Toastmasters Club to host Open House Nov. 4

By **PATRICIA JAMES**
Halton Hills Toastmasters Club

Looking to improve your communication skills? Leadership skills? Confidence? Toastmasters is the answer.

Halton Hills Toastmasters is celebrating its 30th year— it was chartered in 1983. At its anniversary party, Past president Brenda LaRose presented the annual "Most Valuable Member" award to this year's recipient to Brigitte Straub due to her outstanding, tireless, efforts during the year as VP of Education and her additional efforts to the club and its membership.

Toastmasters helps individuals become more confident with their speaking and

leadership skills in front of an audience or a small group. The atmosphere is positive and friendly; providing excellent feedback to individuals striving to achieve higher goals, personally and professionally. You will not find a more friendly and supportive group of people.

We invite you to our Open House on Monday, Nov. 4, at 7:30 p.m., in the St. Alban's Parish Hall in Glen Williams. Neil Dunsmore will be speaking about unleashing the humour in you, and how humour is learned, just like speaking.
