

Discover China 2013 with the **HALTON HILLS** Chamber of Commerce and **Pure Magic** vacations.ca

The China trip took place earlier this month and was an overwhelming success. 54 people from Halton hills and surrounding areas came together and experienced one of the worlds earliest civilizations.

"My husband Brian & I loved the experience of our recent trip to China with the Halton Hills Chamber of Commerce. The history and culture is amazing."
-Mandy Armstrong Rogers

"China was an amazing and interesting place to visit. It was a pleasure to share this experience with this very fun group of people. A good traveller travels with their eyes wide open and sees well below the surface. China is even more interesting the deeper you look."
-Cathy & Marcus, Artcast Inc.

"I learned so much - what an amazing experience!"
- Cindi Campbell
