Miners Win Exciting Game From the Papermakers, 5-3

TIMMINS PUT OVER THREE RUNS IN THIRD INNINGS, AND TWO MORE IN THE EIGHTH. SCULLY AND MURPHY FIELD IN SENSATIONAL STYLE.

(By J. N. Levine)

Timmins stepped into the league leadership of the N.O.B.A., when they defeated Iroquois Falls in their own back yard in one of the most exciting games of the season on Saturday last.

The Miners started in to pound the offerings of Lefty Hurlbert quite early in the fray when Murphy reached 1st on a fumble by Bousquet, and Johnny Monaghan celebrated Murphy's good fortune by slamming out a wicked double to left which opened the scoring for Timmins. McLean then came through with a slashing hit which was good for two bases and he scored on Pierce's single to right.

The Papermakers tied up the score in their half of the 7th when they registered a trio of runs on 5 hits and an error. Scully and Pierce came through with singles in the 8th and when Tate and McGrath failed to connect safely, Old Pop McIntyre obliged like the reliable old boy that he is, and came through with a single which enabled Scully and Pierce to cross the plate with the winning runs. McIntyre also caught a perfect game and the opposing base-runners respected his arm.

Scully provided the fielding features of the day when he robbed Gauthier and Gratton of hits by spearing their liners with the gloved hand and also came in back of 2nd for another very nice play which drew the applause of the fans.

Murphy accepted eight chances in perfect style and came through with a double and pilfered a bag to top off a good day's work. McLean is as brilliant as ever and is apparently out of his batting slump. His double to centre was the longest hit on the Papermakers' ground.

McConnell started on the mound for the Miners and allowed but 2 hits up to the 7th and only the sensational fielding and support of his team mates kept the Papermakers from scoring in the earlier innings.

With two down in the seventh, Tate took up the mound duties and walked Bousquet and fanned Coons for the 3rd out, but Tate's arm was not in shape to continue and McGrath took up the slab work in the 8th. Bart, the 1st man up, shot one of McGrath's slants back at him which caught him on the adams apple, and he later gamely continued and retired the side without being scored upon.

The game was called in the 1st half of the 9th to allow the Timmins players to make train connections.

The Miners had already scored four runs and the bags were filled with only one out when the game was called.

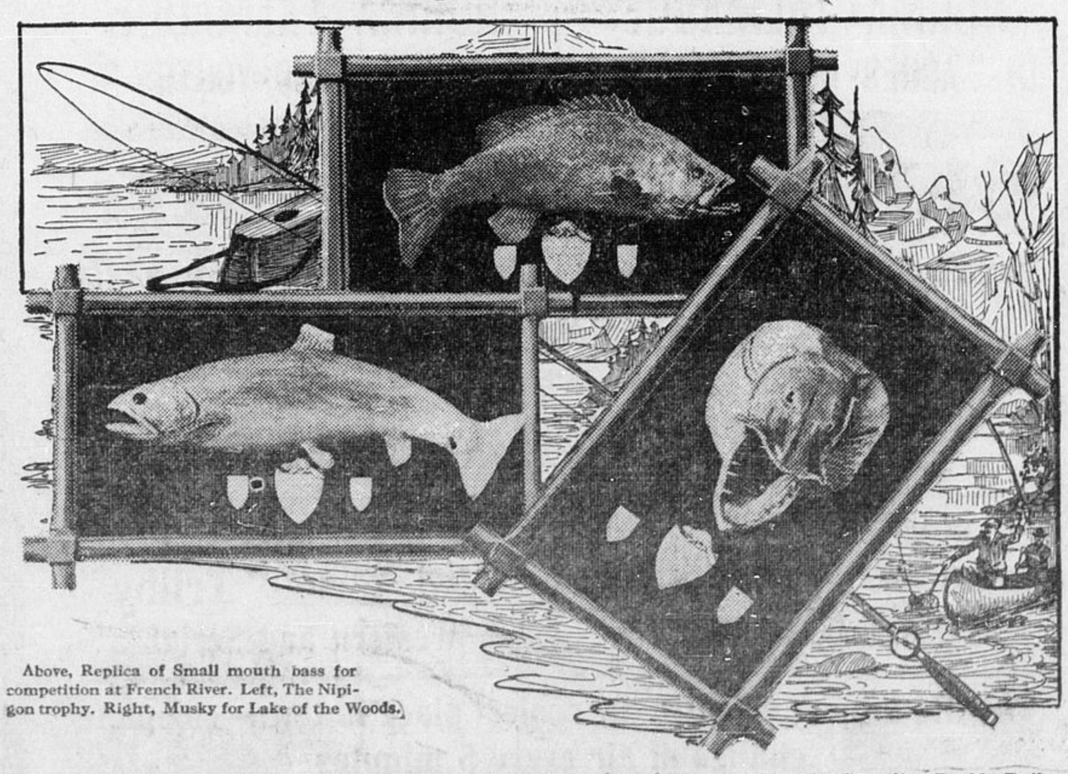
Striking Fish Trophies



Above, Replica of Small mouth bass for competition at French River. Left, The Nipigon trophy. Right, Musky for Lake of the Woods.

These three handsome trophies of unusual and striking design have been offered by the Canadian Pacific Railway for annual competition between guests at each of its three Ontario Bungalow Camps and will be awarded to angler catching largest fish of specified variety in each case.

The trophies have been prepared from exact moulds made of exceptional specimens of fish and, with white metal as a base underneath a dull silver finish, faithful and lifelike facsimiles have resulted. They are displayed to advantage on a black oak panel

For French River Bungalow Camp a 6½ pound small mouth bass has been reproduced; while the trophy for the Camp at Nipigon is a replica of a 6¼ pound speckled trout. A feature of the Devil's Gap Camp (Lake of the Woods) trophy is the realistic and fierce expression of the head of a large muscalunge. with its bristling array of teeth.

It is expected that these trophies will create wide-spread interest and keen rivalry among anglers from all over the continent.
