

MIKE SALMON

PINT & PADDLE

For Mike Salmon it's all about being hyper-local. The owner of The Pint & Paddle- Canadian Bistro (formerly The Stuffed Olive- Wood Oven & Taps), says that Halton Hills has a small-town feel where "it feels as though everyone is your neighbour."

The self-described "happiness facilitator" therefore feels it only makes sense for his full-service, licensed restaurant to use local products.

"The Pint & Paddle uses locally sourced ingredients wherever possible," says Mike. "We have 12 lines of Ontario-crafted draught beers, as well as a great selection of Ontario VQA wines. Our Gourmet Burgers (available gluten-free) use local elk, bison, beef, and chicken. Our baked goods and available produce are also local. We believe that fresh tastes best."

Mike, who began his career in the restaurant industry 24 years ago, says, "We encourage people from Halton Hills and beyond to sample some of the wonderful products that are grown and made in the area. From the perspective of sustaining our local economy and our local (as well as global) environment, it's the right thing to do." Visit The Pint & Paddle today for food less travelled – more tasty!

PATRICK STOUTE, ANNA GARRON, ALEX EDWARDO

Culligan

Knowing they are providing their clients with great water is the greatest joy for Culligan Water consultants Patrick Stoute, Alex Edwardo and Anna Garron.

Between them they have 25 years experience for the company, which has been around for more than 75 years.

Culligan provides water treatment equipment (water softeners, drinking water systems, whole home filters) for residential, commercial, and industrial customers. They also provide filtered bottled water, filtered water refill stations, and water softener salt delivery.

The trio appreciates the small-town feel of Halton Hills and has been servicing the area for more than 40 years. They have won the Independent & Free Press' Readers' Choice award for best water treatment service for the past four years.

"We like the fact that we are able to help customers provide their families with great water to use throughout the home. It feels good to know that you helped someone improve the quality of their water."

LYNNE GRAVELLE

Bare Image Electrolysis & Laser Inc.

Lynne Gravelle has been helping the people of Halton Hills look and feel better since 1999. Lynne, a certified electrologist and laser technician, is the owner and operator of Bare Image Electrolysis and Laser Inc. in downtown Georgetown. As the name suggests, Bare Image offers electrolysis and laser treatments to permanently remove unwanted body hair.

Electrolysis, which takes between six months and a year and half to complete, involves sending a small electric current into the hair follicle to permanently destroy the root. Laser hair removal, which usually requires between four and six treatments to take effect, uses a laser to destroy or impede several hair follicles at a time.

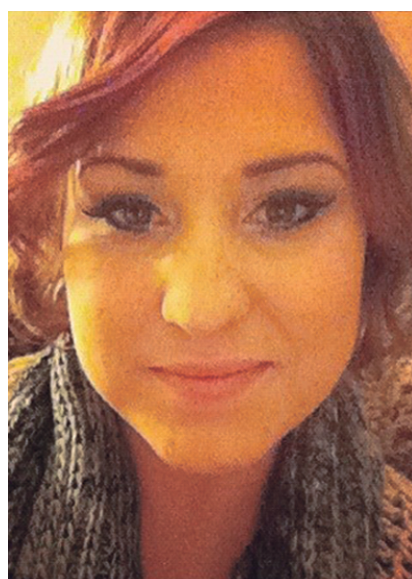

Lynne got started in the field after having permanent hair removal done herself. She had such a positive experience that she enrolled in the Electrolysis College of Canada and became a certified electrologist and laser technician. She then opened her business and has been helping the people of Halton Hills ever since.

"I like making people feel good about themselves by getting rid of the stuff they hate," Lynne says. "Women and men are so busy. I give them one less thing to worry about."

Bare Image has recently moved to a new location.

LIANE & PAM

Creature Comfort

For Pam Skorulski, owner of Creature Comfort Company in downtown Georgetown, going to work each day is like going to a "second home".

"It is a truly relaxing and fun atmosphere and I'm very lucky to have two great staff who help me run the store," says Pam. "I really enjoy meeting lots of wonderful people who are passionate and caring about their pets."

Ironically, Pam was a longtime customer of the 17-year-old business before taking ownership last month.

"We sell high quality dog and cat food along with other pet accessories such as coats, toys, treats leashes and collars. We also sell high quality bird seed and feeders and have a wonderful assortment of greeting cards and other unique gift ware," she says.

Pam spent the first 10 years of her career in the animal care field before switching professions. She's now glad to be back in the pet world "where my passion lies".

"Living in Terra Cotta I have been shopping in Georgetown for over 20 years and I have always believed in supporting local businesses who are owned or operated by wonderful people and now I am lucky enough to be part of this community."

GLEN DEAN & JAMIE WATT

Carpet Barn

This family operated company has been serving the community for over 30 years providing superior products with even more superior service. With their impressive selection of products it's never been easier to get the look you want in the flooring you need. Flooring options range from the more traditional Carpet, Wood and Ceramics to the more modern Cork, Linoleum and laminates. With a strong commitment to their customers and the community it's no surprise they have been awarded the Readers Choice award year after year by the residents of Halton Hills. Visit Carpet Barn and discover for yourself the great quality product and service they offer.
