Getting the point about flu prevention

Young's Pharmacy and Homecare pharmacist Heather Sproule (left) was the first in line for a flu shot as pharmacist Connie Judge prepared to administer the vaccine. In addition to the Registered Nurses at Young's, Ontario pharmacists are now authorized to administer flu shots, so anyone wanting a flu shot can call Young's Pharmacy at 905-877-2711 to book an appointment. There will be openings October 24, 11 a.m. to 4 p.m., October 29, 10 a.m. to 8 p.m., and Nov 4-7 from 10 a.m. to 8 p.m. Nov 13-14 and Nov. 19-20, they will be available from 10 a.m. to 7 p.m. Halton Region also began its flu clinics this week. The next one will be on Wednesday, Oct. 30, 4-8 p.m. at St. Catherine of Alexandria School. For dates and locations visit www.halton.ca/flu, or dial 311.
