## Students 'framed'

As part of the recent Georgetown District High School Grade 9 welcome reception for students and parents, Grade 9 students Madelyn Tabakos and Shannon Graham had their photo (within a frame) taken by Grade 11 photography student Madison Taylor, as part of the 'picture yourself here' theme of the reception.

## Honoured tow truck driver works in Georgetown

A story in the Oct. 17 *Independent & Free Press*, entitled *CAA honours local tow truck driver*, contained incorrect information provided by the CAA.

Halton Hills resident Terry Layton, who works for Fred's Towing, primarily works out of the Georgetown office and has supported the Georgetown Santa Claus Parade.

*The Independent & Free Press* regrets the errors.
