MUSICAL TREAT.—The Young ple's Association in connection with the Methodist Church will treat the ple of Milton to a grand concert to-morrow evening. They have secured the services of Mr. Charles Kelly for the occasion, and this announcement should be sufficient to crowd the hall to the doors, as Mr. Kelly, who is not unknown to Milton audiences, is, as a bass soloist, without a rival in Canada. He will be assisted by Mr. A. Williams, Brampton's favorite tenor, and the best local talent available. Doors open at 7.30; commence at 8 p. m. Admission 25c.; reserved seats 35c.

BISHOPRICK.—On Sunday, Jan. 9th, the bishop of Niagara confirmed in Brantford five persons, who, through various causes, were unable to be present at the confirmation held in June last. Three of them adults, had been brought up in other communions. The bishop also preached at St. Matthew's church, Aldershot, at 3 p.m., and again in the new Sunday school, Burlington, at 7 p.m. advocating the claims of foreign missions. Notwithstanding the severe weather there was a good attendance at both places, and the good singing visit and addresses were much appreciated.—Spectator.

Liver disease and all liver diseases yield readily to West's Liver Pills. Sugar coated. All druggists.

SOMETHING LIKE A KNIFE.—Mr. John A Davison, ex-Clerk of Erameosa, now of Meaford and well known in this section, writes as follows: "I observed some little time ago among your local notes a statement that a gentleman in Galt had carried a foot rule in his pocket for forty years. I bought a two-bladed knife from the late Adam L. Argo's store in April, 1847, carried it in my pocket for thirty-nine years, never during that time having or using any other until April, 1886, when with my permission I had to lay it past, as it had no longer keep an edge, and I had to supply its place with another which I bought when in Hamilton on the 12th of April last."—Times.

West's Cough Syrup. A sure cure for coughs, colds, bronchitis, sore throat, and all forms of the throat and lungs. 25c. and $1.00 per bottle. All druggists.

DO THE SPORTS.—One of the Hamilton curlers hung his overcoat in the dressing room of the rink during the progress of a match played here last week. When he went back to get it he found that a flask of whiskey which he had left in his pocket, and which he had brought with him in case he should need it while on the ice, had disappeared. He says that the chief, whoever he is, was a tall young man, with a cheek to treat a chum to a drink of the ice before his face, but that he did not saw that the flask looked like his own, he did not suspect the young man, nor dream that Milton curlers were making merry with his property. He vows if it came from his overcoat pocket Vikings to Milton should have their whiskey flasks lying around loose.

Dyspepsia. West's Liver Pills, a sure cure for over complaint, dyspepsia, sick headache and indigestion. 35 pills 25c. Druggists.

MORE CONVERSATIONS.—The conversazione given at the town hall on Friday evening was the social event of the season and probably the most creditable affair of the kind on record in Milton. The first part of the entertainment was musical, the singers being the Misses Orr, of Georgetown, Mrs. Mills and Miss McOmies of Waterdown, John Stewart, of Esquesing, and Mr. T. Chisholm, of Milton, and the instrumentalists Mrs. Campbell, and Misses Wilson and Dewar of Milton. It is only necessary to say that the musical duets contributed by the young well known amateurs were thoroughly appreciated. Supper was served in the council chamber downstairs after the conclusion of the musical programme, and in the meantime the hall was cleared for the hop which followed and for which the majority of the guests remained, numbering about four score, and including ladies and gentlemen from Toronto, Georgetown, Oakville and elsewhere. The music, which was supplied by the Mandolin quadrille band of Toronto, was of the best, the hall was elaborately and tastefully decorated, the toilets of the ladies were elegant, and altogether the scene during the dancing was most attractive. The brethren of the lodge and the committee of management are to be congratulated on the result of their efforts to the entertainment of their friends.

Round that West's Cough Syrup is the best for coughs, colds, and all throat and lung diseases. All druggists.

Georgetown High School.

GEORGETOWN, Jan. 11.—On the petition of the Halton county council, the Lieutenant-Governor-in-Council not long ago established the Georgetown high school. The trustees of the school succeeded in securing as teachers five gentlemen well qualified and experienced—Mr. M. S. Clark, B. A., lately modern language master in Strathroy Collegiate Institute, and for three years student of modern philology in Berlin University, Germany; and Mr. Edwin Longman, the holder of a firsts A certificate, special, in mathematics. Yesterday the high school was opened with an attendance far beyond the most sanguine expectations and with brightest prospects. There are already more than 70 pupils enrolled.

In the evening the formal opening took place, when the town hall was crowded to the doors with an intelligent and enthusiastic audience. Rev. W. G. Wallace, chairman of the high school board, presided. Mr. Wm McLeod, reeve of Georgetown, and Major Kerns, M.P.P. for Halton, who had been expected, were unavoidably absent. Practical addresses were delivered by Headmaster Clark and Mr. J. S. Deacon, Inspector of Public Schools for the county, after which Hon. G. W. Ross, Minister of Education, was introduced. He spoke in the highest terms of the headmaster of the high school, whom he had known personally for a long time. He had pleasure in dedicating the Georgetown high school to the study of everything high and noble in the different branches of learning. The Minister was accorded a hearty vote of thanks for his address.

Actuated by this motive and desiring to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noyes, 149 Powers Block, Rochester N. Y.
