MILK.—The Canada Pacific and Grand Trunk Railways have raised the freight from 12½ cents to 15 cents per can on milk sent from all stations in the country to Toronto. The milk vendors hold a meeting in Toronto last week and intend holding another shortly to try and have it reduced to the old price. The opinion is that no reduction will be made, as both roads have a uniform price, and the vendors in the end will have to foot the bill.

Direct from Europe: One case choice silk scarfs; best value and nicest goods in the trade. Treble's, corner of King and James streets, Hamilton.

TWENTY-FOUR O'CLOCK.—In conversation with a reporter for the Globe yesterday, Mr. W. C. VanHorne stated that the Canadian Pacific Railway Co. had decided to adopt the twenty-four hour time on the western division of their road. The system would be put into operation at once on the lines west of Port Arthur and would afterwards be extended to other portions of the road if found to be as great a convenience as was expected.—Globe.

MR. G. C. WARD, trimmer in Culp & McKenzie's Carriage works, met with a serious, but we hope not fatal accident yesterday afternoon. He was engaged in raising about a half a cord of wood from the lower to the second flat in the building, and standing too near one end of the hoist he overbalanced and fell a distance of 14 feet. He received a very severe wound just above the ear and was otherwise injured. Drs. Todd and Freeman were called and dressed the wound. We sincerely hope Mr. Ward may soon recover.—Georgetown Herald.

Heavy wool socks at 20 cents, 25 cents, 30 cents, and undershirts and drawers at mill prices at Treble's, corner of King and James streets, Hamilton.

SCOTT ACT CASES.—On Saturday last Patrick Walsh, of Oakville, was brought before Police Magistrate Young on a charge of illicit liquor selling. The case arose from a drunken fight that took place a short time ago in the neighborhood of the defendant's premises and in which one man was pretty roughly handled. A number of witnesses were examined, but all of them except one, a man named Buzzard, who was one of the principals in the fight, denied having bought intoxicating liquor from the defendant. Buzzard, however, on cross-examination admitted that he had got liquor from Walsh within 30 days of the date stated in the information. Mr. Tizard, for the defence, raised a number of technical objections to the defendant's conviction, one of which was that the Scott Act was not in force in Halton, and succeeded in muddling the Police Magistrate so that the latter reserved his decision. Mr. R. S. Appelbe helped the P. M. to conduct the prosecution. A charge of illicit liquor selling was also brought against Murray Williams, but adjourned.

FINE PHOTOGRAPHS.—J. J. Millman photographer, 76 King St west, Hamilton (successor to Millman & Eckerson) is making the finest photographs in all styles ever produced in Hamilton. Parties visiting the city should call and examine his work.

Immense stock of woolen and merino socks just to hand. Best value in the trade at Treble's, corner of King and James streets, Hamilton.

ONE OF THE MANY DISPERSAL CLAIMS.—There is a minister stationed at Milton, a man of considerable ability and influence, who has hitherto been a strong supporter of the Conservative Government at Ottawa. The other day he proceeded to get his name on the preliminary list, but found that he was disqualified by the now notorious "residence" clause. His feeling is expressed very tersely in his own words, "They can take away my vote, but they can't close my mouth."—*Globe.*

Genuine Scotch lamb's wool undershirts and drawers, immense stock, best value, at Treble's, corner of King and James street, Hamilton.

PERMANENT PASTURE.—The following is a list of grasses recommended by Prof. Brown, of the Ontario Agricultural College, at the meeting of the Halton Farmers' Institute lately held in the Village of Georgetown: Meadow fexure 6, meadow fox tail 3, orchard 3, English rye 2, Kentucky blue 2, timothy 3, red top 3, yellow oat 2, tall oat 2, Lucerne 4, white clover 2, Alsike 2, red 1, yellow 1—total, 35 lbs. of seeds to the acre, to be sown in the spring on land properly prepared and not with any other crop. He claimed that one acre of this pasture would graze two cows during the summer. It is well worth a trial of say 5 acres or more on some of our milk dairy farms.

DOWN at Oakville they have had ice and roller skating races lately. The editor of the Star was on hand, was so impressed by the speed shown by some of the contestants, and feels so confident that they can down the champions of Milton, Acton and Georgetown, that he is anxious to have the latter go to Oakville and give the local sports a chance to make a little money out of their backers. If the Oakville men mean business all they have to do is to issue a challenge and put up their money to be sure of plenty of fun and plenty of money too, if their skaters are only fast enough. There is a young man named Speight up at Acton who is generally open for challenges and who is speedy enough to make matters decidedly interesting for the Oakville flyers.

Men's working shirts; immense variety of blue and gray flannel shirts with collars attached; also plain and laced at $1.25 and $1.00. Treble's, corner of King and James streets, Hamilton.

SERIOUS COASTING ACCIDENT.—For some time the small boys have been in the habit of sleigh-riding down the sidewalk on Main Street, between Church and Agnes streets, until it has become almost as slippery as glass. On Monday evening a very serious and unfortunate accident occurred, by which Willie, the six-year-old son of Mr. Thomas Statham, baker, had his right thigh fractured. The little fellow was standing somewhere about the foot of the hill when a playmate came down on his sled with great force and accidentally struck against him, with the above result. Dr. Lowry was immediately summoned to dress to broken limb. The accident should be the means of putting a stop to the dangerous sport of coasting on the side walks, and we understand the constables have been instructed to arrest the boys who continue to indulge in this violation of the law.—Acton Free Press.

Stylish Hats. Immense stock of English and American felt hats from the best makers; best value. Treble's, corner of King and James streets, Hamilton.

BOSTON CHURCH.—The annual tea-meeting of the Boston Church, Esquesing, was held on Monday evening last. The attendance was very large, the church being crowded to the doors and every available seat occupied. Coffee, tea and eatables were served from 5 to 8 o'clock. The chair was occupied by Dr. Robertson, of Milton. Speeches, able, humorous and interesting, were delivered by the Rev. Kirkpatrick, of Esquesing, Rev. Mr. Blair, of Nassagaweya, Rev. Mr. Thomson, of Ayr, Rev. Mr. Hyde, of Montreal, and Rev. Mr. Duncan, of Paisley. The choir of the church, under the leadership of Mr. John Stewart, sang a number of selections, which added greatly to the enjoyment of the meeting. A social was held in the church on Tuesday evening for the Sabbath school children, and a very respectable amount was realized.

WORK FOR THE WINTER.—A fortune for agents. Farmers' sons and others can make money fast by handling our new book, "World's Wonders," an illustrated panorama of discoveries, achievements and adventures of all the great tropical and polar explorers. A complete history of the world's most wonderful, interesting, and least familiar features, strange people and curious creatures. Retails low. Sells fast. Big commission. Send for terms.—BRADLEY, GARRETSON & Co., Brantford. 30-tf

CAKE WALK.—On Wednesday evening of last week a troupe of trained jubilee singers from Oakville and Bronte, under the management of Rev. J. B. Roberts, gave an entertainment at the Town Hall, consisting of plantation hymns and songs, which were very well sung, a Zulu wedding and a cake walk. The cake walk created a good deal of amusement. A prominade was arranged around the hall and a number of cakes, fine large frosted ones, were successively put up for competion. Each gentleman competitor paid ten cents, selected a lady and promenaded several times around the hall, the couple who in the opinion of the judges carried themselves most gracefully being awarded the cake, and the lady being always presented with the spoil. Mr. Wm. Hobbs and his partner took the first cake put up, and several other Miltonians were equally successful. The attendance was not as large as it might have been.

OVER THE RIVER.—The sudden departure of Mr. R. Cochrane, for Detroit on Saturday night last created a sensation on Monday morning when the fact became generally known. It was supposed that Mr. Cochrane was going to St. Thomas to take charge of the Cochrane Manf. Co's works in that city. But he went further west, for reasons best known to himself. We are informed that there was a disagreement between the Cochrane Manf. Co. and Mr. R. Cochrane, and to prevent the Co. from depriving him of certain securities which he holds to protect his own interests, he felt it necessary to cross the lines and remain under the protection of uncle Sam for a time. However this may be, we can only give the statement as it is reported on his behalf. We have confidence that every dollar that Mr. Cochrane owes in the town and district will be paid by him or some person acting for him. It is better to withhold judgment upon the course he has taken than to criticise sharply or condemn without knowing the facts. Mr. Cochrane's family are with him in Detroit.—*Brampton Conservator.*

Mr. T. T. Harris, dentist, will be in Milton on Monday, Feb. 15th.

THE place to get the best of boots, shoes and overshoes cheapest is at Colin McRae's big shoe house, 30 & 32 King Street West, Hamilton. His prices are low at all times, but at present he is carrying on his annual winter clearing sale and is running off footwear of all kinds at cost. Call and see him—you will find it well worth while.

MISSIONARY MEETINGS.—The annual missionary meetings will be held at St. Stephen's Church, Hornby, on Tuesday evening, 16th inst., at 7 o'clock, and Grace Church, Milton, on Wednesday evening, 17th inst., at 7.30 o'clock. His Lordship, the Bishop of Niagara, and Rev. Dr. Mockridge, of Hamilton, will be present.

SOCIALIST RIOT AT LONDON.

LONDON, February 8.—The starving mechanics of London held a mass meeting in Trafalgar-square around the Nelson monument, which resulted in a riot. The proceedings were opened with an assemblage of 10,000. The police were present in large numbers. They at once saw that the Socialist element of London greatly predominated in the crowd, which was also managed by well-known Socialists, and extraordinary vigilance was ordered to preserve peace at all hazards. Conspicuous among the leaders of the multitude was Mr. Burns, who ran as Socialist candidate in Nottingham in the recent election. The mob marched from Trafalgar-square through James-street and Piccadilly to Hyde Park. The Socialists, aroused to fury by the violent tirades of the speakers in the Square, created a three-hours' reign of terror. Jewellery shops were broken into and their contents carried off by the mob. Carriages containing ladies were stopped on the streets and their occupants forced to alight. Some of the rioters entered the vehicles and drove at the head of the crowd. The mob swept through the streets shouting, "smash the windows; let's get inside the shops." All decently attired persons who encountered the rioters were maltreated, the wearers of silk hats meeting with particularly rough usage. Lord Randolph Churchill appeared at a window of the Carlton Club building when the mob reached there. He was loudly hooted and menaced with clenched fists by the rioters. The leaders of the Socialists, especially Burns, Hyndeman, William, and Champion (the last named of whom is an ex-captain of artillery), will probably be prosecuted. The most violent acts were committed on North and South Audley streets and Oxford-street. Probably 200 shops and a dozen club houses were seriously damaged, and about fifty shops were pillaged, including jewellers', bakers', butchers', and wine shops. Hundreds of inoffensive people were maltreated.

HORSE STEALING.

Samuel Orr, of Trafalgar, was charged by Mr. Walter Cole, of Trafalgar, "for that he did on or about the 1st of February inst. wilfully and maliciously steal one black mare of the value of $200." The preliminary trial was held on Wednesday, the 10th February, before His Worship the Mayor and Geo. Smith, Esq., J. P.

WALTER COLE was sworn, and stated the mare was taken from Mr. John Bowes' stable, lot 5, con. 2, Trafalgar, during Monday evening or Tuesday morning, 2nd February inst.; that he missed her about 6 a.m., and traced her to Streetsville and through the different toll-gates towards Toronto and finally found her in Mr. Peet's livery stable, corner of King-street and Strachan Avenue, Toronto. He could not state who took the mare, but suspected Orr.

A PEET, sworn.—Reside in Toronto; on Tuesday morning, 2nd February, a black mare was brought to my stable by the prisoner, Samuel Orr, which was afterwards claimed by Mr. Cole; Orr said the mare was for sale and offered to trade with me; he wanted $50 difference; I refused; I am positive that the prisoner is the man; previous to 6 p.m. on the Tuesday evening Orr went away and about that time I received instructions from Detective Burrows to detain the mare and the man; Orr did not return; I afterwards delivered the mare to Cole.

JOHN GRIFFIN.—Am a stableman at Baldwin's livery stable, Strachan Ave., Toronto; the prisoner offered to sell me a black mare about 8.30 a. m. on Tuesday, 2nd February, and wanted $200; I refused to buy; saw the prisoner again about 11 o'clock; he did not have the mare with him.

The prisoner was committed for trial.

Rev. O. G. Collamore's Denial.

Editor Champion:

SIR:—I see that Rev. O. G. Collamore has not dared to stand by his first demand published in the Milton Sun that he made a violant attack upon Rev. W. J. Mackenie, of Milton, for having sent a certain letter to St. Catherines for publication, making statements to show that the Scott Act had proved a failure in Milton. I now advise Mr. Collamore when next he enters the pulpit to preach God's word, and not indulge in spiteful and malignant attacks on a brother minister, and when next he rushes into print to vindicate himself, he should use no prevarication or evasion. Such may suit Messrs. McCraney and Young, but they do not suit the people of Palermo.
