THE COUNTY COUNCIL will hold its last regular meeting for the year on the first Tuesday in December.

LATEST stock of underwear in the trade, cheap, at Treble's, corner King and James streets, Hamilton.

COUNTY COURT AND GENERAL SESSIONS.—This court will be held at the Court House on the second Tuesday in December.

WE show Crockery in our new store. A pleasure to show goods. The cheap, cash, leading store.—P. M. McKay & Sons.

DIVISION COURT.—The last sittings for the present year will be held at the Court House, by Judge Miller, to-morrow.

SCOTCH lamb's wool underwear imported direct, cheap, cheaper than ever at Treble's, corner King and James streets, Hamilton.

NEW LANDLORD.—It is said that Mr. J. C. Bell has sold out his interest in Farmer's Hotel to Messrs. Robinson & Johnson.

NO UNDERWEAR in the trade wears like Treble's first class wool. Buy your woolen underwear at Treble's, corner of King and James Streets, Hamilton.

IT is on the cards to remove the knitting machine factory of Creelman Brothers from Georgetown to Ingersoll if the inducements offered are sufficiently large.

TREBLE is doing an enormous trade in wool underwear this season. The reason is his prices are exceedingly low. Corner King and James streets, Hamilton.

INSPECTION.—Lieut.-Col. Otter, D.A.G., inspected the stores of Companies Nos. 1, 4, 5 and 7, 20th Lorne Rifles on Friday last, and found them in a satisfactory condition.

FEVER.—We are sorry to learn that Mr. Beemer, agent of the C. P. R., has been lying ill for some days with a fever. Mr. John Trimble is also in bed with chill fever.

RECOVERING.—The many friends of Mr. George Hardy, Scotch Block, Esquesing, will be pleased to learn that he is recovering from a severe attack of rheumatic fever.

You will save 30 per cent. by buying your wool underwear at Treble's. Largest stock, cheapest goods in the trade. Treble's, corner King and James streets, Hamilton.

L. T. U.—Our report of the organization of the Acton branch of the Liberal Temperance Union has been crowded out of this issue of the CHAMPION, but will appear next week.

ESTRAY.—Came to the premises of the subscriber, lot 15, con. 10, Trafalgar, a long-wooled ewe. Owner can have same by proving property and paying expenses.—SAMUEL MASON.

CONCERT.—Messrs. Ketcham gave a free concert in the Methodist Church on Friday evening last, which was largely attended, and the audience were well pleased with the entertainment.

THE Musical Convention will close on Tuesday night with a concert in the Town Hall. They will try and make this one of the best entertainments ever given here. Admission 15c, Reserved seats 25c.

MILTON MECHANICS' INSTITUTE.—Commercial classes to be established in the Town Hall on Friday evening next, at 8 o'clock. Subjects—arithmetic, writing and book-keeping. Young men, now is your chance. First night free.—H. GRAY, teacher.

REFORM MEETING.—A meeting of Reformers will be held in the Town Hall, Burlington, on Wednesday evening, the 1st day of December, at 8 p. m., when Dr. Buck and others will address the electors on the questions at issue in the coming election.

MOULDBOARD ASSOCIATION.—The plowing match of the Mouldboard Association of Chinguacousy held its seventh annual match near Edmonton on Friday, the 12th inst., when Mr. James Jarvis, of the Boyne, was awarded the second prize of $10 in the special class.

DRUNK AGAIN.—It is reported that last week a certain Milton man, a prominent prohibitionist, met a fellow townsman who appeared to find the sidewalk too narrow for him, and accosted him thus, "Hello, ——, drunk again." He was rather astonished when his "bowled up" acquaintance replied, as he staggered past, "So am I."

BROKE HER LEG.—Messrs. Arch. and J. Jarvis, of Trafalgar, lost a valuable four-year old mare on Tuesday. Having been turned into the barnyard for exercise, she tried to jump into the barn, when her hind leg slipped between a plank and the building, breaking the leg clean off. Messrs. Jarvis were offered $100 for her a short time ago.

SHERRERS.—Judging from appearances during the past week, drinking seems to be more on the increase in Milton than ever. There were no less than three fights on Saturday evening and Sunday morning. A woman in the East Ward, one of the belligerents, tackled an Englishman and did him up in grand style.

IF you want anything in Groceries go to P. M. McKay & Sons.

GOT WET.—On Saturday last a resident of Hornby arrived in Milton and got extremely happy on Scott Act beverages. Returning home on the afternoon train of the C. P. R., he got into an altercation with some parties at Hornby station, during which he walked into a cattle guard which was full of water. He had to be dragged out by the parties present.

THE Oakville Star says: "Just wait till we open your eye with the Star enlarged." We presume that it was to make arrangements for the coming enlargement that the editor of the Star left home rather suddenly after church on the evening of Sunday, 7th inst., on a trip from which we have not so far heard of his return. There is said to be a warm reception in store for him when he does get back.

MR. JAMES TAYLOR, of the Oakville house, has purchased the Canadian hotel from Mr. James Anderson, and is about to fit it up in good style, and will before his lease expires in his present place, remove to the Canadian. We congratulate Mr. Taylor, as well as the travelling public, upon this prospect of opening for the public's accommodation this first-class house. Mr. Taylor is well suited for conducting a temperance house.—Star.

UPSET.—Last night Mr. Jos. Brownridge, proprietor of the Milton livery stables, started out with his road cart about 8 p. m. to meet the H. & N. W. train, but unluckily got ditched at the corner of Mill and Bronte Sts., breaking his cart and injuring his horse. He escaped with a little mud, but his clothes were considerably damaged. This is the corner that Mr. Lavery asked the town council a few weeks ago to have made safe.

A NOBLE HORSE.—Mr. Thos. Shortreed, of Scotch Block, Esquesing, had his old grey horse, "Tom," shot last week. He was got by a horse called Napoleon, out of a Messenger mare, and was in his 35th year, stood 15½ hands high, was never sick or lame, was raised and bred by Mr. Shortreed on his farm and did all his work nobly until about one year ago, when Mr. Shortreed took pity on the noble animal and intended keeping him as long as he would live, but he got so feeble at last that Mr S. thought it was a charity to shoot him, which was done. His half brother was 27 years of age when he was shot.

POLICE COURT.—Edward Thomas, of Nelson, committed to jail last week on an information laid by Andrew Emerson, of the same township, charging him with fraudulently collecting certain accounts which the complainant claimed as his, was brought before George Smith, Esq., J. P., on Saturday. The complainant was examined and, as his evidence showed that he and the prisoner were in partnership, the magistrate dismissed the case. Both parties agreed, after the conclusion of the trial, to transfer their partnership accounts to Mr. Samuel Dice, of Milton, who will collect them, pay all claims and settle up the business of the firm.

KNOX CHURCH CONCERT.—The concert given by the Knox Church choir on the evening of Thanksgiving attracted a good audience, considering the miserable state of the weather. With a favorable evening the hall would no doubt have been filled. The concert was on the whole very enjoyable. The outside talent consisted of Miss Roberts, contralto, of Brampton; Miss Armstrong, reader, of Toronto; Mr. Park, violin, of Hamilton, and last, but not least, Mr. James Fax, of Toronto. Miss Roberts has a splendid voice of mezzo soprano quality rather than contralto, clear and strong, and of even quality throughout. She made a very good impression, and, with further training, should make a fine singer. Miss Armstrong's public appearance as a reader or reciter is, we think, a mistake. Her voice is utterly destitute of the sympathetic quality, without which it is impossible to convey the various shades of expression required in a reader. Beyond an intelligent conception of the selections she gave we could see no conspicuous merit in her performance. The playing of Mr. Park was a genuine surprise to those who head him here a few years ago. His playing of the "Dancla air and variations" was good, both in execution and correctness of intonation. Being enthusiastically recalled, he gave "The Last Rose of Summer" with great expression. Of Fax we need not say anything. His reputation is provincial, and he fully sustained it on this occasion. His song, "The Poor Chinee," in character, was perhaps his best effort. He will be welcome here again. In addition to those already noticed, there were piano solos by Mrs. Campbell and Miss Russ, the former lady also playing the principal part of the accompaniments in a manner not often equalled among amateurs. There was also a sonatina for piano and two violins very nicely rendered by Messrs. Park and Elliott and Miss Dewar. Mr. McKay and Mr. Chisholm, of the town, also contributed songs. We had almost forgotten to mention that Mr. Craven, of the Ketcham Company (at present in town), kindly volunteered his services and sang a song with much acceptance. The concert realized $60, which, considering the weather and the state of the roads, was very satisfactory.

THE RIFLE.—On Thursday last two teams of nine men each, members of the Milton Rifle Club, captained by Messrs. D. D. Scott and A. Chisholm, shot a match for an oyster supper. The weather was wretched, so bad that the annual matches of the Hamilton battery of artillery, which were commenced on the same day, were discontinued after the competitors had fired at 200 yards, but though the snow fell so thickly at times that the signalling discs could not be distinguished, though the wind blew almost a gale, and though it was bitterly cold, our local men stuck to their work. The ranges were 200, 400 and 500 yards, 5 shots at each, and Mr. Scott's team won by 65 points, as will be seen by the following score:

SCOTT'S TEAM.

	200.	400.	500.	Total.
D. D. Scott	19	15	20	54
W. Panton	18	19	10	47

N. Richardson	11	8	7	26
W. Duff	4	3	9	21
T. Johnston	15	4	2	21
				258

The above scores, considering the conditions under which they were made, and the fact less than half a dozen of the competitors ever took part in a match until this year, are very creditable.

If you want anything in the Boot & Shoe line go to P. M. McKay & Sons.

BOY WANTED.—A good active boy to learn the printing business. Apply at this office.

NEW DWELLING.—Mr. E. Booth has commenced digging a cellar for his new house on the alley alongside the CHAMPION Office.

REMOVED.—Mr. W. H. Macnab is moving into Mr. John Hunter's new house on the hill, in the East Ward, until his house is completed. Mr. Ed. Howson, of Acton, will occupy the house vacated by Mr. McNab.

SCHOOL BOARD.—A meeting of the School Board was held on Tuesday evening, when the resignations of Misses Jarvis, Andrews, and Curtis were accepted. Miss Pattinson was engaged to take charge of Miss Jarvis's room at a salary of $350, Mr. H. W. Bell at a salary of $310, and Miss B. Maclean at a salary $200.

MECHANICS' INSTITUTE.—The Directors of the Mechanics' Institute have received five each of the following annuals for 1886: Boys' Annual, Girls' Annual, Every Boy's Annual, Quiver, Young England, and Every Girl's Annual. They will be ready for distribution on Saturday. A grant has been received of $124 from the Ontario Government toward the support of the Institute—see local of Mr. Gray on evening classes in connection with the Institute.

A HEAVY SQUALL.—On Tuesday afternoon, as Mr. Ephraim Chapman, auctioneer, was conducting a sale of farm stock and implements for Mr. John Leachman, of Nassagaweya, the wind blew off about twenty feet of the roof of the barn in which the sale was going on, carried it at least sixty yards, when it struck the end of a stone milkhouse, the wall of which it knocked in. The barn was full of men and horses at the time, there was a general panic, but no one was hurt.

SALVATION ARMY.—Captain Temple and wife took their departure for the Maritime Provinces on Monday last. The Milton contingent escorted them to the C. P. R. station. At the farewell meeting at the barracks on Sunday evening a number of young men, under the influence of liquor, amused themselves by swearing and talking aloud. It is a shame that there is not an example made of some of them, that they might learn to behave themselves in a public meeting.

DWELLINGS SOLD.—Milton has had quite a boom lately in real estate transfers. Mrs. James Coutts sold her frame dwelling and lot on Main street to Mr. D. McGibbon, and Mr. McGibbon resold the back part of the house to D. McCutcheon, who is removing it to a lot on Pearl street. D. McCutcheon sold his house near the school to Mr. Joseph Johnson, Mr. Henry Howes sold his house and lot on Pine street to Mr. John Robinson, and Mr. Jas. McIntosh has sold the house and lot formerly owned by Mr. Tock to Mrs. Fitzsimmons.

BIBLE SOCIETY.—The annual meeting of the Milton branch Bible Society was held at the town hall on Monday evening, and was well attended. Able addresses were delivered by Rev. Mr. Locke, of Brampton, agent of the Society, and by Revs. A. F. Kirkpatrick, of Mansewood, and A. E. Russ, of Milton. In the absence, on account of illness, of the secretary, Rev. D. M. McKenzie, the report was read by John Dewar, Esq. It was satisfactory, as it showed that the collections during the past year were slighly larger than those for the one previous. The amount of the evening's collection was also larger by about $4 than that of last year's meeting. The following officers were re-elected: Dr. Robertson, President; Rev. D. M. McKenzie, Secretary; and Thos. Henderson, Depository, and a vote of thanks for their services during the past year was tendered to them and duly acknowledged. Besides the rev. gentlemen named above, Rev. W. J. Mackenzie, of Milton, and Rev. Mr. Dean, of Nelson, were present. A choir composed of members of the choirs of Knox church and the Methodist church sang a number of selections very well indeed.

HEREIN WE TALK.

We want to talk about two lines of Dry Goods to-day--Mantles and Dress Goods. People who live out of town find it very hard generally to procure what they want even when in the city. We write this especially to assist them.

In Mantles for instance, we say come to us. We have strong reasons for saying this. We carry the largest stock of Jackets, Dolmans and Mantles in Hamilton. We buy direct from German manufacturers. We can give you the very latest style ready-made. We warrant a perfect fit. Our Mantles are all in the New Cloths and our prices very low. It would take a whole page to tell you all about our Dress Goods. We will merely state that we have over 500 different colors, patterns and prices, in stock. We can certainly suit and give you the newest, most stylish and cheapest dress in Ontario.
