THE CANADIAN CHAMPION.

MILTON, OCT. 15th, 1885

THE COUNTY SHOW.

Despite the wet weather on Thursday, the first day of the exhibition of the Halton Agricultural Society, exhibitors flocked in from all quarters and kept the energetic Secretary of the Society, Mr. W. Clements, and a number of assistants, busy taking their entries. By noon the agricultural hall had been well filled with exhibits, and the display inside the building was the finest on record. We might enlarge on the splendid exhibits in the different classes, but the following list of entries for the two days of the fair will speak for itself:

Horses	399
Cattle	138
Sheep	114
Pigs	36
Poultry	124
Grain	90
Roots	160
Dairy	130
Domestic	301
Fruit	395
Flowers	56
Implements	63
Harness, Leather, Etc.	21
Fine Arts	108
Ladies' Work	256
Total	2462

The total receipts at the exhibition amounted to about $1200, the membership being larger than ever before, one director, Mr. Wm. Patterson, selling no less than nighty-eight membership tickets. The weather on the second day of the show was all that could have been desired and, though the rain of the previous day made the roads very muddy, the attendance was very large, and the amount taken at the gate the largest on record, except that for 1883.

The special prize offered by Mr. John Fothergill, President of the Association, for the largest number of entries in classes 14, 15, 16, 17, and 18, was won by Mrs. John Alton with 41 entries, Mrs. Mason being second with 34. Mr. Wm. Clements, Sec'y of the Society, also gave a special prize for the largest number of entries in classes 7, 8 and 15, and it was won by Mr. G. Greenlaw with 44 entries, Mr. John Alton being second with 39, and Mr. G. C. Horning third with 36.

The competition was very keen for the special prize offered by the proprietors of the CHAMPION for the best spring colt of any class, sired by any stallion whose route bills for 1885 was printed at their establishment. The splendid Clydesdale colt exhibited by Messrs. J. & H. Fisher and sired by their stallion "Perfection" took first money and the equally fine roadster colt owned by Mr. William Storey and sired by Messrs. J. & J. Hainer's "Gen. Crozier" was second. We may say here that if all as well a similar prize will be offered by the CHAMPION Office next season.

MESSRS. J. JOHNSON & SON of Milton, exhibited their new low down binder. This machine has been used throughout Halton has given universal satisfaction, and we understand that a large number of orders have already been received by the manufacturers for next season. The machine exhibited by them last week was a strong, serviceable machine, finished in the best style, and attracted a good deal of attention. Messrs Johnson & Son are doing a large business here, turning out, besides their binders, their equally well-known reapers and mowers, and also first class plows, wheelbarrows, etc.

CONWAY BROS. exhibited a No. 50 "Sultana" single heater, an "Adelaide" parlor and "Melrose" cooking stove, manufactured by Messrs. J. Stewart & Co., Hamilton, and were awarded prizes. The above stoves were all sold on the ground. The parlor stove being purchased by a gentleman living 100 miles away. These stoves cannot be excelled for beauty, durability, workmanship or economy, and can only be bought in Milton from Conway Bros. two doors north of the English Church.

Mr. Thos. Wilson had a fine exhibit of boots and shoes, receiving a number of prizes, and Hemstreet & Bastedo's show of furs attracted a great deal of attention.

Want of space prevents us enlarging on the different exhibits at the fair as we otherwise might do, and our readers will find below the names of those who succeeded in carrying off the prizes in the different classes.
