FUNERAL OF A YORK PIONEER—On Thursday afternoon the remains of the late Major John Paul, of Weston, were laid to rest in the beautiful burying ground of the Methodists at Weston. Mr. Paul was 85 years of age, and was widely known and respected by all who had the pleasure of his acquaintance. Consequently there was a very large and representative gathering at the funeral. The deceased gentleman was for many years a member of the York Pioneers and the local and city members of the society attended in large numbers at the funeral, The funeral service was conducted by Rev. Mr. Pirritte and Rev. Mr. Largo, Methodists, and Rev. Mr. Reid, Presbyterian. He was a subscriber to the Herald for many years and an admirer of Sir John Macdonald.

A MAGNIFICENT pile of meltons and other dress goods at the Fire Proof, cheap and good.

SOUTH YORK TEACHERS.-The fourth half-yearly meeting of the South York teachers' Institute will be held in the Model School, at Parkdale, on the 25th and 26th inst. On the first evening there will be a session devoted principally to amusement, which will include a lecture by Rev. Professor Clark, of Trinity College.

TORONTO ASSESSMENT.—The Assessors of Toronto have completed their labors, and the total assessment amounts to $113,060,627, as compared with $98,296,901 for last year, showing an increase of $14,762,726. The population of the city, according to the assessors, is 138,297, an increase of 12,110 during the year.

WE WILL take subscriptions for the Daily Empire by the month, quarter or year, payable in advance

ASSIZES.—The Criminal Assizes are on at Toronto. We notice the following names among the grand jury:—Mr. G. R. Vanzant, Markham Village, (Foreman), Mr. Alex, Marsh, Richmond Hill, Mr. Edward Sanderson, Markham Township, Messrs. Simon Miller and James Humphrey, Jr., Scarboro, and Mr. Thos. Loyd, Whitchurch.

ATKINSON of the Concrete would be pleased to show everybody through his immense and well assorted stock of Winter and Fall Goods,

TYPHOID FEVER.—In speaking of typhoid fever the York Citizen says: "There is sufficient of the article located at the Don bridge on Queen street to supply the whole of Canada. The stench while passing over the bridge is something dreadful, and if it is not seen to at once by the Health authorities there is no telling what the results may be"

THE tweeds, shirtings, coatings, panting and overcoatings are going out at an astonishingly rapid rate for which the Concrete is grateful. Call and examine.

JUBILEE ANNIVERSARY—The Salem appointment on the Brampton East Circuit will D. V. hold the fiftieth Sunday School Anniversary on Sunday, 13th inst. Sermons will be preached at 10.30 a m. by the Rev. Jos. Wilson, B. A., of Weston, and at 6.30 by the Rev. G. N. Rutledge, of Richmond Hill. Both these young men were scholars and teachers in the school.—Conservator.

BIG POTATOES—We notice that some of the storekeepers near here have adopted a good plan for getting potatoes this winter. They advertise that they will give one pound of first-class tea, to the person who brings them the largest potato before a given date, the result is, some of them have received several bushels of fine potatoes. One man says he "don't think he will have to buy any now."

MECHANICS' INSTITUTE ENTERTAINMENT.—The Directors of the Mechanics' Institute have engaged Mr Will E. Burgess, Canada's young Monological Entertainer, Imitator, Ventriloquist and Elocutionist, to give his popular entertainment "Merry Moments" in the Masonic Hall, on Monday evening, 15th inst. The programme is a good one and we are sure our citizens will have a treat next Monday night. The press speak very highly of him and we hope he will have a large audience here as elsewhere. Admission, non-members 15c, children 10c, members free.

WIDE AWAKE.—A glance through the pages of Wide Awake for October gives one the feeling that the editors are very "wide awake" indeed, in securing the best work of authors and artists for the pleasure of young people. The instructive articles are spiced with entertainment, and the purely amusing or entertaining stories and poems serve their special purpose admirably. The historical paper on the home life and heart traits of Daniel Webster tells a great deal about him that very few people know. George Parsons Lathrop has a droll dog story "Puck and Puppypult." Miss Seward's article, "A Dogocracy," is descriptive of the strange dog communities existing in Constantinople. The Webster and "Dogocracy" articles alone are worth the price of the number, if looked at merely as furnishing fresh material for supplementary reading in our schools. Such subjects appeal to a pupil's intelligence and at the same time are as entertaining as a story. The two serials are nearing the end, increasing in interest. Edward E. Hale's "Story of Boston Common" is completed with his description of it as a pleasure ground. The poems, together, with several stories and articles, complete an altogether delightful issue. Wide Awake is $2.40 a year. A great deal for a little money. D. Lothrop Company Boston. Send five cents for a specimen.

Father Teefy's Return.

There arrived at Toronto on Thursday from England, in the person of Rev. Father Teefy, of the Basilian Order, a man who is most favorably thought of, not only in Catholic circles, where he has gained a great reputation as a speaker, but also among University men, with whom he is very popular, having once been the President of the Toronto University Scientific and Literary Society. Two and a half years ago Father Teefy, who had occupied a professoriate chair in St. Michael's College, was removed to Plymouth, England, where he continued his work as a professor in the College of Mary the Immaculate. He has been removed to Toronto, where his many friends will be able to greet him again at St. Michael's College. During his vacations abroad Father Teefy visited Rome and toured through many European countries. Shortly after reaching Toronto he came out to Richmond Hill to visit his parents, with whom he remained until Monday. Torontonians may shortly expect to hear him preach from the pulpit of St. Basil's.—World.

Markham Exhibition.

The thirty-sixth annual exhibition of the East Riding of York Agricultural Society, which was held in Markham Village on Wednesday, Thursday and Friday, Oct. 3rd, 4th and 5th, was the best the society ever held. The show of stock was much larger than that of former years, especially in horses, and attracted considerable attention from the mass of people which visited the fair. Among the exhibitors in horses we noticed Graham Bros., importers, of Claremont, who had a large exhibit and succeeded in carrying off first prize in every class they exhibited. W. & A. Wright, Richmond Hill, also won several prizes on their horses. In sheep, R. Marsh, T. F. Boynton, Geo. Weldrick, and E. Sanderson were the principal prize winners.

The implement department was well filled with the latest improved machinery. Grain, roots, vegetables, etc., were exceptionally good this year and were much admired by all. The Hall was crowded with all kinds of ladies' fancy work, fruit, preserves, and cookery, as well as a fine selection of oil paintings, crayons, and photos.

The special attractions were good and consisted of the renowned Acrobats, Simcoe Bros., a grand display of fireworks and grounds lit up with electric light Thursday night, and a grand parade of prize animals on Friday afternoon. Music was furnished by a first-class brass band and added much to the enjoyment of all.

The Committee of Management spared no pains to make the fair a success and we think they deserve great praise for the way everything passed of. Next week we will give the official list of prize winners.

Fire Brigade Meeting

The Richmond Hill Fire Brigade met in the Fire Hall, on Friday evening, the 5th Oct., 1888.

Members present:—Lieut. Savage in the chair; Messrs. B. Redditt, G. Trench, Jay Sanderson, C. Sheppard, Brownlee, King, Crossman, Garbutt, Glass, C. Wiley, Morrison, Sharpe, W. Wiley, T. Trench, Kelly, McLean, A. Wright, C. Wright. McMahon, Atkinson, Brown, Trevethan, Gaby and T. Powell.

The minutes of last meeting, as taken from the rough book, were read and confirmed.

In reference to getting a book of instructions in Firemen's Fancy Drill, Foreman Redditt reported that he had made inquiries in the city, but was unable to procure the book. He said he would endeavor to get particulars before the next meeting.

A discussion then took place relative to the working of the Band, as in consequence of two of the members having been expelled from the Brigade for non-attendance at the meetings, the Band had ceased practising.

Fireman Sharpe said it was difficult for certain members of the Band to attend fire practices and business meetings.

It was pointed out that it was necessary for every member of the Brigade to attend at least one meeting during the quarter.

Mr. T. Powell being present it was finally moved by Fireman Sheppard, seconded by Fireman Sharpe, that Mr. Powell be reinstated a member of this Brigade, on condition that he complies with the provisions of the By-Law.—Carried.

Lieut. Savage, reported that the expenditure for the Firemen's Picnic, held at Bond's Lake, was $18.67, there had been received as donations $15.00, leaving $3.67 to be raised by the Brigade.

On motion of Fireman A. Wright, seconded by Fireman Sharpe, the report was adopted.

The meeting then adjourned.

A Severe Attack.

Miss Bella Elliot, of Pontypool, Ont., writes—"My brother and I were both taken ill with a severe attack of diarrhœa, having tried other remedies, we tried Dr. Fowler's Extract of Wild Strawberry, which gave immediate relief."

Constipation

is nearly always induced by neglecting to keep the bowels regular, and is also a frequent sequel to dyspepsia or indigestion. Regulate the stomach and bowels by using Burdock Blood Bitters, which is certain to promptly relieve and ultimately cure the worst cases of constipation.

A Good Neighbor.

"Late last fall I was laid up in bed three days with a severe attack of diarrhœea and vomiting. Nothing benefited me until my neighbor, Mrs. Dunning, recommended Dr Fowler's Extract of Wild Strawberry, and brought me a half bottle, which she had in her house. In three hours the vomiting was stopped, and I was able to sit up by night. I would not now think of using any other medicine." Columbus Hopkins, Hamilton, Ont.
