RICHMOND HILL, Thursday, Aug. 4, '92

LOCALS.

Richmond Lodge, No. 23, G. R. C., meets next Monday evening, the 8th inst.

Fruit Jars all sizes at the Concrete at lowest prices.

Vaughan Council will meet at the Town Hall, Vellore, on Tuesday next, the 9th of August, at 2 p. m.

We are unable to insert Rev. J. C. Speer's second letter on "A run to the Rockies" this week. It will appear in our next.

Quarterly services in connection with the Richmond Hill circuit will be held in the Methodist Church, Victoria Square, next Sabbath, commencing at 10.30 a. m. In consequence of the above no service will be held here on Sunday morning.

Try Concrete House Baking Powder. It is extra good in pound cans at 20 cents.

No smoker who has ever used the Myrtle Navy tobacco for, say a month, ever relinquishes it for any other brand. Its flavor is rich and full, and it never burns the tongue or parches the palate. It is in fact, the *ne plus ultra* of smoking tobacco.

28 lbs. Golden Yellow Sugar for $1.00; 22 lbs. Granulated Sugar for $1.00 at the Concrete.

Quarterly meeting in connection with the Maple Methodist Church will be held in Rumble's Grove, east of the railroad, on Sunday next, the 7th inst. Rev. J. M. Simpson, of Claremont, will preach at 10.30 a. m. and 6.30 p. m., and Rev. J. C. Speer and J. H. Oliver will have charge of the afternoon meeting which begins at 2.30.

Civil treatment is what every customer at the Concrete is sure to receive. Honest prices, prompt service.

A circular sent out recently by the Educational Department states that "One hour each week must now be employed in teaching Temperance and Hygiene in every public school," and that the Inspectors are requested to see that these regulations are carried out.

"Have you any more of that 30c. Black Tea," "I don't want a better Tea than your 30c. Tea," are statements frequently made by customers at the Concrete.

Mr. J. E. Hollingshead, of Newmarket, D. C. R. for York District, A. O. F., paid an official visit to Court Richmond, No. 7046, on Friday evening. The work of the newly appointed officers was sharply criticised, but in a friendly and brotherly spirit. At the close of the meeting the superior officer received a Vote of Thanks from the brethren for the instruction given them.

First to Finish.

Farmer Moodie, of the British Flag-Staff, is the first in this section to finish harvest and threshing. Having hauled his fall wheat, and built it into a neat Scotch stack, he engaged thresher Sliney and threshed out the grain last evening after half past six o'clock. The work was done in one hour, the yield being 36 bushels. There was no scarcity of help.

"We are the People."

If any person has a doubt about the importance of Richmond Hill, its churches, public institutions, hotels or business men, let him read the glowing account in the last issue of The Saturday Ledger, as written by that journal's own correspondent. It should convince the most skeptical that "we are the people."

Promptly Paid.

Mr. Joseph Powell, who had a horse killed by lightning a couple of weeks ago, has been handed a cheque, through Mr. B. Redditt, the local agent here, for the full amount of the insurance. It would be well for farmers generally if they would take a cue from Mr. Powell and keep their stock insured as well as their buildings. Farmers often suffer loss by having no insurance on their stock.

A very pleasant time was spent at the Raspberry Festival on Saturday evening, in connection with the Ladies' Auxiliary of the Presbyterian Church. About $23 was realized.

Oh, What a Cough.

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails.

3-12-6m.

F. Lazarus' and B. Laurance's spectacles and eye-glasses from 25 cents up to $2.50 at THE LIBERAL store.

Ready for Business.

Mr. N. Sliney is now prepared to commence this season's threshing. To meet the requirements of his patrons he will have running two machines, both of which are in first-class condition. A skilled workman from a Hamilton firm has overhauled the machines and put in this year's improvements, and Nich is now ready to make things "hum." With the heavy crop in this section a big season's work is expected.

What is Dandruff.

A disease of the scalp that causes falling of the hair, fading of the hair, in fact, death of the hair. It irritates the scalp and causes scales and eczematic eruptions—produces baldness. Bear in mind that Anti-Dandruff removes dandruff with three applications—stops falling and restores fading hair to its original color. Sold by druggists at 75 cents per bottle.

Hose Practice.

The Fire Brigade, having decided to send a hose team to the Niagara Falls tournament, which opens on the 16th of this month, the latter are spending their leisure time in the evenings practising for the event. The race is, run 200 yards to hydrant, attach hose to hydrant, lay out 300 feet of hose, break coupling and put on branch, reel to carry 350 feet of hose. The best time made so far is one minute, but the boys expect to bring the time down considerably before the tournament takes place.

Hotel Licenses.

The West York License Commissioners met on Tuesday of last week at the Tribune office, Toronto Junction. Present: Commissioners Golding (chairman), Wallis and Rice and Inspector Willcock—a full board. Licenses were granted for the balance of the license year to C. Sinclair and John Shean, of Etobicoke, and Peter Doyle, of Vaughan. Harry Houghton, of Mimico, was present to explain charges preferred against him in a letter read at the last meeting of the Board. The letter is signed on behalf of the Sons of Temperance Lodge and expresses the suspicions of the members that Mr. Houghton does not strictly enforce the law. No specific charge was made but the letter stated that a man was seen coming out of the hotel on Sunday carrying a suspicious looking parcel. Mr. Houghton maintained that he had never violated the law, stating that he had even refused a lady and gentleman a drink of lemonade on Sunday, so anxious was he to avoid even the appearance of evil.

School Opening.

The new brick school house of U. S. S. No. 2 V. and M., will be opened for the first time on August 12th, 1892, by a concert to be given by the young people of Langstaff, aided by friends from Toronto and Thornhill. The concert will consist of singing by the school children, Mr. W. H. Bates, Toronto, and others; also a German song by a friend from Thornhill. Music on the violin and accordion by Miss Flora Langstaff, Thornhill. Comic readings, dialogues, and recitations, by the Misses Stokes, Toronto, and others who have promised to be present. Speeches will be given by the Rev. Mr. Edwards, of Thornhill, old settlers and the trustees. Proceeds in aid of organ fund for the school. The Lake Magazine for August.

The first number has been issued of a new high-class Canadian magazine, published by The Lake Publishing Company of Toronto. In its chaste and elegant appearance it rivals the best of its American contemporaries, while in the character and popular interest of its contents it scores a decided success. The magazine is devoted to politics, science and general literature, and purposes filling in some measure, in the discussion of public questions, the place filled in Britain and the United States by the leading reviews of these countries. The great portion of the magazine will, however, be given to articles, fiction and poetry, similar in kind to the contents of the best literary monthlies. The political articles will be contributed by leading statesmen and writers of both political parties, and appearing under the names of the individual writers as full and exhaustive discussions of timely topics of public concern, will possess unusual interest and value; in fact no intelligent student of political affairs can afford to neglect reading them. In the present number are articles on Canada and Imperial Federation, Edward Blake and Ireland, a Cheap and Simple Franchise, from the pens of leading Canadian journalists, and also articles on The Land of Manana, A Canadian Literature, Second-Sight Along The Wires, Art in Canada To-day, The Doctrine of Handicaps—all interesting and well written. Two stories and two poems of superior merit, in addition to a number of illustrations complete the list of contents.
