At the recent Assizes in Peel, the criminal calendar was a blank. Peel County rejected the Scott Act. DRAINAGE.—The drainage scheme talked of for West Flamboro' Township will if carried out drain about 3,000 acres in the vicinity of Millgrove, and the cost is expected to be about $10,000. Should the preliminary survey be favorable the water will be drained into the creek running over Hopkin's Falls and a large increase in the water power in Dundas would result.

Milton is rapidly acquiring a reputation. It has hoodlums that smash windows; it has half a hundred illegitimate whiskey mills, and it has an editor that is past praying for. These ought to be enough for one small town; but Milton has more: it has thieves who steal tambourines from Salvation lassies. This last crime ought to put Milton in the same category with Sodom, Gommorrah and Winnipeg.—Spectator.

PROPOSED VACCINE FARM.—The Galt Reformer says:—Some of the vaccine imported from the United States by the Ontario Board of Health has turned out to be worthless. This has given rise to the question why cannot we in Ontario raise the virus required for vaccination purposes. We understand that the Messrs. If the Scott Act Association persists in putting in the defendants in these cases as witnesses against themselves when they fail to establish their charges, they will find a jury of Prohibitionists will so strongly condemn such conduct that they will be unable to obtain any aid or sympathy in enforcing the Act. It is contrary to British liberty to compel any man to convict himself; and unless other evidence than the defendant's can be found, these cases had better be dropped.

NOTICE.

To Our Numerous Consumers.

On account of the tobacco crop of 1883 being so poor, we did not buy much, and selected only the best of it, as we always wish to keep our "T. & B. Myrtle" brand up to the standard; and therefore there may be a scarcity of "T. & B. Myrtle" Plug for a short time. If such is the case there will be a full supply on the market by the end of October.

The tobacco we are now about to manufacture is the finest we have ever had, and we know it will please our numerous consumers.

Yours respectfully,
GEO. E. TUCKET & SON.

TO OUR LADY PATRONS.—We invite your attention to the large Spring Stock we have laid in purposely for your requirements. We accomplish this desirable end by first providing a first-class, well-made stock, and then fitting our shoes properly to the foot, just as a dressmaker who understands her business fits a dress to your form. We positively assert we can satisfy you in quality, fit and price every time.—Toronto Shoe Company, 144 to 148 King St. East, cor. Jarvis.

SOMETHING FOR THE SHOW SEASON.—A tremendous stock of new Waltham, Illinois Watch Co., and Geneva gold and silver watches, eight day clocks, alarm clocks, German cuckoo clocks, gold, silver and jet jewellry, nobby watch guards and general fancy goods has been received this week at Wm. KICKED BY A HORSE.—Miss Maria Darby, daughter of Mr. Robert Darby, Nassagaweya, was severely kicked by a horse on Saturday afternoon, and sustained internal injuries of a serious nature. She was driving her brother-in-law, Neil McPhatter, who some two months ago had to have his leg amputated through a railway accident in Dakota, to Mr. G. Kitching's residence, another brother-in-law. A threshing was going on at Mr. Kitching's farm, and when Miss Darby was unhitching the horse, the whistle of the engine blew, which frightened the animal, causing it to rear and kick Miss Darby on the stomach. The lady is said to be in a critical state, and medical aid from Guelph was procured next morning.—Mercury.

FAREWELL PARTY.—A farewell party by invitation will be held in the Temperance Hall, Campbellville, to-morrow evening, by the young people of Nassagaweya, in honor of the sons of Mr. Robert Shortreed, who are on the eve of starting for British Columbia. Committee—Messrs. Burns, Easterbrook, Early, Hubbert, Currie, Allan, Schram, White, Currie, R. & S. Cairns, Brown, Moore and Menzies. Music furnished by Barber Bros.

A SIMPLE BUT FATAL ACCIDENT.—Mrs. Cooper, an old lady residing with her son, Mr. W. Cooper, of the 5th line, Esquesing, was engaged in letting down a pasture fence on Tuesday about noon when she accidently fell dackwards, a rail falling heavily across her abdomen. Internal injuries were received. Dr. Lowry was called for, but death put an end to the old lady's sufferings before his arrival.—Free Press.

SELLING OFF.—We regret to say that Milton is about to lose one of her most enterprising business firms, that of Messrs. Mara & Co., whose establishment at Galt has become so extensive and is doing such a heavy trade as to require all their attention. They are now offering goods at cost and under and will continue to do so until the tenth inst., when they will close up for good. See list of prices elsewhere.

NELSON FAIR.—The Township Fair of Nelson, will be held at Burlington on Tuesday and Wednesday, the 13th and 14th of the present month. The board of directors, whose names appear on the bills, is a most efficient one, and if the weather proves favorable we have no fear but that the liberal prizes offered, among which are numerous valuable special prizes, will secure for the fair as great or greater success than that which has attended all previous ones in the township.

THE SECRET OF OUR BUSINESS.—Our popular prices maketh the high-priced boot and shoe man "hunt grass." We are sorry to cause any trouble among our competitors, but having inaugurated the low-price system, we propose to conduct our business in the interests of our patrons and ourselves. We "hew to the line, let chips fall where they may."—Toronto Shoe Company, 144 to 148 King St. East, Cor. Jarvis, Toronto, justly celebrated for cheap boots and shoes.

ARRESTED.—John Trimble and Pat Burke were arrested on Saturday evening, and have been committed to jail, charged with being the parties who broke into Frank Sanderson's hotel on Tuesday night of last week and stole seven boxes of cigars. They were brought before Mayor Hannant and G. Smith, J. P., on Monday, but one of the principal witnesses against them having disappeared, the case was adjourned for a week. The magistrates refused to accept bail for the alleged burglars' appearance.

A PECULIAR CASE.—On Saturday last a respectable looking man entered the houses of several Miltonians and acted so strangely that it was thought advisable to send for a constable, who took him to the jail for safe keeping. On arriving at that institution he gave his name as John Wells, said he resided at St. Thomas, and that he was employed as a repairer of telegraph lines. He had an his person $84 in cash, and passes over the C.P.R. and G.T.R., the latter fact going to shew that his story about his occupation was correct. He was released on Monday and departed for St. Thomas.

NOTWITHSTANDING the enormous trade done by Colin McRae in boots and shoes last week, during the Hamilton fair, he still has a huge stock of all kinds of ladies', gent's and children's shoes of the latest styles and made from best materials, all of them purchased recently from the most reliable manufacturers, which he is selling at a very slight advance on cost, his business being so extensive and his stock turned over so frequently that he can afford to undersell smaller establishments. Don't forget that his stock is all new, fresh and fashionable, and that his address is 80 & 82 King-st. West, Hamilton.

Only 9 more days to get Goods at Cost and under at Mara & Co.'s, Milton, as we close up for good a week from next Saturday, the day after Show Day. The balance of our stock of Dry Goods, Men's and Boys' Overcoats, Men's and Boys' Suits, Boots and Shoes, Crockery, etc. must be sold. Men's All Wool Overcoats, $3.00, Boy's All Wool Overcoats, $2.00, Men's All Wool Suits, $4.00, Men's Heavy Shirts and Drawers, 25c., Men's All Wool Shirts and Drawers, 50c., All Wool Grey Flannel 20c. a yd., Boots and Shoes at Half Price, Crockery and Glassware given away. We will be pleased to have everybody call and see us at our store in Galt, where we can show you a $30,000 stock of General Dry Goods, Men's and Boys' Clothing, Boots and Shoes, in fact, everything kept in a first-class city store. We will pay railway fare to Galt and return, between Streetsville and Shaw stations, on the C. V. R., and dinner free at the Galt House, to all purchasers of $10 worth of goods and upwards. Remember in purchasing railway ticket to be sure and buy a return ticket Mara & Co.

HOLLINRAKE & SON.

The authorities of Milton, who are anxious to discover the scoundrels who recently smashed windows in that town, are hereby informed that the editor of the Waterloo Chronicle can tell them who the miscreants are. The editor referred to says that the depredations were committed by the liquor party. He could not, of course, say to what party the scoundrels belonged unless he knows who the scoundrels are. And being a good South Ward Sabbath school teacher, he would not, of course, bare false witness against his neighbor.—Spectator.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrah, Asthma and all throat and lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers, in thousands of cases has felt it his duty to make it known to his fellow sufferers. Actuated by this motive and desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noyes, 149 Powers Block, Rochester, N. Y.
