H. A. SOCIETY.—A meeting of the Directors of the Halton Agricultural Society will be held at Wallace's Hotel, on Saturday afternoon next.

MR. WILLIAM TUCK, of Nelson, turned his horses out to water on Sunday last and one of his brood mares fell on the ice and broke her thigh.

SCOTCH lamb's wool underwear imported direct, cheap, cheaper than ever at Treble's, corner King and James streets, Hamilton.

THE CEMETERY SUIT.—The famous cemetery suit against the corporation of Acton will, according to the Free Press, be tried at Brampton Assizes.

AUCTION SALE.—Edwin Thornton, Lot 11, Con. 6, Esquesing, Thursday, March 10th. Clearing Sale of Farm, Implements, &c. Chapman & Burger, Auctioneers.

You will save 30 per cent. by buying your wool underwear at Treble's. Largest stock, cheapest goods in the trade. Treble's, corner King and James streets, Hamilton.

GRACE CHURCH.—Owing to the continued illness of Rev. W. J. Mackenzie, Rev. R. C. Caswell, M. A., of Toronto, conducted the services at Grace Church on Sunday.

Mr. JAMES ROBINSON, barrister, formerly of Milton, and now of Port Portage, arrived here about a week ago. He will remain with his friends in this neighborhood until the later part of this month.

No underwear in the trade wears like Treble's first class wool. Buy your woolen underwear at Treble's corner of King and James streets, Hamilton.

A "MILL" AT GEORGETOWN.—Last week's Herald contains an account of a drunken and bloody fight which occurred at Georgetown between two young men on the night of Saturday, 6th inst. Neither of the pugilists was arrested.

TREBLE is doing an enormous trade in wool underwear this season. The reason is his prices are exceedingly low. Corner King and James streets, Hamilton.

RECOVERING.—The many Milton friends of Mr. W. H. Frazer, of Ottawa, Dominion Appraiser, will be glad to learn that though his life was despaired of a week by his medical attendant, there are hopes now that he will recover from his illness.

You can get a good heavy undershirt for 25 cents, better quality, all wool, 50 cents; Treble's famous O.K. shirt at 75 cts., the best in the trade. Call and examine our stock before purchasing elsewhere. Corner of King and James streets, Hamilton.

CONCERT.—The tea-meeting on Monday evening in connection with the Presbyterian Church at Byne was largely attended, the receipts amounting to $30. Addresses were delivered by Revs. Messrs. Cameron, Abram, Hunt, Johnson, and Reeve, Henry Robinson, Mr. George Cline sang several solos in his best style, and the music contributed by the Streetsville choir was excellent.

ACCIDENT.—Last Thursday as Fred Malico, a son about 18 years old of Thomas Prentice, manager of Mr. Cartmer's farm, Trafalgar, was sawing with a cutting box in the barn Mr. Wm. Gibson, a neighbor, his right hand was caught in the gearing and badly mangled, the first joint of one thumb being left in his mitt. Drs. Bell and McCrimmon, of Palermo, were summoned and found it necessary to amputate the thumb, the first and second fingers, and the third finger at the second joint.

MARRIED.—Last evening at the residence of Judge J. D. Matheson, Mr. Sam Panton of the Gazette editorial staff married to Miss Maude K. Page, second daughter of the late Solomon Page, Esq., of Georgetown, Canada. The ceremony was performed by the Rev. Alfred Brown, rector of St. Luke's church, after which those present partook of refreshments, when the happy couple took the Atlantic express for a trip to the east. The following guests were present at the ceremony: Rev. Alfred and Mrs. Brown, Mr. and Mrs. Walter Matheson, Mr. and Mrs. John Rixon, Misses Jennie and Minnie Panton, Misses Irene and Polly Page, Mr. Gerald Panton and Mr. E. R. Page. The bride was the recipient of many handsome presents from friends in Milton and Canada. The numerous friends of the groom congratulate him heartily on his winning his fair bride, and wish the newly wedded pair unalloyed bliss and many years of happiness and good fortune.—Billings (Montana) Daily Gazette, Feb. 22nd.

A FALLING TREE.—The many friends of Mr. John Crozier, who has been a resident of this neighborhood for many years, residing at Coldsprings, about midway between Springfield and this village, will be sorry to hear of the sad accident which befel him on Wednesday afternoon, the 23rd inst. It appears that Mr. Crozier and one of his sons were at work in the bush cutting a tree, and when the timber was falling it swung around, in a different direction from what was expected, and Mr. Crozier was so unfortunate as to be knocked down with the tree falling directly across his breast. All that was possible was done for the unfortunate man. He was at once taken to his home, and Dr. Glendinning was hastily summoned to attend him. From latest accounts Mr. Crozier lies in a very precarious condition, which owing to his great age, it is feared will prove fatal. Mr. Crozier, from his long residence here, is known to nearly every body.—Streetsville Review.

FIRE IN BURLINGTON.—The general store of Baxter & Galloway, situated near the post office in Burlington, was completely destroyed by fire at an early hour yesterday morning. The fire was discovered about 1.30 a. m. by Mrs. Risch, who lives across the street from the building, and she immediately alarmed those living in the vicinity, but before efficient measures could be adopted to squelch the flames they had made so much headway that little could be done but, try to save the adjoining property. Burlington has no fire department, but Major Kerns quickly organized a bucket brigade and they centered their attention to saving the large grain warehouse next to the burning store. With the aid of buckets of water and plenty of salt taken from barrels in the warehouse the amateur firemen succeeded in saving that structure, but the store was completely destroyed with most of the contents. It is thought that the place was set on fire, because when the conflagration was first discovered it was found that the front door of the store was wide open. The fire apparently started at the east corner of the building in the tailoring department. The loss is about $14,000 and the insurance is $10,000.—Spectator, Feb. 26th.

The widow and family of the late Mr. D. McQuarrie, of Burlington, have taken up their residence in Caledonia village.

The body of Patrick Madigan, an Oakville sailor, who was drowned last November in Lake Superior, has just been recovered.

LACROSSE.—A meeting for re-organization of the Olympic Lacrosse Club of this town will be held in Lyon's Hall on Tuesday next at 8 p. m. All active members and all citizens who take an interest in our national game should endeavor to be present.

GENERAL PASSENGER AGENT.—The very many friends of Mr. H. B. Jagoe, formerly of the H. & N. W. R. here, will be pleased to learn that he has been appointed General Eastern Passenger Agent of the West Shore Railroad, with office at 368 Broadway, New York.

REGISTER THEM.—Some day or other not far distant some person may be looking up the delinquents in the matter of registering births, marriages and deaths. The penalty for neglect is $20: so it would well for all those interested to see that all are registered with the clerk of the municipality.

BROKE HIS LEG.—A ten-year-old son of Mr. Joseph Johnson was coasting with some more boys on the hill east of the stave factory on Tuesday evening. Instead of a sled they used a board, and as they were going down the hill seated on it young Johnson managed to get one of his legs under it. The result was the fracture of one bone just below his knee. Dr. Stuart set the broken limb.

BOYNE PRESBYTERIAN CHURCH.—The regular monthly meeting of the Toronto Presbytery was held Tuesday in St. Andrew's school-room, Toronto, Rev. P. Nichol, Moderator, in the chair. Rev. M. C. Cameron, Milton, reported having moderated in a call from the Hornby and Omagh congregations to the Rev. Joseph Johnson, who has lately come to this country from Dundee Presbytery, Church of Scotland. The congregations guaranteed $750 per annum. The Presbytery approved and sustained the call, which was accepted by Mr. Johson, the Presbytery further agreeing to apply for a supplement of $50 from the Suspension fund. The 15th March was appointed for the ordination ceremonies, the moderator and clerk to name the subjects of trial for ordination. After the trial, Rev. Jas. Murray will preach; Rev. M. C. Cameron will address the ministers, and the Rev. W. Wallace the congregation.

THE "SUN'S" MISSIONARY.—A letter has been received in this office from Mr. W. P. Byers, at one time foreman of the Sun office. The letter was written on January 24, while passing through the Suez canal, and contained a graphic account of his journey, as well as some of the sights of the old country he saw while waiting for a vessel to take him to Bombay. That part of the letter relating to his visit to the town of Gibraltar was especially interesting. Here he had the pleasure of seeing the Spaniards and Moors at home and in their native costumes. While passing through the market he saw immense quantities of new potatoes, radishes, lettuce, squash of various kinds, oranges, lemons, figs, pomegranates, quinces, etc., displayed for sale. Mr. Byers's party reached Glasgow on Dec. 26th, and left Liverpool on January 8th and reached Gibraltar 6 days later. Finer weather was experienced in crossing the Atlantic than while on the Mediterranean Sea.—Dundas Standard.

SUPPOSE WE READ THIS!

We have to tell you to-day, especially, some things about Dress Goods and Silks. It would be money wasted to advertise if we didn't have what we tell you of, or if we tried to deceive you. First, then, we mention that all classes of Dress Goods are up. Wool in the raw is also up. Every farmer who reads this who has sheep may gain a point by it. Let him expect more for his wool from buyers. He will get it. But about Dress Goods: We have a large assortment, probably 500 pieces. These we bought before the rise in prices, and we are now offering them without any advance to our customers. This means a saving of from 10 to 15 per cent. if you buy from us now. In Silks we are the leaders of Hamilton. We carry a larger stock at lower prices than you will find elsewhere in Ontario. Just now we are showing a whole lot of lovely colors in All Silk Gro Grains at 50c. yd.; also a large range of All Silk Merveilleaux —black and colored, at $1. Velvets and Plushes from 75c. up—both broche and plain.
