ACHILLES MAZDA

A TRADITION OF EXCELLENCE SINCE 1977.

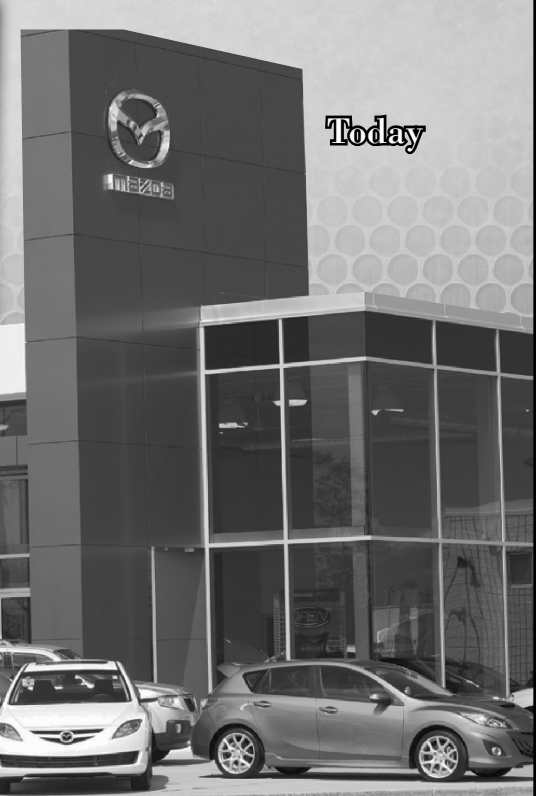

Achilles Motors was established in Acton in 1972 by Les and Litsa Pelitis. The business humbly began as a car wash, gas station and automobile repair facility. In October 1977, Achilles Mazda became one of the first established Mazda dealers in Ontario. Achilles Pelitis Jr. has been the dealer principal of our owner/operated, family-run dealership since May, 2000.

On July 1, 2010 we relocated our dealership from Milton to our new facility at 1195 Steeles Ave. East, Milton Ontario. Our new location at Steeles Ave and James Snow Parkway has easy access to the 401, and allows us to more conveniently assist our clients from Milton, Georgetown, Halton Hills and the surrounding GTA. Our new facility has all the amenities that will help us represent the Mazda brand today and well into the future.

At Achilles, our clients are not merely numbers. We understand that each client has different wants and needs. At Achilles, it is our stated policy to treat every visitor to our dealership as an honored guest in our home... Every day, Every time, Without fail, No exceptions.
