We Need Volunteers!

Hayden's Re-Bicycling was founded in 2010 by Hayden Downes-Mills at the age of 9. With a team of volunteers, we recycle bikes & give them away for free to those who cannot afford one! We've given away over 500 bikes in 3 years! This year we need some help! All volunteers that come out to lend a hand with fixing bikes, stripping for parts, washing bikes, organizing parts & inventory, will be given a 10% off card for Hungry Hollow Smoke House and be entered in a draw to win a free meal. A big thank you to Leferink Transfer Services, Georgetown Krown Rust Control & Innovative Steel Systems Inc, The Optimist Club and Hungry Hollow for their continuous support. Thank you to our volunteers both past and present, Steven Cochrane, Ryan Colwell, Phil Cross, Leah Hurst Lywood, Matt & Lauren Sykes, Chris Lahue, Katie Sirois, Len Bartlett, The Turcotte Family, Clay & Nancy Downes, Ben Bieber, Allison Haid, Shawn & Sarah Doherty, Don, Linda & Bruce Fendley, Amy Storie, Scott Smith, Victoria Sullivan, Derek Guest, John Gilmour, Jennifer Ying, & Paul and everyone who has donated their old bikes to our cause throughout the years. Without volunteers like you, the program wouldn't work.
