LOCAL NEWS.

Lowndes' New Spring Prints and Cretonnes are, as usual, very attractive.

Rev. F. Sanby, late of Georgetown, has been engaged as pastor of the Baptist Church.

Large stock of underwear in the cheap, at Treble's, corner King and James streets, Hamilton.

The Spring Assizes for Halton will be held at the Court House on April 5th, Justice Armour presiding.

Mr. Frazer sold a large number of valuable volumes of books belonging to the Mechanics' Institute on Saturday last.

B. Perryman, of Silver Creek, was fined $50 and costs last week by Police Magistrate Young for violating the Scott Act.

A regular meeting of the Milton Literary Society will be held in the basement of the Methodist Church next Monday evening, at 8 o'clock.

Gone Moving.—Mr. B. Johnson, grocer, of Oakville, reports having hauled over 1,000 bushels of grain one short week when the sleighing was good.

Underwear in the trade wears like Treble's first class wool. Buy your woolen underwear at Treble's corner of King and James streets, Hamilton.

Parlors Sold.—The frame dwelling and three lots belonging to Mrs. F. Stephenson were sold on Saturday last by Mr. J. A. Frazer, auctioneer, to Mr. Thomas Mackie, for $500.

William Wood, of Burlington, drove into an opening while crossing the bay on his way home on Friday night, but the horse and vehicle were got out after much trouble and danger.

Trade is doing an enormous trade in red underwear this season. The reason is his prices are exceedingly low.—Corner King and James streets, Hamilton.

Accident.—Last week Mr. Thomas White, ex-deputy reeve and now assessor for Nelson, fell down a stairway in the house of Mr. Thomas Dent, one of his neighbors, and broke a hip bone.

The Star is agitating for a gravel road from Oakville to Hornby, and says there is no reason why it should not be completed this season. An Oakville merchant offers $50 to help to pay for it.

A Free Concert will be given at the residence of Mrs. Wm. Caldwell, on Wednesday evening, March 2nd, in aid of the Church. A good programme will be provided. All are cordially invited to attend.

Rev. Just and Miss Polly Page, late of Georgetown, have emigrated to Bilings, Kitana Territory, and arrived there on Monday, 14th inst., after being delayed about three days by snow blocks in Dakota.

P. M. Ill.—We are informed Police Magistrate Young has an attack of inflammation of the lungs which will probably confine him to his house for a short time, and that a number of Scott Act cases have been adjourned until he recovers.

Trebble get a good heavy undershirt for 25 cents, better quality, all wool, 50 cents. Treble's famous O.K. shirt at 75 cents, the best in the trade. Call and examine our stock before purchasing elsewhere. Corner of King and James Hamilton.

Ingersoll Reeve Wheelman, of Nassagaweya attended the meeting of the West Flamboro' council on Monday. He is a property owner in the region peculiarly affected by the drainage question and he kicks vigorously against the whole job.—Dundas Standard.

At Billings, Montana, on the 4th inst., the wife of Mr. Harry Oldam, formerly of Toronto, of a son. Mrs. Oldham is the second daughter of Mr. Robert Rutherson, of Chicago, formerly teacher of the grammar school here, and afterwards editor of the Champion.

New Firm.—Messrs. Brown & Beattie, a new firm at Campbellville, but well known residents, have purchased the stock and general stock of dry-goods and groceries of Mr. John Mason, and expect to open about 10th March with a large stock of new spring goods. Grist and flour will be a specialty with the new firm.

The Star says that the Farmers' Institute will meet at Oakville about the first Wednesday and Thursday in March. Several able and distinguished gentlemen will read papers on agricultural subjects which will be discussed, and a free lecture will be delivered by Prof. Mills, of the Provincial Agricultural College.

Gymnastics.—As Mr. R. Adams was coming to Mr. Thomson's store about 12 p. m. on Tuesday, he, in looking toward the Bennet House, was surprised to see a full-grown man come through a pane of glass in an upstair window and land with a thump on the sidewalk underneath. He didn't seem to be hurt either.—Herald.

Gravel Road.—The citizens of Palermo and farmers in the vicinity subscribed liberally towards gravelling the road between Palermo and the middle road, the Trafalgar council gave a special grant towards it, and for some time past the drawing of the gravel has been in progress. Sufficient has been placed on the road bed to cover nearly one-half the distance.

Hornby.—The entertainment at the Orange hall, Hornby, on Thursday evening, for the benefit of St. Stephen's Church Sunday School attracted such a large attendance that the hall's capacity was taxed to the utmost, the proceeds amounting to about $60. The programme of vocal and instrumental music contributed by the professional and amateur talent engaged by the committee of management, was one of the best ever rendered at Hornby.

R.C. Concert.—Notwithstanding the election meetings which were held on Friday evening at different points the concert given by the Excelsior Company at the town hall for the benefit of the Roman Catholic Church, drew very fairly, the receipts amounting to about $40. Miss Bolton, soprano, and Miss Andrews, contralto, sang with taste and expression, and were equally successful in their piano duets; the violin and cornet playing of Mr. Knapp was excellent, and that versatile artist, Mr. D. J. Scourin, was in great form, every one of his character and comic songs being encored. It is to be hoped that the Excelsiors will pay Milton another visit.

Alleged Robber Jailed.—Charley Smith, the colored man who is charged with having robbed Mr. Jas. Sherwood, of Trafalgar, of $93 on the 19th inst., was arrested last week at Toronto and tried with several other men for a robbery committed there. Some of the gang were convicted, but there was no evidence against Smith, who was acquitted, but was immediately arrested by Chief Constable Bradley, who had come to Toronto for the purpose, was brought to Milton and lodged in jail. The police of Toronto, the chief informs us, have Smith to be a notorious and desperate criminal, who has "done time" twice in the Central Prison for one of which he was convicted.

Dissolution Sale!

The partnership heretofore subsisting between **HEMSTREET & BASTEDO**, Merchants, has been dissolved by mutual consent, Mr. Bastedo retiring from the business. We therefore require to realize a considerable amount of money from the stock at once, and will begin on

Saturday, Feb 26th,

to Sell AT COST the whole of the remaining stock of Winter Goods, including

Fancy Woolens, Flannels, Blankets, Wool Underwear. Cardigan Jackets, Hosiery, Gloves, Plushes. Velvets, Dress-Goods, Canton Flannels, Overshoes, Felt Boots, Etc., etc.

We will also offer the whole stock of BOOTS and SHOES at greatly reduced prices; all winter goods in this line will be sold at cost.

In the GROCERY Department goods will be sold at special reduced prices in order to turn them into money. It is the money we want, and for the cash we will sell the goods as advertised, so come early and secure bargains.

The business will in future be carried on under the name and style of HEMSTREET BROS., and the public, to whom we accord our thanks for their very liberal patronage in the past, may rely on being treated with the best care and attention whenever they may favor us with that support which we in the future hope to receive.

HEMSTREET BROTHERS.

Cedar Posts for Sale—Split and round—6 and 8c. James Molyneaux, lot 12, con. 2, N. S., Nelson, near Kilbride. 36-8t

Rev. W. J. Mackenzie was prevented on Sunday by a severe attack of bronchitis, from conducting the services as usual in Grace Church, but we are glad to say that he is now in a fair way for recovery.

Mr. James A. Frazer was summoned to Ottawa yesterday by a telegram stating that his brother, Mr. W. H. Frazer, Dominion Appraiser, who was prostrated about six weeks ago by an attack of inflammation of the lungs, was in a dying condition.

How to stop a paper is to pay up all arrearages, and tell (or notify) the publisher to discontinue sending it to your address. Don't ask the editor to stop the paper while you are owing him—unless you are a dead beat—for the law will compel you to pay for a paper as long as you owing any thing for it; and this is right.

Disorderly Milton.—It is doubtful whether Milton ever saw two successive nights as disorderly as those of Monday and Tuesday. On both numbers of drunken men and boys paraded the streets and filled the places where liquor continues to be sold despite the Scott Act, the yelling and general uproar were disgraceful and there was more or less fighting. As usual, no arrests were made.

Scotch lamb's wool underwear imported direct, cheap, cheaper than ever at Treble's, corner King and James streets, Hamilton.

A Recommendation.

An exchange says:—"A new revolver has been patented which is expected to be less liable to be accidentally discharged than any of its predecessors. Its main feature is a concealed hammer, enclosed in the lock frame, which cannot be unintentionally manipulated, and the trigger is so arranged that it cannot be pulled unless a safety lever in the rear of the lock frame is first pressed."

We would recommend the Halton Alliance to secure one of the new guns as soon as they are in the market and present it to License Inspector, "Billy the Bouncer." Billy appears to be unable to summon enough nerve to show his nose out of doors without a big revolver in his pocket, and there is danger that unless he is provided with one differing in its construction from that with which he shot Mr. Lake, the Alliance may be called on again, as it was at its last session, to pass a whitewashing resolution for his benefit.

SUPPOSE WE READ THIS!

We have to tell you to-day, especially, some things about Dress Goods and Silks. It would be money wasted to advertise if we didn't have what we tell you of, or if we tried to deceive you. First, then, we mention that all classes of Dress Goods are up. Wool in the raw is also up. Every farmer who reads this who has sheep may gain a point by it. Let him expect more for his wool from buyers. He will get it. But about Dress Goods: We have a large assortment, probably 500 pieces. These we bought before the rise in prices, and we are now offering them without any advance to our customers. This means a saving of from 10 to 15 per cent. if you buy from us now. In Silks we are the leaders of Hamilton. We carry a larger stock at lower prices than you will find elsewhere in Ontario. Just now we are showing a whole lot of lovely colors in All Silk Gros Grains at 50c. yd.; also a large range of All Silk Merveilleaux—Black and colored, at $1. Velvets and Plushes from 75c. up—both broche and plain.

Advices from Tonga, one of the Friendly Islands, state that the six natives who were condemned to death for complicity in the assault on Missionary Baker and his family have been executed.

At two o'clock Saturday morning J. C. Pendergass's residence, near Roseville, Arkansas, was destroyed by fire, burning to death his five sons who slept upstairs and could not be rescued.

The liquor men and prohibitionists in New York combined to defeat the high license proposition before the legislature at Albany.
