The initial number of the Streets-
ville Review, published by Mr. J. B.
Beck, appeared last week. In its pros-
pectus it says that it is not the organ
of "any person, persons, or party,"
but it will give its entire attention
to the social, intellectual and material
needs and interests of the village of
Streetsville and surrounding country."
It is cleverly edited, neatly printed,
and, altogether, it is decidedly credit-
able to the village whence it comes.

to either the daily or weekly edition of

the trifling sum of ten cents over and
above their subscriptions. We have
ourselves a copy of the portrait, and
are of the opinion that it will prove a
great inducement to everybody to take
the Witness, a journal which, without
any premium at all, is well worth the
money.

THE greatest consolation to one growing old, is the improved surroundings which came with age, experience and wisdom. We are reminded of this fact by the appearance of the new Seed Annual of D. M. Ferry & Co., the celebrated seedsmen of Detroit, Mich. (They enjoy the enviable reputation of being the widest and best known firm, in any business in the United States.) Millions of people, gardening both for profit and pleasure, have found ever increasing satisfaction and delight in using their seeds. Every one desiring seed of the highest type and best quality, should secure the Annual. It is sent free on application.

TORONTO PRESBYTERY.—The regular meeting of the Toronto Presbytery was held in St. Andrew's Church, King-st. The moderator, Rev. P. Nicholls, presided. The resignation of the Rev. Joseph Alexander, who for thirty-five years has been pastor of the united charge of Norval and Union, was laid on the table because of a petition from Norval congregation asking that Mr. Alexander be persuaded to remain with that and that Norval be made a separate charge. Delegates from both congregations expressed regrets at their pastor's proposed departure, and the Union delegates asked that the charges be not separated because neither could support a pastor. The advisability of separation was left in the hands of a committee.

Sick headache and all liver diseases yield immediately to West's Liver Pills. Sugar coated. All druggists.

A HARD CASE.—Last week License Inspector Brothers went to Guelph, and arrested Levi Peer, formerly lessee of the Dusty Miller hotel, Cummnsville, brought him to Milton and lodged him in jail for neglecting to pay a fine of $50 assessed against him two years ago by Police Magistrate Young for an infringement of the Scott Act. It seems that Peer has been living at Guelph for two years and working at his trade as a carpenter, having dropped the liquor business, that he is in poor circumstances, is unable to pay his fine, and has a wife and a family of small children, whose experiences for the two months during which the unfortunate man must remain in jail and before he can get back to provide for them, are not likely to be very pleasant. We cannot see that anything was gained by Peer's imprisonment, as he had dropped the liquor business, had left the county, and as his offence was committed so long ago that it was pretty generally forgotten. It looks as though the arrest was made with the sole object of putting money in the pockets of the magistrate who issued the warrant against him, and the "duly loyal" inspector who arrested him, and whose fees must have been large.

West's Cough Syrup. A sure cure for coughs, colds, bronchitis, sore throat, and all diseases of the throat and lungs. 25c. 50c. and $1.00 per bottle. All druggists.

FINE TEAS AND COFFEES.—One of the largest tea and coffee warehouses in Canada is that of Messrs. Marshall Bros., wholesale importers, 67 Dundas St., London, Ont. Messrs. Marshall Bros. have some thirteen years' experience in the tea trade. Their warehouse comprises three flats and a basement. The ground floor is used for preparing stock and shipment, the second for storing coffees and the top for storing teas. They make a specialty of uncolored Japan teas which they import direct via. C. P. R., and always carry a stock of the finest quality. Among their special grades of teas are English and East Indian blacks, which are highly recommended. In coffee, too, they carry an exceedingly large stock, and as they roast and grind it all on their premises, their customers can always rely on getting it unadulterated. Their trade extends from Toronto to Windsor, and everyone who has tested their goods will speak a good word for them. They have a reputation to sustain and their customers can rely upon getting the best. It does not matter how far away from London any of their customers may live, no extra charge will be made for delivery. Mr. A. Pilkey is Messrs. Marshall Bros. agent for this part of the Province, has established a large trade here, and the other day paid the County Treasurer $50 for a license to sell in Halton by sample, his last year's license having expired. Haltonians giving him their orders may rely on having them filled to their satisfaction.

GOOD WEATHER AND PLENTY OF BUSINESS

With the elements in our favor, and abundance of orders on our books, we feel quite happy, the more so owing to the fact that we have a large stock of

HEAVY WOOLENS

that must be closed out in a very short time. We have two reasons to offer why

WHY WE DON'T WANT ANY STOCK.

1st. Next Spring we take our business to Toronto, and it is our intention to start our business career in that city WITH EVERYTHING NEW. 2nd. If we moved our present large stock to Toronto the expense incurred would be very great, and rather than do that we have marked down all our goods so as to effect a speedily clearance. For instance take our $22.00 Suits to order, now selling for $18.00; our $18.00 Suits now $15.00. Then there are our $22.00 Overcoats cut down to $18.00. Our $6.00 Pants now $4.50; our $4.50 Pants for $3.50. But you must come and see us. We can save you many dollars. Our stock is Fine. The Newest and Best Cloths on show. Come in soon—very soon, so that you can see and be convinced, and being convinced you will then buy.
