THE H. S. Entrance Examination began on Tuesday morning in the Head Master's room, Milton, and closes at noon to-day (Thursday). There are 47 candidates, as follows: 2 from Caledon, 6 from Esquesing, 8 from Nelson, 9 from Trafalgar and 12 from Milton.

OUR GREAT CLUBBING OFFER.—Two newspapers for less than the price of one: The Toronto Daily World, the regular price of which is $3 per annum, and CHAMPION, $1 per year, for $2.50, from now until January 1st, 1888. Send in your names and take advantage of this our most attractive clubbing offer. All subscriptions under this arrangement payable strictly in advance.

A NEW CANDIDATE.—Mr. W. G. Simpson has opened a new boot and shoe establishment at 28 King Street West, Hamilton, with a large and well selected stock of foot-wear of every description, which he offers at "rock bottom" prices. Mr. Simpson was with Colin McRae so long that he is well known to the many Halton customers of that old stand. He will be found next door to it and will be glad to see any of his Halton friends who may call on him. They will find no old stock on his shelves, but everything new, fashionable, and the best of its kind.

A downtown merchant has a bottle of shekeen forty rod on exhibition at his place of business. It was found on the street the other day by his children, but though an anti-Scott man he has no hankering to drink it, the smell of it being enough for him, and he will be glad to hand it over to the first applicant. What a paradise for whisky drinkers Milton has become under the Scott Act! A dozen shebeens in operation, according to the License Inspector's statement, and bottles of whiskey lying about the streets waiting to be picked up!

THE Christmas numbers of The Graphic and London Illustrated News, with beautiful supplements, are now on sale at McCollom's Drug and Book Store; also a choice selection of Xmas Cards, Photograph and Autograph Albums, Toy and Gift Books, Games and Toys, Ladies' Hand Bags, Work Boxes, Writing Desks, and a full line of Annuals, composed of Band of Hope, Friendly Visitor, British Workman, Leisure Hour, and many others. Call early and secure your choice, at J. H. McCOLLOM'S, Medical Hall, Milton, Ont.

A PAYING BUSINESS.—Mr. Malcolm McKay, of Georgetown, recently fined under the Scott Act, writes: In answer to your correspondent, re Temperance Notes on Scott Act in the County of Halton, dated Friday, Dec. 10th, 1886, I wish to inform you and your informants first, that I was not held in custody till the fine was paid. Mr. Harley arrested me for fear of my running away, but I might inform Mr. Harly that I have too much money at stake as to be scared to run away from such a person as he is. I have been in the business a short time, and I have made enough out of the business so as to be able to retire and to make a present of $100 to the temperance people of the town.—Globe.

LITERARY ASSOCIATION.—A thriving literary association has been organized in Trafalgar, near Palermo, its membership is large and its meetings very enjoyable. The last one was held on Thursday evening when the question, "Resolved that prohibition would advance the cause of christianity," was debated. Rev. Mr. Wilson, of Galt, led the champions of the affirmative, and Mr. Henry Carrique those of the negative. Three pronounced Scott Act men were chosen as referees, but their prejudices in favor of prohibition did not prevent them from being impartial, and as Mr. Carrique's arguments were altogether too much for his clerical opponent, they decided unanimously in favor of the negative.

RELIEVED OF HIS WATCH.—John Craigor Craik, who hails from Limehouse vicinity was relieved of his watch at the G. T. R. depot on Saturday night. The unfortunate John was under the influence of something stronger than water when he was robbed. When he discovered his loss he braced, up and shaking the detached chain in one hand, hiccoughed "the-re's trub-trub-ble "enough," and his manner became so alarming to the ladies in the waiting room that he had to be fired out. John's adventure in town did not end here, for he was afterwards robbed of his money, $11. The thief has not yet been arrested.—Brampton Banner.

CALL AND SEE THEM.—A tremendous reduction sale of Boots & Shoes commenced on Saturday last, at H. & C. Blackford's (successors to Colin McRae), 30 & 32 King Street West, Hamilton. That firm having closed their branch store at Winnipeg, brought its $15,000 stock to Hamilton and added it to their stock at the latter place, where they now have in their establishment $50,000 worth of goods, more than their premises can conveniently hold. They are bound to sell them and sell them quickly, and they offer them at wonderfully low prices. Our Halton friends will do well to call and examine this huge stock, where they cannot fail to find what they want, and where they will find it at prices that defy competition. Felt and felt lined goods and Xmas shoes and slippers offered at special rates.

APPLICATION

CANNIBALISM.—In a fight last week between two Miltonians one of them got the thumb of the other into his mouth and chewed it so badly that his antagonist has been unable to work since. So far, there has been no prosecution.

ALL our citizens will be glad to learn that our Milliners, Misses Halcro & Clements, have taken the agency of R. Parker & Co., dyers and cleaners, Toronto, where they will be prepared to receive goods for this firm, and everything will be returned properly. All kinds of wearing apparel beautifully finished, like new, without ripping. If you have anything faded, take it there and have it dyed and colored. Start the new year by being dressed well and wearing the most fashionable colors.

CONVICTION QUASHED.—The Galt Reformer says: Some two months ago Mr. Mara of this town purchased a bankrupt stock in Berlin. Shortly afterwards he was brought before the mayor under the transient traders' by-law and fined $25 and costs, and adjudged liable to a fine of $50 every two months that he sold goods without a license. This he refused to pay, believing it to be an injustice, and appealed to a higher court. The case came up before His Honor Judge Armour at Osgoode Hall on Friday last, with the result that the conviction was quashed. No costs. Mr. King, Berlin, appeared for Mr. Mara, and Mr. Clement for the town. This is the first time that the question has been tested in this county, and the result possesses considerable interest.
