THERE are about 55 pupils attending the Waterdown High School.

THE REV. GEO. H. THAYER, of Bourbo, Ind., says: "Both myself and wife owe our lives to SHILOH'S CONSUMPTION CURE." Sold by J. H. McCollom.

MR. GEO. ROBINSON, formerly of Cumminsville, but who has been living in Manitoba for about four years, was in Milton on Saturday.

WATERDOWN.—Mr. W. T. Evans, late assistant teacher in the Waterdown High School, has secured the position of mathematical master of the Sarnia High School, at a salary of $900.

A NASAL INJECTOR free with each bottle of Shiloh's Catarrh remedy. Price 50 cents. Sold by J. H. McCollom.

THE Herald complains that the Georgetown bakers charge twelve cents a loaf for bread. It has not cost more than ten cents a loaf here since Mr. J. P. Roper went into the baking business.

Direct importation; one case of dressing gowns and girdles; very choice goods. Treble's, corner of King and James streets, Hamilton.

DEATH OF A WELL-KNOWN CONDUCTOR.—The many friends of Conductor Dempsey who for the past five years years has been a Conductor on the Credit Valley will regret to learn that he was carried off yesterday by typhoid fever at the General Hospital in the city.—Globe.

SHILOH'S CURE will immediately relieve Croup, Whooping Cough and Bronchitis. Sold by J. H. McCollom.

MILITARY BALL.—The Second Annual ball of the 29th Batt. band will be held in the Town Hall, Galt, on the evening of Friday, 18th inst. Music will be supplied by the band and orchestra of the 29th. The hall will be handsomely decorated. Volunteers will appear in uniform. Tickets $1.

Just to hand by steamship Servia, five cases of cashmere and Scotch lamb's wool underwear, at Treble's, corner of King and James streets, Hamilton.

CURLING.—The curling rink was flooded on Monday and, if the weather becomes cold again good ice may be expected in a day or two. We are informed that it is not likely that the rink will be used during the coming season for anything but curling. If this is true, those who want rink skating will have to do it on wheels.

FOR DYSPEPSIA and Liver Complaint, you are a prized guarantee on every bottle of Shiloh's Vitalizer. It never fails to cure. Sold by J. H. McCollom.

CORRECTION.—In the translation of Virgil's remarkable poem, entitled "A Pagan's Advent Hymn," and which we give on another page, the intelligent reader will doubtless note two or three typographical errors. There are two, however, which we beg leave to correct—line 51, viz.: "Now fields luxuriant wave their yellow corn" should be followed by the omitted line, "And luscious berries cluster on the thorn;" and line 189 should read, "All groan with guilt," not groaned.

Genuine Scotch lamb's wool undershirts and drawers, immense stock, best value, at Treble's, corner of King and James street, Hamilton.

ADVERTISING DODGES.—A party from Georgetown wishes to expose some checker board advertising schemes, by whom, he says, some of his townsmen as well as himself were bitten. Serves them right. The newspapers, both local and general, afford ample opportunities for doing all the honest advertising that is required, and a merchant who goes outside the newspapers and makes use of the petty swindles known as advertising schemes, deserves to lose his money, as most assuredly he will.—Guelph Mercury.

ARE YOU MADE miserable by Indigestion Constipation, Dizziness, Loss of Appetite, Yellow Skin? Shiloh's Vitalizer is a and positive cure. Sold by J. H. McCollom's.

The Canadian Pacific Railway Co. are making every record every day. Now the North Shore Railway has been transferred to them, their time bill has been arranged for through connections to Quebec and points in the Lower Provinces can be made via Ottawa, Toronto, Detroit, and all points West, via St. Martin Junction, 12 miles North of Montreal, thus avoiding tedious waiting at connecting points and enabling passengers to reach their destination in a short a time as possible. We have no hesitation in saying that for comfort, excellence of road, and the politeness and attention of their servants, the Canadian Pacific Railway stands preminent as a Model Road of Canada, and although one may feel inclined to smile at their advertisements advertising the road, a trip will convince any unprejudiced mind that the road, equipment, scenery and punctuality are superlative in every sense of the word.

Direct from Europe: One case choice silk scarfs; best value and nicest goods in the trade. Treble's, corner of King and James streets, Hamilton.

BRAMPTON ABDUCTOR COMMITTED FOR TRIAL.—George Tait, the Brampton tailor who is charged with abducting Eva Kenney, aged 16, and an apprentice of Tait's, was arranged for trial in the police court, Toronto, on Monday. The girl told an unsavory story of her alleged ruin by Tait in his tailor shop at Brampton, of her contraction of a vile disorder, and her subsequent adventures in two or three Toronto, dens of infamy. Joseph F. Kenny the girl's father, also gave evidence against Tait. The accused was committed for trial on a charge of "abducting a girl under the legal age of 16 for immoral purposes." Bail was accepted in two sureties of $500 each and the prisoner himself in $1000.

IT is doubtful whether there will be an ice carnival at Montreal this winter, but nevertheless tobogganing and snow shoeing will be as popular throughout the Dominion as ever. Recognizing that fact, Colin McRae, 80 & 82 King street west, Hamilton, has lately purchased a large stock of first-class moccasins of all kinds, which he has just opened out and which are well worth inspection. McRae has also in stock all kinds of ladies', gents' and children's boots, shoes, and overshoes, which he offers at rock bottom prices.

CANADA'S CHRISTMAS.—This is a beautifully illustrated Canadian Christmas Paper, published by the "Frip" Printing and Publishing Co., Toronto. It contains 16 large pages, 8 of which are filled with magnificent lithographic illustrations of *Canadian Christmas Scenes and Winter Games*. The double page lithographic cartoon, by Bengough, contains correct portraits of a hundred well-known Canadian politicians. It is, alone, worth the whole price of the paper. ALLEGED HORSE STEALING.—Henry Stribbling, of Nassagaweya, at one time owned a horse, which died. After its death he imagined that he saw the animal floating through the air, and on Tuesday of last week called at Mr. Simon Fraser's, claimed one of his horses, and was in the act of putting a halter it when Mr. Fraser interfered and tried to stop him. Stribbling pulled out a revolver and threatened to shoot if Mr. Fraser interfered with him. He took the horse away, and Fraser laid an information against him for larceny and threatening to shoot before Jas. Menzies, Esq., J. P. After hearing the evidence, the J. P. committed the prisoner for trial. He is said to be insane.

ROLLER SKATING.—The new roller skating rink had a very successful opening on Tuesday evening, skaters and spectators from the town and vicinity being very numerous, while Burlington, Georgetown and other places were well represented. The Milton brass band played at intervals during the evening. Great amusement was caused by the ridiculous manœuvres of old-time ice skaters when they found themselves for the first time on wheels, but, though falls were frequent, all who could skate at all on ice seemed to be able to manage the rollers fairly well after making a few rounds of the rink. The floor prepared for the skaters is of maple and is as smooth and level as a billiard table, the skates supplied by the managers are all new and of the latest pattern, and the arrangements in connection with the rink are of the best. Messrs. Atkinson & Robinson, the proprietors, deserve well at the hands of the people of Milton, and it is to be hoped that they will be liberally patronized.
