☞ LARCENY BY A SERVANT.—On Sunday morning last, while the family of Mr. John Fleury, of the Township of King, were absent at church, a young girl, named Mary Ann Clements, who had been employ- as a servant in the family, broke open a bureau and stole therefrom $90 in gold, with which she absconded. She was, however, traced to Toronto, and a warrant having been procured, she was arrested by Constable May, in a crowd in front of the circus. Though young in years, she is evidently old in crime, having been on two or three former occasions convicted of robbery in Toronto. Her trial was to take place this day at the Toronto Police Court.

☞ FIRE AT VICTORIA SQUARE. On Monday evening last a Fire broke out in a frame building, in the above-named village, occupied by Mr A. Hilts, which in a short time consumed the entire dwelling and its contents. The origin of the fire is unknown, and we learn that there was no insurance on the property.

☞ In other colums will be found a Report of the late Parliamentary Session, including the number of Acts passed during its continuance.

ARRIVAL OF THE "ERICSON."

New York, June 11.

Wheat was the same, and had advance 3d. Corn was also buoyant and had advanced 2s. The market for all closing quiet.

In the British Parliament the annuity of £8000 per year to the Princess Royal was agreed to without a division, Mr. Roebuck making a feeble demonstration. The dowry of £40,000 was brought before the Committee os Supply, when Mr. Cunningham moved that the pension be reduced to £6000, and the dowry be ommitted.—14 members voted with him on his first motion, and 16 on the second.

The east India Company have taken possession of the Island of Perim, in the Straits of Behelmandel, and completely commanding the entrance of the Red Sea. The ostensible cause is, that two years ago an English ship was wrecked on the Coast of Barbary and pillaged by the natives. An artillery garrison is already placed on the Island.

Preparations are making at Portsmouth for the reception of the Grand Duke Constantine.

FIRING INTO THE BRIG "JOHN EDWARDS."

London, Saturday, May 30.

The French journals contain the following statement respecting this affair: an English brig, the 'John Edwards,' bound from Bordeaux to Liverpool, was compelled to anchor in the roadside of Belle Isle, as she had no colors hoisted to show her nationality. The state schooner 'Amaranth' fired a blank cartridge to remind her of her omission. A second was equally unattended to, when a third cartridge, with ball, was discharged, and the shot killed one of the crew named Williams. The Captain of the brig accounts for his not showing colors by saying his signal halyards had been carried away, and that he could not repair them. The case is under investigation by the authorities.

IMMIGRATION TO CANADA

The following digest of Returns by A. C. Buchanan, A. B. Hawke, and T. C. Dixon, Esqs., Emigrant Agents, of the number of Emigrants arrived in Canada this season up to the 9th day of June, is made up at the Bureau of Agriculture, by Mr. Hatton, Secretary:—

	Cabin.	Steerage.
From England - -	421	3686
" Ireland	0	871
" Scotland	79	1301
" Germany	8	1380
" Norway	0	1518
	508	10756
Grand Total	11,264	

Of these 4879 were males; 2858 females; 1254 boys; 1216 girls; 537 infants; 320 not particularized. Of their callings we learn that 757 were mechanics; 1581 farmers; 1978 laborers, and 7191 of callings not stated; 164 of them were cabin passengers.

As compared with 1856 the returns are:

	1856 Cabin.	1957	1856 Steerage.	1857
From England	198	421	2413	5656
" Ireland	6	0	428	558
" Scotland	15	79	982	1301
" Germany	0	8	765	1380
" Norway	0	0	0	1518
	219	508	4588	10756
	1856	1857		
Grand Total	4867	11164		

Increase in 1857 to June 9, 6458.

The number arrived at the Toronto and Hamilton Agencies up to the 31st May were:—

	Toronto.	Hamilton
English	1782	1530
Irish	213	1073
Scotch	842	1183
Germans	881	4487

The total number of emigrants arrived in Canada this year up to June 9th—including those who arrived at Quebec—those who arrived at the Suspension Bridge and those who arrived in steamers from American ports on Lake Ontario—estimated by Mr. Hawke at 7,000—appears to be:—

Via Quebec	11096
" Suspension Bridge	11261
" Ports on Lake Ontario	750
	23108
Left for the States	11262
Actual settlers in Canada	11747

So far the emigrants exceed that of any year since 1847, and the emigrants are, in general character and means superior to those of any preceding year. Of the English and Scotch a large proportion were respectable farmers, apparently in comfortable circumstances, and their destination Canada West, where many have friends; fully 5 6ths of the English and Scotch remain in Canada. 1-3rds of the Irish have gone to the United States. About 400 Germans, with means, have remained in Canada.—*Leader.*
