understand that Reeve McLeod his interest in the dry- ods firm hitherto known as McLeod Thompson & Co., of Alliston.

ST CHURCH.—Rev. Mungo Fraser, M.A., of Knox Church, Hamilton, will preach in Knox Church, Milton, on the 5th February, at 3 p. m. 32-2t.

TAILOR is doing an enormous trade in wool underwear this season. The reason is his prices are exceedingly low.—Corner King and James streets, Hamilton.

NEW BUILDING.—Mr. Finlay Chisholm has commenced at the foundation of a new building on Main St., next to the Walker House, to be used as a warehouse for implements.

You will save 30 per cent. by buying your wool underwear at Treble's. Largest stock, cheapest goods in the trade. Treble's, corner King and James streets, Hamilton.

SEED FAIR.—At a meeting of the directors of the Halton Agricultural Society it was decided to hold the spring seed fair, Friday, the 22nd of April and the fall fair on Thursday and Friday, the 6th and 7th of Oct.

BLACKSMITH FERGUSON.—George Ferguson took too much shebeen whiskey on Friday and made things so lively in the East Ward that he was run in by Chief Constable Bradley. Next morning he was fined $1 and costs.

COMMITTED.—William Clark, of Silver Creek, was committed by Messrs. Robert McKenzie, of Georgetown, on Friday evening last for stealing an overcoat on the H. & N. W. train from Milton, a commercial traveller.

SABBATH SCHOOL.—The annual convention of the Halton Sabbath School Association will be held in Georgetown, on February 24th and 25th. All interested in Sabbath school work are cordially invited to be present.

NO CHIMNEY.—The new lamp manufactured by R. M. Wanzer & Co. requires no chimney, is very economical, non-explosive, and will burn common oil without smoke or smell. Call and see it at R. H. Macnab's hardware store, Milton.

You can get a good heavy under-shirt or drawers, better quality, all wool, 50 cents. Treble's famous O.K. shirt at 75 cents the best in the trade. Call and examine our stock before purchasing elsewhere. Corner of King and James streets, Hamilton.

ICE RINK.—The roller rink will be open every evening this week and on Friday evening next week, when the rink will be closed for skating purposes, a portion of the building having been turned into a ware-room for agricultural implements.

At the Scott Act trial held here last week in adjusting the P. M. Mr. Field stated that Bellgrove ought to be fined and added that the hotelkeepers would be glad of it, as Bellgrove was injuring their business. By this statement Mr. Field seems to infer that hotelkeepers in the Scott Act county sell whiskey.—Free Advocate.

DR. BARNARDO, of London, England, is coming out the first week in March, 20 boys, ages 10 to 16 and upwards) for farm labor and other employment. Those desirous of securing such help are commended to apply early to Mr. Edward Duff, Dr. Barnardo's Home, Peterborough, who will furnish all necessary particulars.

TEA-MEETING.—The annual tea-meeting of the Methodist Church Sunday School was held in the basement of the church on Monday evening last. Addresses were delivered by a number of gentlemen, and there were dialogues and recitations by the children afterwards. Mr. Johnson Harrison was present with every comfortable arm chair and foot stool. Proceeds about $40.

BANJAX.—The soiree held on the 18th inst. under the auspices of Hornby Orange Lodge for the benefit of the Chinaman fund was a great success in every respect, though the weather and everything but favorable. The speakers were Rev. W. J. Mackenzie and Ah Ouan, of Milton, and Messrs. Wm. Law of Toronto and A. F. Campbell, of Brampton. The receipts were more than sufficient to pay off the debt on the hall.

SCOTT ACT TRIALS.—On the 15th inst., at Georgetown, Messrs. W. McLean and W. Coman, of Georgetown, and Nathaniel Brown, of Glenwilliams, all hotelkeepers, were tried before Police Magistrate Young on charges of illicit liquor selling. A number of witnesses were examined, but as all of them answered in the negative the question, "have you within three months received any intoxicating liquor from the defendant or on his premises," All the charges were dismissed.

A very pleasant gathering assembled at the residence of Mr. G. C. Thompson, Chestnut Hill, Esquesing, on Tuesday of last week, to witness the marriage of his eldest daughter, Miss M. E. Thompson, to Mr. James H. Reid, of Esquesing. The ceremony was performed by Rev. Dr. O'Meara, of Port Hope, assisted by Rev. Joseph Alexander, of Norval. The presents were numerous and costly. The happy couple left on the evening express on their wedding tour for London, Buffalo and Hamilton, amid the congratulations and good wishes of all their friends.

Y. P. A. CONCERT.—The engagement of Messrs. Chas. Kelly and A. Williams, of Brampton, for the concert given at the town hall on Friday evening, by the Young People's Association of the Methodist Church secured a large attendance. Though the first named gentleman was suffering from a cold his fine bass voice and artistic singing were listened to with the appreciation and greeted with the applause that they always secure. Mr. Williams also scored a decided success. His tenor solo in the first part was encored and his comic songs in character in the second brought down the house, while in his duets with Mr. Kelly he fairly divided the honors with that gentleman, which is saying a good deal. The vocal and instrumental contributions of the local amateurs did them infinite credit, and the selections played by the members of the band were rendered in good style. The young gentlemen who managed the concert have our congratulations.

No underwear in the trade wears like Treble's first class wool. Buy your woolen underwear at Treble's corner of King and James streets, Hamilton.

VOTED DOWN.—Scott Act Reformers in Halton do not look favorably on the prohibition third party movement, which they pronounce a "Tory dodge," and on Tuesday at the meeting of the County Prohibition Alliance, held at the Methodist Church, a resolution pledging the "temperance" people of Halton to support none but prohibitionist candidates was voted down. It was supported by Conservatives, but the Reformers, who were in the majority, would have none of it.

THE annual missionary services will be held in Grace Church, Milton, next Sunday morning, at 11 o'clock, when the deputation consisting of Rev. Thos. Smith, of Taplerytown, and Rev. Elwyn Radcliffe, of Arthur, will deliver addresses. All are cordially invited to attend. The deputation will leave here for Oakville to hold a similar service there in the evening, and at St. Stephen's Church, Hornby, on Wednesday evening, Feb. 2nd, at 7 o'clock.

BOSTON CHURCH.—The annual Anniversary services will be preached in Boston Church, on Sabbath, the 6th February, at 11 a. m., by the Rev. Mungo Fraser, M. A., of Knox Church, Hamilton; and the annual tea meeting will be held in the church on Monday, the 7th of February, when addresses will be delivered by the Rev. Mungo Fraser, M. A.; Rev. Alex. Gilray, of Toronto; Rev. McIntyre, of Nelson, and Rev. A. F. Kirkpatrick. Tea served from 6 p. m. to 7.30 p. m. 32-2t

HAMILTON TOLLGATE.—The dispute between the Hamilton and Milton Road Company and the township of East Flamboro' as to the York street tollgate, has not yet been settled, nor will it be apparently for a long time to come. Tuesday the by-law of the township assuming possession of the road was quashed, but this does not appear to settle the right of the Road Company to the tolls, because the city of Hamilton contends that the tollgate is in the city limits, and subject to the powers of the city council.

THE WANZER LAMP.—We wish to call our readers attention to this celebrated Lamp. It burns without any chimney, giving a light of 50 candle power and only consuming one-half pint of oil in 6 hours. There is no odor whatever, and it is positively non-explosive. It is owned and manufactured by R. M. Wanzer & Co., Hamilton, the celebrated Sewing Machine Manufacturers, and is undoubtedly the best lamp yet placed before the public. Mr. C. S. Racey has the agency for Halton, Peel and Wentworth.

ICE JAM.—There was great excitement in the East Ward on Sunday, caused by an ice jam which occurred a little west of the new cemetery, damming up the creek and flooding a number of houses on and near Commercial street. A large crowd assembled to aid in or watch the efforts which were made to break the jam, and shebeen whiskey was in demand to counteract the effects of the cold and wet. In some cases overdoses were taken, and the result was plenty of fun for the boys. The jam was finally broken and the waters receded without having done any serious damage.

REV. ED. SHBAKD, of Christ Church, Belleville, on Sunday morning last announced to his congregation that he would resign the pastorate if his salary was paid to date. There is said to be $800 due Mr. Sibbald, and although a portion of the congregation desire his resignation it is thought impossible to raise the money except by a mortgage on the church. To this the people's warden will not consent. There is also a difference of opinion as to how much is actually due Mr. Sibbald. He claims at a rate of $1,500 per annum, while a section of the congregation allege that he is entitled to only $1,200.—Globe.

Mr. Sibbald will be remembered in Milton as the man who preached the Scott Act sermon in Grace Church on the Sunday before the last vote on the Act here.

CARNIVAL.—The enterprising lessee of the rink, Mr. A. J. Brothers, has reason to congratulate himself in the success on Thursday evening's carnival. The attendance was good. The dresses of the maskers, owing to the fact that a number of them were hired from a Toronto costumer who was induced by Mr. Brothers to come to Milton for the occasion, were particularly rich and attractive of character, and were greatly admired. The five-mile race was most exciting. The leaders, Little and Watson, were very evenly matched and were never at any time more than two or three yards apart, and though the Miltonian finally won, there was so much difference of opinion as to whether he or his Barrie opponent was entitled to the first money, that the matter was compromised by the "pot" being divided between them. The music contributed by the Milton band added greatly to the enjoyment of the occasion. The following is the prize list: Best dressed lady, Miss Eva Smith; best dressed gent, Jno. Dewar, 2nd Jno. Brothers; best dressed boy under 15, Chas. Lindsay; best dressed girl under 15, Edith Dewar; best lady skater, Miss Nellie Dewar; best gent skater, Jno. Dewar, 2nd Fred Smith; comic costume, Chas. White; Negro W. Hannant. Five-mile race, 1st Jno. Little, 2nd H. Watson (Barrie); three-mile race, Wm. Dewar; three-legged-race, 1st Chas. Lindsay and Chas. Johnson, 2nd Chas. White and H. H. Freeman. Mr. Brothers intends making arrangements for other carnivals during the season, and guarantees that with favorable weather they will all be worth attending.

COUNTERFEIT BILLS.—Counterfeit ten dollar bills of the Canadian Bank of Commerce are in circulation. The following are some of the points of difference between them and the genuine: The green of the counterfeit is of a yellowish tint, giving the bill a pale appearance. Under the words "ten dollars" the hair lines in the genuine are distinct and clear, and only four in number, while in the counterfeit they are blurred and indistinct, and there are five of them. The eyes in the lion have a staring appearance in the counterfeit. In the genuine, outside the letters in the words, "The Canadian," there are eight hair lines, which are left out in the counterfeit. The numbering in the counterfeit is not as distinct as that of the genuine, and the figures are larger. The counterfeit is about an eighth of an inch shorter and about one-sixteenth broader than the genuine. The lathe work on the front of the counterfeit is almost perfect, but on the back of the bill it is not so good. The cashier's signature forged is that of W. Cooke, and the date of issue is May 1st, 1871. We have been shown one of the counterfeits by the agent here of the Bank of Hamilton. While it has the defects enumerated above, it is difficult for any but an expert to detect them. The Bank of Commerce should in order to protect the public call in all its $10 bills that have on them the signature of W. Cook, and in the meantime, business men and others should be very careful about accepting any bills with that signature.

CARTWRIGHT COMING.—Sir Richard Cartwright will be one of the speakers at a public meeting in the interest of the Reform candidate for Halton to be held at the town hall on Thursday evening, Feb. 3rd.

HAMILTON'S CARNIVAL.—The citizens of Hamilton are making great preparations for their carnival, which will be held on Wednesday and Thursday, Feb. 2nd and 3rd, and are apparently determined to make it a success. Among the attractions will be a curling bonspiel, tobogganing, fire works, &c. Milton will probably send a couple of rinks to play in the bonspiel. The CHAMPION begs to acknowledge, with thanks, the receipt of a guest's badge.

A REEVESHIP CONTESTED.—Judge O'Connor, at Toronto, granted a *quo warranto* summons to void the election of Joseph Featherstone as reeve of the township of Toronto, in the County of Peel. The relator is Sir Melville Parker Baronet, who, as a voter, seeks to void the election on the ground that the returning officer acted improperly in returning Mr. Featherstone by acclamation. Two candidates were nominated, and Mr. George Savage, one of them, sent in a letter of resignation which was not witnessed, and was not received within two days from nomination day as required by the Act. The relator contends that this letter should have been disregarded and the poll granted. The arguments will be heard next week.
