Public Notice

Environmental Assessment Study Notice of Public Information Centre #2 Mississauga Road, Old Main Street, Bush Street, Winston Churchill Boulevard and Olde Base Line Road

The Project

The Region of Peel is undertaking a Schedule 'C' Municipal Class Environmental Assessment (EA) to develop a road design that addresses safety and pavement condition deficiencies on Mississauga Road, Old Main Street, Bush Street, Winston Churchill Boulevard and Olde Base Line Road. The approximate limits of the project area are illustrated on the map.

The EA will review and recommend solutions to address:

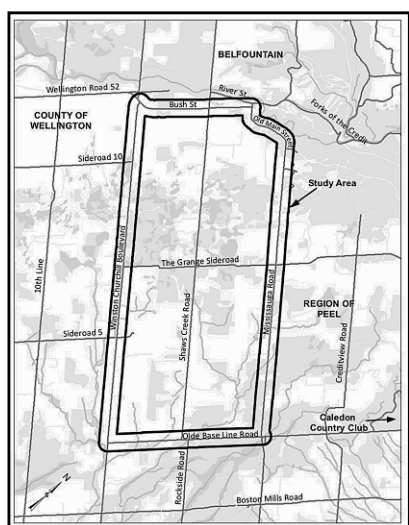

- road safety deficiencies
- sight lines that do not meet standards
- pavement condition deficiencies
- road drainage problems
- parking
- pedestrian and cycling needs.

This EA will not be considering road widening or increasing the number of lanes and will provide a solution that meets the needs of all road users and maintains the rural character of the community.

The Process

The Class EA process includes:

- public and agency consultation
- an evaluation of road improvement alternatives
- an assessment of the possible environmental effects of the improvements
- the identification of reasonable means to mitigate any adverse impacts

Public Information Centre

Two Public Information Centres (PICs) have been planned for this study. The first PIC (May 9, 2013) sought feedback on the Draft Problem Statement, Preliminary Alternative Solutions and Preliminary Evaluation Criteria. The second PIC will consist of an Open House, where you can speak with different team members about your specific concerns. The PIC will provide an overview of what we have heard and the technical work completed to date. Please join us at this PIC to share your opinions on:

- Alternative design concepts developed by the study team
- Evaluation of alternative design concepts
- Preliminary recommended design concept

The Project Team members will be present to answer questions and discuss the next steps of the study. The second PIC is scheduled for:

Date: Wednesday, Nov. 20, 2013
Time: Open House 4:30 p.m. to 8:30 p.m.
Location: Caledon Country Club, 2121 Olde Base Line Road, Caledon

Comments and Information

Please visit our website: peelregion.ca/pw/transportation/envirom-assess/mississauga-road-bush.htm for updates on this project. Comments and information regarding the study are being collected to assist the Region of Peel in meeting the requirements of the EA Act. This material will be maintained on file for use during the project and may be included in project documentation.

Gino Dela Cruz
