wm. M. Tweed. He will probably finish to-morrow.

Robbery of Registered Letters.

BOSTON, March 24.—A number of packages of registered letters have been lost between this city and Bridgeport during the past month. Thomas Chamberlain, a brakeman, has been detected tampering with the mails. He was taken to Bridgeport and will be examined before the United States Commissioner to-morrow.

Manslaughter at a Masquerade.

PHILADELPHIA, March 24.—Robert McKenna, who caused the death of Flanagan in a fight at a masquerade, has been convicted of manslaughter and sentenced to two years' State Prison.

The Weavers' Strike.

The strike of the weavers continues.

The Black Hills Expedition in a Bad Way.

OMAHA, Neb., March 24.—Information has been telegraphed Gen. Ord, of several parties of miners leaving different points for the Black Hills. In reply to a telegram from a miner who recently came out from the Hills, whether he would be permitted to return with reinforcements and provisions, Gen. Ord says: "Troops from Fort Laramie and hostile Indians have both gone for your mines. For their sake I hope the troops will reach them first, as the military orders are simply to bring in the party, confine the leaders, burn the waggons, and destroy the out fits." Genl. Ord has been authorized to put all the cavalry at once in the Sioux country, on which the miners are trespassing, and to employ fifty Indian scouts to advise the cavalry of the advent of miners. His orders are to remove the parties arrested, and confine the leaders at the nearest military point, burn the waggons, and destroy the out fits. A Black Hills Transportation Company, formed here yesterday, propose to leave the railroad at Sidney, Neb.

Extra Session of the Louisiana Legislature.

NEW ORLEANS, March 24.—Gov. Kellogg to-night, issued a call for an extra session of the Legislature, to meet in New Orleans on Wednesday, April 14th, to carry out the adjustment.
