THE REV. GEO. H. THAYER, of Bourbo, Ind., says: "Both myself and wife owe our lives to SHILOH'S CONSUMPTION CURE." Sold by J. H. McCollom.

THE amount of the gate receipts at the Erin Show this year was $525, being larger than on any previous occasion. At ten cents a head this represents a big crowd.—Advocate.

SHILOH'S CURE will immediately relieve Croup, Whooping Cough and Bronchitis. Sold by J. H. McCollom.

We learn that the CHAMPION, which is never posted later than Thursday, often does not reach our Speyside subscribers until Tuesday. The fault must be in the post office, and we hope that matters will be better managed in future.

WHY WILL YOU cough when Shiloh's Cur will give immediate relief. Price 10 cts., 50 cts and $1. Sold by J. H. McCollom.

Largest stock of Hats, latest styles, lowest prices at Treble's, the leading Hatter, cor. King & James Street, Hamilton.

HE WANTS MUSCLE.—Some person appears to have stolen a saw horse from the Acton Free Press man. If they don't return it he will not be able to get up the necessary muscle to clip "original" humor from his American exchanges, as of yore.—Erin Advocate.

A NASAL INJECTOR free with each bottle of Shiloh's Catarrh remedy. Price 50 cents. Sold by J. H. McCollom.

Order your Shirts now. 6 white dress Shirts for $7.50, 6 English Cambric Shirts for $7.50, made to your measure and guaranteed to fit. This is a special offer and lasts for a short time only.—Treble's, cor.

A HALTONIAN ON THE ALGOMA.—Robert McCaul, one of those saved from the wreck of the Algoma, is a Nassagaweyan. He was a waiter on the ill fated steamer, was swept off when she struck, and was saved by catching a life line thrown him by the captain.

A SUCCESSFUL OPERATION.—Mr. D. Kinney of this town, underwent an operation at Toronto recently, at the hands of Dr. W. T. Aikins. The bone of Mr. Kinney's arm had become diseased, and the doctor cut down to it, removed the dead portion of it, and sewed the arm up again. It is now doing very well, and Mr. Kinney hopes that it will soon be as strong as ever.

SHILOH'S CURE will immediately relieve Croup, Whooping Cough and Bronchitis. Sold by J. H. McCollom.

The woolen mills at Springfield, Toronto township, were burned down on Monday night, 9th inst. They were to have been sold by auction last week, Messrs. Cook & Desmond were the proprietors of the machinery and Mr. Emerson Taylor proprietor of the building. Loss, heavy, but we understand covered by insurance to a large extent. The fire is supposed to have been the work of an incendiary.

Go to Treble's, the leading Hatter, for your Hats, all the latest styles in Hard and Soft Felt Hats at prices ranging from 50c. upwards, the best value in Canada.—Treble's, cor. King and James Sts. Hamilton.

FOR DYSPEPSIA and Liver Complaint, you have a printed guarantee on every bottle of Shiloh's Vitalizer. It never fails to cure. Sold by J. H. McCollom.

WATERDOWN HIGH SCHOOL.—At the last meeting of the Waterdown School Board the two teachers of the High School resigned rather than accept a reduction of salary. No fault was found with the management of the school, which the monthly report showed was in a very satisfactory state, but as the new regulations will decrease the Government grant, it was thought the school could not afford to pay as high salaries as heretofore.

Great job in Silk Ties, all the latest styles at below the original cost. See our special lines at 15c., 25c. and 35c., in every shade and pattern.—Treble's, cor. King and James Sts., Hamilton.

The business partnership which has existed for about thirty years between K. Chisholm and M. M. Elliott, of Brampton, has been disolved. Mr. Chisholm continues the business in this town; Mr. Elliott takes Mr. Chisholm's share in the business of the late firm at Orangeville. Mr. Elliott of course remains postmaster, and will live in the town as heretofore. The announcement was rather a surprise to the community, but this is an age of surprises.—Conservator.

ARE YOU MADE miserable by Indigestion Constipation, Dizziness, Loss of Appetite, Yellow Skin? Shiloh's Vitalizer is a and positive cure. Sol by J. H. McCollom's.

BAND CONCERT.—The concert on Thursday evening for the benefit of the band drew an audience that filled the Town Hall, so that many had to stand. The performers were all local and their efforts in the way of vocal, brass, string and reed music were well received, encores being frequent. Though the price of admission was very low the receipts amounted to over $60. The band deserves encouragement, and we are glad to see that the people of Milton recognize that fact.

You can have your Shirts made to order at Treble's lower than you can buy them readymade elsewhere. 6 Shirts white or colored for $7.50, perfect fit and best value in the trade guaranteed.—Treble's, cor. King and James Sts., Hamilton.

AN OLD SETTLER GONE.—As we go to press we have received information to the effect that Mr. Henry Bates, of Horning's Mills, one of the first settlers in Melanchton, died Tuesday evening. Deceased came from Burlington, or "Wellington Square," when 22 years of age. He claimed to have been the second settler at Horning's Mills, and could call to mind many of the early incidents in the history of the place, such as the stealing of the Horning and VanMeer children by the Indians, and many other exciting events.—Shelbourne Economist.

FINE PHOTOGRAPHS.—J. J. Millman, photographer, 76 King St west, Hamilton, (successor to Millman & Eckerson) is making the finest photographs in all styles ever produced in Hamilton. Parties visiting the city should call and examine his work. 44-yr.

THE TRAMP NUISANCE.—Last week eight tramps were given lodging in the cells, and last Monday night five of the lazy and good-for-nothing gang presented themselves for bed and board at the municipality's expense. We think the council are making a mistake by giving tramps meals as well as beds, especially when they get a good mattress and plenty of blankets, for the impudent fellows seem to think the authorities consider it a favor to have them call upon them. The idea of lodging and feeding tramps and then allowing them to proceed on the road without asking them even to saw a stick of wood in return is preposterous. If you see fit to bed them, gentlemen, for the treasury's sake, let them work for their meals, or get none.—Acton Free Press.

CANADIAN PACIFIC RAILWAY.—The last steamer of the Canadian Pacific Steamship Line will leave Owen Sound (weather permitting) for Port Arthur, on the 17th Nov., for the final trip of the season. The All Rail Route, however, is open, and travellers can take advantage of a through Canadian Route, thus saving themselves the annoyance of Custom scrutiny and charges, and frequent changing of cars. The company runs daily trains by the Canadian All Rail Route.

MAGISTRATE'S COURT.—Three young men named Moore, Burke and Brown appeared yesterday before Geo. Smith, Esq. J. P., on a charge of having on Monday night stolen $104 from the pocket of Mr. Francis Sanderson, proprietor of the Temperance House, while the latter was asleep. Mr. Sanderson and his daughter were sworn and testified that the young men played pool in the hotel until about 2 a. m., and that while they were there the money was stolen, but neither witness could swear to having seen it stolen. The prisoners were then discharged and John Hamburgh was then tried for the same offence, but the case against him also fell to the ground for want of evidence, and was dismissed.

ROWDYISM IN ACTON.—By posters issued yesterday Reeve Storey offers ten dollars reward for information which will lead to the conviction of the parties who evidently consider it sport to smash street lamps. One or two of the lamps in the west end have been repeatedly broken, and the perpetrators have on one or more occasions gone so far as to interfere with the lamplighter in the discharge of his duties. This cannot be allowed in Acton, and the first thing the guilty parties know they will be before a court of law to answer for their lawless conduct. There is also complaint made that a lot of rowdies who go to the meetings of the Salvation Army, and hang about the doors of the barracks, persist in disturbing the meetings and also annoy and sometimes insult citizens who have occasion to pass. The Reeve requests us to state that unless this unseemly conduct is discontinued, the offenders will be prosecuted without leniency.—Free Press.

RIEL HANGED AT REGINA.

Exactly at 8.23 on the morning of Monday, Nov. 16, 1885, Louis Riel paid the penalty for heading a rebellion against the rulers of the country of his nativity and the best interests of that country. It was a sad and solemn spectator. One that will be remembered for all time.

After Sheriff Chapleau had read the warrant for his execution to him, Pere Andre entered the doomed man's cell and up to the hour of death was never absent from his side. Together they prayed the whole night long. Riel being most fervent. Towards 5 a. m he dozed and finally slept soundly. Pere Andre watched him as he slept. Shortly before 6 o'clock Riel awoke and from that time until 8 o'clock, when the fatal bell began to toll, he prayed without ceasing.

From first to last the doomed man exhibited no sign of flinching. His spiritual advisers had persuaded him to abandon his original intention of making a speech, and beyond his devotions he uttered no word. At 8.05 Pere Andre administered the last sacrement to Riel, who gave the responces firmly. Although pale, he was firm. He was dressed in a black coat, brown tweed pants, and moccasins. When the hangman, accompanied by Deputy Sheriff Gibson, appeared with the pinioning straps Riel was standing with his eyes open, praying in French, the priests standing in front. He then walked firmly to the scaffold repeating, "In God do I put my trust." His head was erect, his step was firm, and he never showed the least tremour. As he repeated the prayerful exclamation half a smile lit up his face. Descending the few steps of the scaffold he stood on the the drop with his face turned northward. Pere Andre and Father McWilliams continued to pray, and Riel said in English, "I do ask the forgiveness of all men, and forgive all my enemies." He then prayed a short time in French, The executioner took his place. The white cap was drawn over Riel's head, both priests holding lighted candles and repeating the prayer for the dying.

The length of the drop was sight feet. At the first moment of the fall Riel's body remained still, with the knees drawn up violently. Three or four times the body swayed to and fro quivering, and then Riel was dead. Suspense had been long, but the agony was short. The hangman did work well.

Extraordinary precautions were taken against any possible interruption to the proceedings or the intrusion of unauthorized persons. At a mile from the barracks mounted patrols challenged all persons, and compelled them to show written passes. Other lines of guards were stationed at points near the post, and the same precautions were observed at the jail. No one was permitted to enter the guard-room until 8.12 o'clock.

MONTREAL, Nov. 16.—There was considerable excitement in French Canadian circles here when the news of Riel's execution was received. The French Canadian students, to the number of about 500, carrying tricolor flags, marched through several streets of the city giving vent to Riel and denouncing Sir John. They groaned as they passed La Minerve office. Flags are at half-mast in many parts of the city.

The Post and the French papers are raving. Flags are half-mast everywhere. The French journals will appear in mourning to morrow. The streets were crowded all the afternoon with excited Frenchmen, who roundly abused Sir John Macdonald, Sir Hector Langevin, Sir Adolphe Caron, Col. Ouimet and the Orangemen.

At a meeting of the city council this afternoon the following motion was moved by Ald. Grenier, seconded by Ald. Donovan, and adopted.

That the city council having heard of the execution of Louis Riel by the order of the Dominion Government, and inasmuch as this execution has taken place for political purposes, that this council do adjourn as a protest against an odious violation of the laws of justice and humanity.

The council then adjourned.

After the city council meeting this afternoon speeches were delivered from the city hall steps by Hon. Mr. Mercier, most of the city aldermen, Bolvin, Hon. Louis Beaubien, Alfred Perry, J. G. H. Bergeron and others. Most of the speakers counselled moderation. Alfred Perry was particularly violent, declaring that Riel had been murdered by the government at the instigation of the Ontario Orangemen. He also severly criticised the 65th battalion for going to the North-west, and said that the medals for them ought to bear the stamp of the gibbet. The Premier, he said, should be hung for burning the parliament buildings in Montreal.

To-night about 400 students started from Victoria University, but when they reached the Champ de Mars they had been argumented by from five to ten thousand persons. They carried French flags, transparencies and effigies of Sir John Macdonald, Sir Hector Langevin, Hon. J. A. Chapleau, Sir A. P. Caron, Col. Ouimet and others. On the Champ de Mars Chapleau's and Langevin's effigies were burned. While on the Champ de Mars revolver shots were exchanged with the police but no one was hurt. They then proceeded to Victoria square, where Sir John's effigy was burned in front of the Queen's statute on the square. Quite a large body of police were present but did not seem to care to interfere. When the effigy was burned a party cut it down with the remark, "Ce maudit serpent!" (There goes the cursed serpent). The Queen's statue was much blackened. After marching through the west end of the city the crowd dispersed.
