HOMES FROM THE WAR.—Messrs. Harold Schofield and Harry Brodin returned home to Oakville from the Northwest on Tuesday last. Their many friends were glad to see them and welcome them back.—Independent.

THE Salvation Army does not appear to gain any ground here, but rather the reverse. The three officers who have been in charge here for some months have been recalled, and replaced by others, in the hope probably that the latter may be more successful than their predecessors, who, we are informed, pronounced the people of Milton, before leaving, the most stiff-necked and obdurate that they ever tackled.

FILLED HER BOTTLE.—Constable Moore arrested Mary Ross on Cannon street at an early hour this morning when she was under the influence of liquor and behaving in a riotous manner. Mary in a voluble speech confessed that she came from Burlington, which she able I was a Scott Act town and came to Hamilton to get a black bottle filled. Not satisfied with filling the bottle, she began to fill herself until she was full. When the constable arrived several young men who attempted to abuse her ran away. The Magistrate apparently did not believe this part of the story, and he fined her $8 or ten days.—Hamilton Times, Oct. 2.

Order your Shirts now. 6 white dress Shirts for $7.50, 6 English Cambric Shirts for $7.50, made to your measure and guaranteed to fit. This is a special offer and lasts for a short time only.—Treble's, cor.

BASE BALL.—The following despatch appeared in Saturday Mail:

BOLTON, Oct. 2.—Yesterday a game of base ball was played on Brampton fair grounds between the Bolton Athletics and a picked team from Acton and other clubs, assisted by Fitzgerald and Dillon, the battery of the Guelph Maple Leaf League team. It resulted in a victory for the latter by a score of 15 to 4. The match was arranged as a championship match for the counties of Halton and Peel, but as there were professionals engaged by the Acton team the Athletics refused to play except as a friendly game. They are ready and willing to play a championship game at any time, provided the Acton team will justify amateur nine.

An Acton man in reply a few days later stated the charge of bringing outsiders, and retorted with a similar accusation against the Athletics.

The annual rifle match of the 20th Lorne Rifles will be held at Georgetown on Monday.

LUNCH ON THE SHOW GROUNDS.—The ladies of Grace Church will have a luncheon counter on the show grounds on Friday, where they will supply first class tea, coffee, sandwiches, &c., at reasonable prices.

WELLINGTON AND HER VOLUNTEERS.—The amount paid to the volunteers by the County Treasurer was as follows: 30th Rifles, 410 strong, $1,230; Ontario Field Battery, 40 strong, $187.50; Wellington Field Battery, 25 strong, $75. Total, $1,443.50.—Erin Advocate.

Great job in Silk Ties, all the latest styles at below the original cost. See our special lines at 15c., 25c. and 35c., in every shade and pattern.—Treble's, cor. King and James Sts., Hamilton.

COMMUNION.—The sacrament of the Lord's Supper will be observed next Sabbath in Knox Church, Milton. The Rev. J. W. Cathcart will preach on Saturday in Boston Church at 11, and in Knox Church at 3 p. m. On Sabbath R. E. D. Freeman, of Toronto, in Knox Church at 11.

AN OLD MERCHANT DEAD.—Robert Walker, Sr., of the firm of R. Walker & Sons, and one of Toronto's best known and oldest merchants died on Monday, aged 77. He became a resident of Toronto in 1827, and commenced business in 1835. He ranked among the oldest members of the Methodist communion in Canada.

THE BOLD FISHERMEN.—Two fishermen of Bronte, J. Warden and James Joyce, had a narrow escape from drowning while out on the bay in Saturday night's hurricane. They were two miles from shore when the squall struck their fishing smack, overturning it and throwing them out. They managed to cling to the bottom of the boat until they were noticed and rescued by the yacht Cruiser.

LECTURES.—The Ladies' Aid Society of the Methodist Church, Acton, has made arrangements for a series of lectures, which will be given by Revs. Joseph Wild, D. D., T. W. Jeffroy, D. D. Rogers, W. C. Henderson and John Shaw, and Mr. James L. Hughes, on the 15th and 27th October, 10th and 24th November, and 8th and 21st December. Tickets for the course, $1.00; for single lecture, 25c.

THE TIP TOP EXCURSION.—A grand excursion will run over the N. & N. W. R. to Niagara Falls, Buffalo and Rochester on Tuesday, Oct. 12th. Train leaves Milton at 10 35 a.m. Fare to the Falls only 80 cents; to Buffalo, $1.80, and Rochester $2.80. Tickets good for eight days. This will be the the tip top trip of the season. Plenty of time, and cheap rates to everything. Crowds are going all along the line. Don't stay at home and miss the best trip of the season.

GENTLEMEN who have not yet bought their fall boots should go up and examine Colin McRae's mammoth stock at 30 and 32 King St. West, Hamilton; where they will be sure of finding any style and quality they may want, from heavy walking boots to fine dress shoes for evening wear. McRae's $2, $2.50 and $3 boots are the best obtainable for hard service and are splendid value, and he has a large stock of men's working shoes which he offers very cheap. Gentlemen's slippers a specialty.

A UNIFORMED BONNY.—We are informed that in order to ensure the keeping of the peace at the Nassagaweya fall show on Tuesday, a uniformed constable was imported from Guelph and was kept on the grounds throughout the day. Whether he had much work to do or not we have not learned; but it appears strange that he should have been required at all in the township from which Scott Act supporters allege prohibition has almost completely banished intoxicating liquors of all kinds, and where heretofore the local constables were able to look after all shows and other gatherings without assistance.

DIDN'T CATCH THEM.—A couple of jokers, hearing that a certain establishment which had suffered from the depredations of the Milton window-smashers was guarded not only by the watchmen who had been employed of late to patrol the streets, but by a couple of men stationed inside and armed with a shot gun, put up a job the other evening to have a little fun, and they had it too. Having procured beforehand a lot of broken glass, they, about midnight, dumped it on the sidewalk from a window of the second story of a building adjoining the doubly-guarded store. The effect was magical. Out came the two inside guards, gun and all, and up rushed a street watchman with his club. One of the three imagined in his excitement that he saw someone dodge behind the town hall, and all immediately dashed off in pursuit, but though they encircled the building several times, they found nothing and were complete'y nonplussed until they heard the derisive laughter of the jokers. This enlightened them and they returned disgusted and indignant, the one to his beat and the others to their post.

TIRED OF PAYING PAIGE.—Rev. M. C. Cameron and Messrs. S. Dice and Jas. Holliarake waited on His Honor Judge Miller, chairman of the Board of License Commissioners last week, on behalf of the prohibitionists of Halton. They accused License Inspector Johnson of habitual neglect of duty and the equally heinous offense of want of sympathy with the "temperance" party, asking for his dismissal and the appointment of Paige, their whiskey detective, in his place. Paige, they said, was a particularly fit man for the position, being the white-headed boy with their party, and, in addition to numerous other virtues, a stiff Tory. Judge Miller informed the members of the deputation that their representations would receive due consideration. He also reminded them that though they accused Inspector Johnson of neglect of duty, they had systematically ignored him and the commissioners in the Scott Act prosecutions, making the "want of sympathy" cry their excuse, and had never offered the Dominion officials an opportunity to conduct any prosecutions, except in two cases, where there was a palpable lack of evidence, and where it would have been impossible to have secured convictions. The judge rebuked the deputation for asking him to appoint Paige on political grounds, and informed its members that whenever he had any appointments to make he would select the man in his opinion best fitted for the vacant position, and would appoint him without giving his political views the slightest consideration.

SCOTT ACT AT CREEMORE.—We hear that on Saturday night last a number of large stones were thrown through the windows of Mr. John Mackay's house at Creemore. Fortunately no one was injured, though it is said the Chief Inspector had a narrow escape. The climate around Creemore appears to be very warm.—Collingwood Enterprise.

There is no newspaper published at Creemore to accuse of promoting lawlessness, and the Scott Acters must be in a bad way for a scapegoat.

CONCERT.—The concert given here on Friday evening, for the benefit of the Roman Catholic Church, attracted an audience that fairly jammed the Town Hall, and many of whom could not get seats and had to stand. Miss Laidlaw, of Oakville, made her first appearance here since her return from the Boston Conservatory of Music and, though suffering from hoarseness, sang most artistically and did infinite credit to her training at the Hub; Miss Teresa J. Sullivan, of Hamilton, was in good voice, and her singing was greatly admired, while Miss Bessie Appelbe, of Trafalgar, who made her first bow to a Milton audience, and who is a child of perhaps ten summers, took the house by storm, her singing being wonderful considering her years. Mr. D. P. Sherin was very successful in his comic songs, but not particularly so in "While the Bloom is on the Rye," which was altogether beyond him, although sung by him in a considerably lower key than that in which it is written. Mr. Sherin should stick to the comic and leave Sims Reeves's favorite ballad to him and other first-class tenors. Mr. D. D. Oliver performed on the violin as sweetly as usual, and Miss Dewar, who played the accompaniments of most of the singers, did so in a style that could hardly have been improved on. The orchestra, which was composed principally of members of the Milton band, played two selections very creditably, considering the short time which has elapsed since their organization. The profits of the entertainment must have been very large.
