Markham.

From the Economist

FARMER'S CLUB.—The annual meeting of the Farmer's Club will be held at the Wellington Hotel, Markham, on February, the 3rd prox., at 10 o'clock a.m. Dinner at 2 p.m.

HEAVY LOSS.—Mr George Bell, of the Township of Oro, and late of Markham had two excellent horses killed by the falling of a tree on the 8th inst. It appears that he was drawing cordwood, and as he was driving along the road a tree fell across their backs killing them instantly. It was fortunate that he escaped.

PATTERSON'S MONTHLY SALE.—A monthly sale will be held at the Franklin Hotel, Markham, on Saturday, Feb 7th. Parties having stock, &c., to sell will find this a excellent opportunity, and should make their entries with W H Hall at once, in order to have them on the catalogues. A large number of buyers have intimated their intention to be present.

TOWNSHIP AGRICULTURAL SOCIETIES.—Markham Township Agricultural Society's officers elected for the current year are: W C Lundy, President; Jno. Gormely, Vice-Pres; William Braithwaite, Sec.-Treas; Messrs. Wm Robinson, Foster Hemmingway, Thomas French, Hector Thomson, Anthony Forster, Wm Brown and John Padget, Directors; C H Chant and H R Corson, Auditors. Scarboro Township Agricultural Society's officers elected for the current year are: David Johnston, President; Jas Carnaghan, Vice-President, John Crawford, Sec-Treas.; Messrs. John Little, Jas Humphery, William Westney, Alfred Mason, Isaac Thomson and John Neilson, jr., Directors; J. P. Wheler and Richard Skelton, Auditors.

At the meeting of the Toronto Presbytery on Tuesday of last week, Rev Mr McIntosh, of Unionville, made a statement concerning a change in his station at Brown's Corners and Unionville. Instead of holding a weekly service at the last named place, he had arranged for alternate services at both places, which would have the effect, he thought, of building up the Brown's corners. They had bought a church at Unionville, and there was every prospect of the congregation being a success. He asked for the Presbytery's concurrence in the change. The Presbytery concurred.

MARKHAM VIGILANT ASSOCIATION.—At the annual meeting of the society for the apprehension and conviction of felons, held at the Franklin hall, on the 10th inst., the following officers were elected: President, George Digby, re-elected; Vice-Pres., T W Robson; Treas., Geo Morgan, re-elected; Sec., W H Hall, re-elected; Executive Committee—R G Armstrong, Robt Armstrong, Robt Anthony, James Speight, James Robinson, John C Taylor, Morty Gleeson, Hugh McDonald and Chas S Carleton.

NEWMBRKET.

From the Reformer.

CONFIRMATION SERVICES.—On Monday last a number of candidates were confirmed at the English Church in this village. The Rev Bishop Sweetnam was present and administered the ordinance, after which he delivered an able and impressive discourse. His Lordship remained in Newmarket over night, in order to be present at the entertainment in the evening.

HIGH SCHOOL.—We understand the attendance at the Newmarket High School in this place is very large this winter. On Monday last the total number reached seventy; a sufficiently large school to tax the powers of two teachers to their utmost extent. Everything seems to be in a very satisfactory condition, and the scholars and the new teachers work together in the utmost harmony.

ACCIDENT.—On Friday night last the wife of Mr Clark Hanmer, of this village, had the misfortune to fall down stairs, the result of which was to dislocate her collar bone and otherwise injure her. Dr Widdifield was at once sent for, but not having returned from the Legislature, Dr Rogers was called in and attended to her injuries. We are glad to hear she is doing well.

A GENIUS.—On Tuesday evening of last week, a strange looking individual took up his position opposite Hewitt's hotel, lit up a spirit lamp, and proceeded to harangue the passers-by. With the assistance of a banjo, and an extraordinary strong voice, he soon succeeded in gathering a crowd, which cheered him, or laughed at him, as the exigencies of the moment called for. He professed to cure deafness, and carried all sorts of Indian decoctions and other nostrums, but the people of the village did not seem to appreciate him.

ACCIDENT.—A young man named Squires had two fingers sawn to atoms by a circular saw, at Cane's factory on Tuesday of last week. The doctor dressed the wounded hand, but the fingers are spoiled for ever.

ENTERTAINMENT.—The friends in connection with the English Church in this village, held a very interesting entertainment in the Hall on Monday evening of last week, consisting of singing, readings, and four very interesting tableaux. The hall was well filled, about four hundred persons being present. The singing, and instrumental music was very good, both by our local performers and those from a distance. An address to the Bishop, read by the Rev Mr Owen, and the reply by his Lordship concluded the entertainment which was a decided success.

A Mr Neil McMillian, at one time a resident of this place, was married in New Lowell on New Year's day, after which himself and bride drove to Angus and joined in dance which was being held in that village. In the evening they returned to New Lowell, and attended a ball in that village. They did not leave the ball-room till nearly two o'clock, at which hour they retired. About five o'clock Friday morning the young woman awoke suffering excrutiating pain, A doctor was at once called, and on his arrival declared that nothing could be done to save her life. She lingered all through Friday and Friday night and the next morning expired. It appears that inflammation was the cause of her death. The Rev Mr McGee, of Angus, performed the marriage ceremony for the twain on Thursday and pronounced them man and wife, and on Sabbath following conducted the funeral service over the unfortunate woman.—STAYNER SUN.

THE GREATEST WONDER OF MODERN TIMES.

HOLLOWAY'S PILLS & OINTMENT

The Pills purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all complaints incidental to Females.

The Ointment is the only reliable remedy for Bad Legs, Old Wounds, Sores and Ulcers of however long standing. For Bronchitis, Diptheria, Coughs, Colds, Gout, Rheumatism, and all Skin Diseases it has no equal.

BEWARE OF
NEW YORK COUNTERFEITS.

I most respectfully take leave to call the attention of the Public generally to the fact, that certain Houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.

I do not allow my medicine to be sold in any part of the United States. I have no agents there. My medicines are only made by me at 533, Oxford Street, London

In the books of directions affixed to the spurious make is a caution warning the Public against being deceived by counterfeits. Do not be misled by this audacious trick, as they are the counterfeits they pretend to denounce.

These counterfeits are purchased by unprincipled Vendors at one-half the price of my Pills and Ointment, and are sold to you as my genuine Medicines

I most earnestly appeal to that sense of justice which I feel sure I may venture upon asking from all honorable persons, to assist me, and the Public, as far as may lie in their power, in denouncing this shameful Fraud.

Each Pot and Box of the Genuine Medicines bears the British Government Stamp, with the words "HOLLOWAY'S PILLS AND OINTMENT LONDON," engraved thereon. On the label is the address, 533, OXFORD STREET, LONDON, where alone they are Manufactured.

Holloway's Pills and Ointments bearing any other address are counterfeits

The Trade Marks of these Medicines are registered in Ottawa. Hence, any one throughout the British Possessions, who may keep the American Counterfeits for sale, will be prosecuted

LAW CONCERNING NEWSPAPERS

1. Any person who takes a paper regularly from a post office, whether directed in his name or another's, or whether he has subscribed or not, is responsible for payment.

2. If a person orders his paper discontinued he must pay all arrears, or the publishers may continue to send it until payment is made, and then collect the whole amount, whether the paper is taken from the office or not.
