Dr. Cook, one of the delegates to the General Assembly in Edinburgh from the Kirk Synod of Canada, has just arrived by the steamship *Nova Scotian*, and will be in time to take part in the great Presbyterian meeting at present being held in Montreal. Prof. Mackerras and Mr. Croll are also passengers by the same steamer, and will likewise proceed at once to Montreal in the same connection. It is altogether probable that Dr. Cook will be the first Moderator of the United Church.

It will be remembered that one of the conditions upon which Prince Edward Island entered Confederation was that the Dominion should take over the railway, then in course of construction, on its completion, and the same should be placed as an asset to the credit of the Province. Accordingly some time ago the engineer of the road reported it ready to be handed over. Mr. Swinyard was appointed to examine the line on behalf of the Dominion Government, and he reported that it was not in a fit condition to be taken over. Mr. Frank Shanly, C. E., has now been authorized to make a further report on the subject.

OTTAWA COUNTY COUNCIL.

The Northern Colonization Railway Bonus.

A regular meeting of the above Corporation was held in Hull yesterday, commencing at half-past ten o'clock, a. m. Mr. Charles Devlin, Warden, occupied the chair, and the following Councillors were in attendance: Messrs. McKay, Ellard, Yates, Kennedy, Wright, Cosgrove, Charlebois, Leduc, Kelly, Moffat, Bichler, and Lavelle.

A deputation from the Northern Colonization Railway Company was in attendance, and was composed as follows: Judge Coursol, Ald. David, Messrs. M. P. Ryan and E. DeBellefeuille, Secretary of the company. Dr. Duhamel and Mr. Rouleau, candidates for the representation of the County in the Quebec Assembly, occupied seats in the Council Chamber, as did also Mr. Alonzo Wright, M. P. Messrs. Peter Aylen, C. Wright, Charles Leduc, D. Conroy, and E. St. Julien entered shortly after the meeting began.

The Warden made a few introductory remarks, in which he referred to the distinguished deputation present from Montreal in connection with certain claims made by the Northern Colonization Railway. He stated that they had brought with them the county bonds for signature, but he refused to sign them without first obtaining the sanction of the council. The construction of the line was stopped and retarded by the refusal of the County to sign the bonds, and, moreover, the refusal had a serious effect upon the raising of money in the English market. The railroad would be of the greatest importance to the county of Ottawa. He could sign them, but would not do so without the sanction and approval of the Council. He might also state that he had been offered a money consideration if he would sign them; but he had told the party who had made him the offer that there was not money enough in Montreal to influence him in that way. He told him that he should go up the Gatineau and expend his money among those who would derive no benefit from the railway. A question which also presented itself was: Would the giving of the $200,000 secure the completion of the road? If not they should guard their money. He had heard that the contractors were offering to pay ten cents on the dollar. If so it was very injurious to the interests of the road. He had been notified that unless the bonds were signed the company would sue for $200,000 and $100,000 damages.

Mr. ELLARD spoke at some length and dwelt sarcast
