MACLEAN.—At his residence, Main St., Milton, on the 26th March, 1886, Peter Maclean, Esq., Public School Inspector, District of Algoma and Parry Sound, aged 44 years and 2 days.

Mr. P. Maclean was born in Inverness-shire, Scotland, on 24th March, 1842, his father being Mr. Simon Maclean, now of Bruce County. His parents emigrated to Canada when he was nine weeks old, and settled in Esquesing on 23rd August, 1842. Mr. Maclean was educated at the Acton public school, and commenced teaching in 1859 at Ashgrove, where he remained for four years and then went to Erin and taught six years in one school. He came to Milton in August, 1871, and was head master of the public school here until the vacation of 1881, when he resigned, having received the appointment, which he held up to the time of his death, of Inspector of Public Schools for Algoma District and Parry Sound. The energy, ability and genial disposition which made him so successful and popular as a teacher made him equally so in this position. His duties, however, were most arduous. He was compelled to take very long journeys at all seasons, and often to put up with very poor accommodation, and there is little doubt that the exposure to which he was subjected was the cause of the complaint, Bright's disease of the kidneys, of which he died. His funeral took place on Tuesday, and notwithstanding the very disagreeable weather was very largely attended, not only by Miltonians generally, but by many friends from a distance. The children of the Milton Public School turned out in a body and marched in the procession.

Mr. Maclean was married in 1862 to Sarah, daughter of Mr. Thomas Crawford, of Esquesing, who survives him with six children, four daughters and two sons, the youngest of whom is ten years of age.
