GEORGETOWN'S rate this year for current expenses has been fixed at 20 mills on the dollar. Mr. Edwin Search was appointed Collector.

TENDER ACCEPTED.—The tender of R. S. Bradley to supply twenty tons coal for the Court House and county jail at $5.95 per ton has been accepted.

WE understand that it is the intention to extend Commercial Street over the site of the recently demolished stable and shed of the old "Speed the Plow" inn and across the creek to the skating rink.

THE Rev. W. G. Wallace, B. D., of Georgetown, lectures in Boston church, Georgetown, on Tuesday, 28th inst., on recent European trip, at 7.30 p. m. Lecture in interest of Boston church. Admission 15c.

A PICNIC will be held in McCartney's grove, Boyne, on Saturday, September 25th, afternoon and evening. Two base ball matches between Scotch Block vs. Back Concession and Boyne vs. Postville. All are invited.

SPECIAL PRIZE.—Mr. R. S. Porter, agent for the Raymond Sewing Machine Company, will give a $45 machine as a special prize at the Milton fair for the best firkin of butter containing 50 lbs., door to get the butter. 14,2t

ACCIDENT.—At Glenwilliams on Tuesday as a man named Hare was driving a wagon loaded with wood down the hill leading into the village his horses' harness gave way, his wagon was upset and his collar bone and several ribs were broken.

LAST Sunday morning about four dozen eggs, some whole and some cracked, lay on the sidewalk in front of Mr. Macnab's hardware store, where they had apparently been dropped during the previous night by some very careless individual.

OUR thanks are due to Mr. Harry McDowell, formerly of Milton, and now senior partner of the firm of H. McDowell & Co., druggists, of Vancouver, British Columbia, for copies of newspapers published in the booming town in which he has located himself.

FOR EUROPE.—The Buffalo Express of the 19th inst. contains the following: "Mr. Archie Denoon, with Harries Bros., starts to-morrow for Montreal, from which place he will sail on the 25th inst. for Europe. His many friends wish him a safe and pleasant voyage."

MODEL SCHOOL, MILTON.—Sixteen pupils are natives of Halton and two of Wellington. Several high schools, collegiate institutes and public schools are represented—Collingwood College Institute, 5; Oakville H. S., 3; Guelph P. S., 3; Guelph H. S., 2; Bridgetown Coll. Inst., 1; Streetsville H. S., 1; Richmond P. S., 1; at home, 1.

MOUNT OLIVE.—Milton Council, No. 61, Royal Templars of Temperance has moved out of the Oddfellow's Hall, the amount of rent charged being too high a tax on the members of the organization on account of their very limited number. Temperance lodges do not flourish in Halton, more faith apparently being put in legislation than in moral suasion.

ABOUT APPLE BARRELS.—It may not be generally known, but is nevertheless a fact, that at the last session of the Local Legislature a law was passed regulating the size of apple barrels; which now are required to be of the same size as flour barrels. This will be a check on the fraudulent system of supplying the purchaser of apples with barrels of various sizes, and always varying towards the infinitesimal.

FATAL GUN ACCIDENT.—A sad accident happened at Glenwilliams last week. Two sons of Mr. Forster of that village, aged respectively 12 and 16 years, loaded up the barrel of an old shotgun which had lost its stock with a heavy charge of powder. The younger boy then fired it off by striking a cap placed on its nipple with a bar of iron. When the charge exploded the barrel burst into several pieces, one of which struck the boy who fired it in the abdomen, causing death within twenty minutes.

KEEP AWAY FROM THEM.—Unless parties attending the fairs exercise great precaution this year they will find themselves swindled in a new way by the sharks. The authorities have learned that a number of these swindlers, especially wheel-of-fortune men, who will make a tour of the fairs, have in their possession large quantities of counterfeit quarters and fifty cent pieces. The imitations are remarkably good, and in the rush of commercial activity could easily pass muster. The swindlers expect that the excitement and heat of the play they will pass undetected.—Times.

A MEAN TRICK.—Last week we received a letter bearing the Boyne postmark and containing what purported to be an obituary notice, with a request, to which the name of an old subscriber was signed, that it should be inserted in the CHAMPION. As we had no suspicion that it was anything but genuine, we published it, but we have discovered since that it was bogus and that the name signed to it was forged. We are sorry to say that so far we have been unable to find out who the clever individual was that committed the forgery, but if we do find him out we hope to make him pay dearly for his fun.

OBITUARY.—On the 7th inst., the remains of Jane Oliver, relict of the late William Elliott, Esq., of Esquesing, were followed to their last resting place in Boston Cemetery, by a large concourse of sorrowing friends and neighbors. Mrs. Elliott was one of the oldest and most respected residents of this section. She was born Dec. 19th, 1805, in the parish of Cavers, near Harwick, in the County of Roxburghshire, Scotland, immigrated to Canada in 1834, was married in the same year, and settled with her husband on lot 2 in the 4th concession of Esquesing. She died on the 4th inst., after five days' illness. She was a life long and consistent member of the Presbyterian Church.

FINE MILLINERY.—The other day a CHAMPION reporter visited the millinery room of Messrs. James Hollinrake & Son, and found them displaying, as usual, a most chaste and extensive assortment of fashionable and elegant goods. There were artistically trimmed Hats, loves of Bonnets, beautiful Flowers, gorgeous Birds, Birds' Wings, and other ornaments. There were Felt and Straw Hats in all styles, including those with the high crowns now in vogue and trimmings in all shades of the colors particularly fashionable at present—brown, navy, steel grey, cardinal, heliotrope, and eclectic. There were Jersey Jackets of all styles and prices, fashionable and finely finished Mantles, elegant Dolmans and Dolmanettes, and Plushes in all colors and shades. Every department in the establishment our reporter found stocked with goods of the newest patterns and latest styles, nothing old or out of date. Our lady readers will find it to their interest to pay Messrs. Hollinrake & Son a visit.

THE 18th of November has been appointed Thanksgiving day for the Dominion.

WE regret to say that W. B. Chisholm, Esq., of Oakville, who was prostrated last week by a stroke of apoplexy, is still very low, and his recovery uncertain.

THE new offices of the Clerk of the Peace, in the second story of the Dewar Block, now in course of erection at the corner of Main and Martin streets, will be the finest in the county.

MESSRS. P. M. MCKAY & SONS' new brick store has been completed. It is finished in the best style throughout and its fine plate glass windows give it a city-like appearance possessed by no other business establishment in town.

MR. JOHN D. RONALD, of the Brussels Steam Fire Engine Works, has promised to attend at a public meeting here to be called to discuss the question of protection from fires, and the comparative advantages of water works and steam fire engines. Notice of the date of the meeting will be given shortly.

MR. WM. STEWART, architect, of our city, is busy preparing plans for a fine block of stores and offices to be built upon the corner of Main and Martin streets, Milton. These buildings will have plate glass fronts, fire-proof vaults and be steam heated throughout. This is pretty good for the little town of Milton. Mr. John Dowar, County Crown Attorney, is the enterprising owner.—Hamilton Times.

BASE BALL.—A lively game of base ball was played on Saturday at Campbellville between the local team and the Rockwood club, the Campbellville men being victorious by the following score:

HAMILTON CENTRAL FAIR.—From Sept. 27th to Oct. 1st tickets will be issued from all stations on the Northern & Northwestern Railway to Hamilton and return at a single fare. On Sept. 29th special excursion tickets will be issued from all stations along the line in Halton at the following low rates: Milton 75c., St. Ann's 55c., Zimmerman 60c., Stewarttown 90c., and Georgetown 90c. All tickets good to return up to and including Saturday, Oct. 2nd. For the accommodation of excursionists who remain to see the grand display of fireworks and electric light in the evening a special train, going north, will leave King St. station at 10 p. m., on Sept. 27th, 28th, 29th, 30th and Oct. 1st.

BAND CONCERT.—The following well known vocalists have been engaged for the concert to be given for the benefit of the band on the evening of the second day of the County Show: Mr. Chas. Kelly, of Brampton, the celebrated basso; Mr. Sims Richards, Toronto's favorite tenor and soloist of the Philharmonic Society; Miss Merriman, of Toronto, soprano, and Mr. Cable, Toronto's favorite comic singer. Miss Watson and Wilson, of Milton, will play piano duets. The band boys deserve encouragement, and we feel confident that their efforts will be well patronized, and also from what we know of the talent engaged, that all who attend the concert will get the worth of their money.

OBITUARY.—On Thursday last the remains of Mr. William Green, one of the oldest and most respected residents of this neighborhood, who died on the 13th inst., were followed to their last resting place in the old cemetery by a large number of sorrowing friends. Mr. Green was the second son of the late Mr. Wheeler Green, and was born on September 4th, 1807, near the Grand Bend of the Susquehanna River in the State of Pennsylvania. Two years later his father emigrated from Pennsylvania and settled on the farm adjoining Milton now owned and occupied by Mr. Johnson Harrison, which was at that time wild land. In 1833 the subject of this notice married and took up land for himself, lot 15 in the 2nd concession of the Township of Nelson, which he cleared and on which he remained until his death. In 1837 when the militia was called out to suppress the Mackenzie rebellion he was at the front with the loyalist forces for some months. Though he lived to such a ripe old age Mr. Green was an active, hearty man up to within a few days of his death, and his genial, cheerful disposition made him a universal favorite among his neighbors. He was a member of the Methodist Church at Milton. His aged widow survives him with a family of four sons and two daughters.

Yes, Here They Are.

Our Paris Dress Goods have commenced to arrive. There is no telling when they will end. We have two cases to hand this morning. Two large cases of choice fashionable goods direct from the French market. The colorings are in the latest autumn tones—exceedingly effective for costuming.

Taken all in all there never was such a novel and stylish lot of Shawls shown in Hamilton as are ours. We have a big lot of them, but we are already having quick sales. You can get a Beautiful Boating Wrap for $1.50 to $1.75, a solid wool Honey Comb Shawl—no shreds and patches, but a solid, durable shawl, in Blue, Pink, Apricot, etc., tints, stripes and checks. Other Shawls follow, running as high as $8.75. They are beauties.

We are well satisfied with these first cases of Paris Dress Stuffs. It is always a great thing to feel well satisfied with anything you buy. You have more pleasure and confidence in recommending the same to customers. We certainly recommend these Dress Goods. We have marked the price very, very low. It is the first lot you see. The next lot may be higher after awhile.

It is always an advantage to buy German-made Shawls. There is a tint to the colorings that you can't get elsewhere. Not only that, but the colors do not fade. You can wash when soiled and they come out bright as new. Ours are all German made. Prices as above. We will not urge to purchase one, but if you require such a thing we advise—merely advise, remember—you to buy one.
