Mrs. Ross Kerwin and children Judy and Stephen returned home last Tuesday after a pleasant summer spent at Big Bay Point.

Mrs. W. A. S. Porter, Jefferson, has returned home from a ten-day visit in New York City.

Miss Emily Colborne renewed old acquaintances during her recent stay in this community.

Peter Miller, who flew home by 'plane from Ottawa last Thursday, will have many interesting things to tell his schoolmates about the camping trip he enjoyed this summer with his parents, Mr. and Mrs. Dickson Miller and his brother Bruce and sister Marney.

The Miller family spent four wonderful weeks in northern Ontario, returning home via Ottawa, where they left Peter at the home of his uncle, Mr. A. L. Mansfield, Meadowbank Farm, Ottawa.

During their camping trip the Millers visited the Bruce Peninsula and spent two weeks on Manitoulin Island. Going on to Little Current, where they had a cabin, they met the Carson Whalens ,who were also on holiday, and spent several days in their company.

They visited Mattawa and the Land of Lakes, spending some time with an uncle of Mr. Miller, Mr. S. J. Mansfield.

Mr. and Mrs. E. Sprague, Elgin Mills entertained Mr. and Mrs. Al. Coupland from Warren, Ohio, last week. During Mr. and Mrs. Sprague's stay in Florida last winter they stayed at the home of Mr. Coupland, who is a cousin of Mr. Sprague.

Owing to the inclement weather, there was a very poor turnout at the Mothers' Auxiliary meeting held at the home of Mrs. Jack Hall on Tuesday evening of last week.

However, those present got right down to business and plans for the fall and winter season were arranged.

The next general meeting will be held on Tuesday, November 16.

The Auxiliary welcomes a new member, Mrs. E. S. Anderson, of Elgin Mills, who joined the group last week.

J.S.C.C. Ladies Meeting

We had a preview of the beautiful quilt the ladies of the Jefferson School Community Club are working on for their bazaar on November 6, at the meeting held at the home of Mrs. Edwin Gamble, Elgin Mills, last Wednesday.

Mrs. Stanley Leno announced tickets for this lovely quilt, which shows the authentic provincial flowers of Canada, will be 10c ea. or 3 for 25c, and will be available very shortly.

There were many articles of sewing turned in at last week's meeting by some of the 26 ladies present and this year's bazaar promises to be bigger and better than ever.

The next meeting for bazaar workers will be held at the home of Mrs. Dickson Miller, Jefferson, on Wednesday evening, September 29.

From The Mail Bag

We received a card from Mrs. J. Bayley, Elgin Mills, last week, post-marked Paris. Mrs. Bayley says they are having a wonderful trip. After flying to Ireland from England they went on to Paris where they admired that great piece of architecture the Eiffel Tower, also the Champs Elysees.

Mr. and Mrs. A. Kirkpatrick and children have moved to Richmond Hill from the Gamble Sideroad.

Mr. and Mrs. A. Love and family are moving to Richmond Hill from the Summit, next week.

Mr. and Mrs. W. Moses are now living in Newmarket.

A Bank is useful in so many ways...

At a bank, you can keep important papers and other valuables in a private safety deposit box.

Travellers Cheques and Letters of Credit provide a safe, handy source of funds when you travel.

A bank helps you do business at a distance; sells exchange, transfers funds, makes collections.

A bank is much more than just a place to cash a cheque or deposit your savings. The many services it provides are designed to help you handle money matters more simply, safely, easily. You will find bank people courteous and efficient in handling routine banking matters and helpful, too, when unusual problems arise. Don't hesitate to "see the bank about it."
