HONORING THE COLONEL.—On Wednesday evening last, the band of the 20th Batt. Lorne Rifles, came up from Georgetown to serenade their esteemed Colonel. They arrived on the 5.45 train and marched to Col. Allan's residence playing a number of lively airs *en route*. After the rendition of several selections the band was called in and partook of a sumptuous tea, presided over by Mrs. C. S. Smith, the worthy daughter of the Colonel. The evening was very pleasantly spent by the band and a number of invited guests on the spacious lawns and terraces of Fairview Place, and there was music in abundance. Before departing the whole company was regaled with cake and coffee, after which a very enjoyable evening's entertainment was concluded. The Colonel appreciates highly this mark of esteem by his Battalion Band.—Free Press.

SCOTT ACT TRIALS.—The adjourned hearing of the charge of illegal liquor selling against Mrs. Sanderson, lessee of the Temperance Hotel, came off at Oakville on Saturday before Police Magistrate Young. Notwithstanding the efforts of a certain Milton insurance agent, who gets credit for being a member of the local Scott Act vigilence committee and who made himself very busy in endeavoring to round-up the witnesses subpoenaed and to induce them to go to Oakville, only one of them put in an appearance. As there was nothing in his evidence damaging to the defendant, the Police Magistrate again adjourned the case, declaring his intention of compelling the missing witnesses to toe the mark, and if necessary, by having them arrested if necessary. Whether the latter threat will be carried out remains to be seen. The case will come up again to-morrow at Georgetown.

THEY DIDN'T CATCH HIM.—On Saturday night as Thomas Sanderson, son of the lessee of the Thompson House, was going up the stairs just inside the front door of that hostlery he espied Whiskey Johnny Brothers coming in accompanied by two Milton constables and an old tim bummer with whom he divides his work. As Thomas had recently been fined $50.00 for a violation of the provisions of the Scott Act, and as he had neglected to liquidate, he apparently suspected that the call of the minions of the law was not a friendly one, and instead of waiting to be interviewed, he skipped up the stairs with alacrity, got out of a second-story window with agility, slipped down to the ground with rapidity, and made off with celerity. His callers made a thorough search of the premises, and the disgust of the "sight loyal" Inspector when he found that Thomas was *non est* and that another opportunity to display his dexterity with his "nippers" had slipped through his fingers was great. It is reported that he has been clubbing himself ever since with that slugshot of his. The prudence and forethought he displayed in bringing three men with him and not depending altogether on the aforesaid slugshot and his new nickel-plated revolver cannot be too highly commended. If he had not done so the dining-room girls might have spanked him, and the fact that he has escaped this indignity should go far to console him for the escape of the too nimble Thomas.

THE RIFLE.—The matches of the Dominion Rifle Association were held at Ottawa last week and were attended by Capt. Panton, of Milton, and Sergt. W. J. Proud, of Boyne. In the Macdougall match, 400 and 600 yards, 5 shots at each, Sergt. Proud won the forty-fourth prize, $4, score 84 points; in the Manufacturers' match, 500 yards, Sergt. Proud won the twenty-ninth prize, $5, with 28 points, and Capt. Panton was seventy-fourth, winning $4, score 25; in the Rideau match, 500 yards, Sergt. Proud was thirtieth, winning $5, score 30; in the Minister of Militia match, 500 and 600 yards, 7 shots at each, Sergt. Proud was sixteenth, winning $5, score 48; in the standing match, 200 yards, 7 shots, Capt. Panton was thirty-third, winning $4, score 27, and Sergt. Proud forty-fifth, winning $3, score 27; in the Dominion of Canada match, 200, 500 and 600 yards, 7 shots at each, Capt. Panton was twenty-first, winning $10, score 77, and Sergt. Proud forty-second, winning $5, score 73; in the extra series Martini match, 600 yards, 7 shots, Capt. Panton was eighth, winning $5, score 30, and in the grand aggregate, Sergt. Proud was eighth, with 256 points, winning $10, and Capt. Panton forty-sixth, with 236 points, winning $5. Sergt. Proud won the eighth prize, $4, in the revolver match, 25 yards, 7 shots, with a score of 81 points. After the sixty who won prizes in the grand aggregate, and with them places on next year's Wimbledon team, had fired in the Governor General's match, 200, 500 and 600 yards, Martini rifles, Sergt. Proud stood seventh and Capt. Panton fifty-second. Sergt. Proud is therefore sure of an opportunity of going to Wimbledon next year, but as only twenty men out of the sixty are required Capt. Panton's chances are not very good. Sergt. Proud has been successful in winning a place on the team three times during the last four years, and Capt. Panton twice during the last three years. There were between 800 and 400 competitors at last week's matches, every Province in the Dominion being represented. The weather was very bad during the four days of the meeting, and the scores, in consequence, were much lower than usual.

WORKMEN are busy excavating cellars for the Dewar brick block of stores at the corner of Main and Martin streets, and for Mr. Geo. Smith's new store just east of his present stand.

BASEBALL.—On Saturday a nine from the wholesale houses of Hamilton went to Oakville and played a game with the White Oaks, whom they defeated by a score of 8 to 7. The game was only the second one lost by the Oakville boys this season.

All the balance of winter goods cleared out at cost at Treble's, corner of King and James streets, Hamilton.

COUNTY JAIL.—Up to late the committals to Halton's County Jail for the current year numbered 353. This is a nice record for the Scott Act, the promoters of which promised that it would empty the jails, and in due time render them superfluous institutions.

RETURNED.—Mr. Geo. C. Crawford, of Zimmerman, has returned from his trip to British Columbia. He says that a son of Wm. McCraney, Esq., M.P. for Halton, has the contract of removing the timber from a large tract of land at Vancouver city at the rate of $3000 per acre, and that the city is booming. It contains no less than sixty saloons in full blast.

LACROSSE MATCH.—On Saturday afternoon at 4 p. m. sharp, on the Agricultural Grounds, the home team will meet the Galt club for the second time this season. A keen contest is expected as the teams are pretty evenly matched as proved in their former contest. Every lover of Canada's national game should not fail to be on the grounds. General admission 10 cents.

MAGNIFICENT stock of latest spring styles in hats at Treble's, corner of King and James streets, Hamilton.

PERJURY.—Mr. Elias Clark, of Georgetown, proprietor of the Exchange Hotel, was brought before Police Magistrate Young last week on a charge of perjury alleged to have been committed in a recent Scott Act trial in which he was defendant. The charge of perjury is said to be frivolous in the extreme, being totally unsupported by evidence. The case will come up at Georgetown to-morrow.

It is said that the reasons why the Scott Act people have made it so hot of late for Mrs. Sanderson, lessee of the Thompson House, is that there is a certain Scott Act man in a neighboring county who is desirous of renting the hotel. The sooner, of course, Mrs. Sanderson is driven from the premises the sooner the prohibitionist can get possession. In the meantime the twelve shekeens, the existence of which the Inspector admits, flourish unmolested.

GIRLS DON'T MARRY—That is don't marry a man who is so mean that he would go around to see you in the evening with his clothes all covered with tar and grease, rather than pay for having them cleaned by parker and co., dyers and cleaners, toronto. This firm will be here on Friday, Sept. 17th, and we would advise everybody to get their faded clothes dyed now by the reliable firm. Their work taken last time has given good satisfaction. Agency at Mrs. Long's.

GARDEN PARTY.—The garden party on Tuesday evening at the residence of Mr. James Hollinrake was largely attended, and the music contributed by the Milton band and a number of amateurs was duly appreciated. The proceeds went to the Ladies' Aid Society of the Methodist Church. A great deal of annoyance was caused by a gang of boys on the street who almost continually pelted the grounds with apples. Chief Constable Bradley had to be sent for to drive them off.

FIFTIETH YEAR OF THE GORE FIRE INS. CO.—We have much pleasure in calling attention to the advertisement of the Gore District Mutual Fire Insurance Company, whose head office is at Galt. This Company does business on both the Cash and Mutual plans, and has of late been so successful that its fiftieth or semi-centennial birthday finds it in the front rank of Canadian Insurance companies. The fact that on the 31st December last, the Company practically owed nothing except its fire-insurance Reserve, and held Assets of the value of $218,806 available to meet losses, over $90,000 of which was in cash or its equivalent, proves it to be as strong financially, (when their relative business is compared) as the best Stock Companies, with every ability to deal promptly and liberally with sufferers by fire. The rates to these who prefer the Cash principle are liberal, and to Mutual Policy-holders they are about 20 per cent. less than the customary stock rates. Mr. WILLIAM PANTON is agent for Milton and vicinity. 48-2m.

LINES WRITTEN BY A FRIEND ON THE DEATH OF THE LATE WM. F. PEACOCK.

He sleeps his last sleep, from which none can awake him,
Past now his anguish, his sufferings all o'er;
Gone from his labors to the rest that awaits him,
Landed securely on Eternity's shore.
In the prime of life, in his manhood's full bloom,
From loved ones and home so soon called away;
Yet patient in suffering, with the victory won,
He submissively yields to the conqueror's sway.
And though to our call he will answer no more,
Nor respond to the voice of affection's loved tone,
Yet in that world above, where earth's trials are o'er,
We will meet him where flowrets perpetual bloom.

Yes, Here They Are.

Our Paris Dress Goods have commenced to arrive. There is no telling when they will end. We have two cases to hand this morning. Two large cases of choice fashionable goods direct from the French market. The colorings are in the latest autumn tones—exceedingly effective for costuming.

Taken all in all there never was such a novel and stylish lot of Shawls shown in Hamilton as are ours. We have a big lot of them, but we are already having quick sales. You can get a Beautiful Boating Wrap for $1.50 to $1.75, a sold wool Honey Comb Shawl—no shreds and patches, but a solid, durable shawl, in Blue, Pink, Apricot, etc., tints, stripes and checks. Other Shawls follow, running as high as $8.75. They are beauties.

We are well satisfied with these first cases of Paris Dress Stuffs. It is always a great thing to feel well satisfied with anything you buy. You have more pleasure and confidence in recommending the same to customers. We certainly recommend these Dress Goods. We have marked the price very, very low. It is the first lot you see. The next lot may be higher after awhile.

It is always an advantage to buy German-made Shawls. There is a tint to the colorings that you can't get elsewhere. Not only that, but the colors do not fade. You can wash when soiled and they come out bright as new. Ours are all German made. Prices as above. We will not urge to purchase one, but if you require such a thing we advise—merely advise, remember—you to buy one.
